STATE NEWS.

A large bed of kaoline clay has been discovered within a few miles of Greensboro.

A suit in the court at Chicago has recently been decided in favor of Robert and Stephen A Douglas involving about $250,000.

The Raleigh *News* propounds this question: When will the Masonic Temple be commenced? That's something that no fellow can find out.

The cash contributions to the Orphan Asylum, at Oxford, in July, amounted to $1,466.88. The contributions in kind were very liberal.

Hillsboro *Recorder*: The weak-kneed and the faint hearted, may be reassured when they learn that Kerr and Strudwick are in no danger of defeat. They will lead every where in the District.

The Raleigh *News* says that Messrs. G W Blacknall, Jordan Stone and I J Young have been appointed a Committee to invite Robert Bonner, Esq., of the New York *Ledger*, to deliver a speech at the approaching State Fair upon fine stock.

Raleigh *Sentinel*: Governor Brogden issued on yesterday a warrant of delivery for one Jonathan Hay, a fugitive from the State of Illinois, charged with forgery. Hay was arrested at Charlotte a few days ago, and has since been confined in Mecklenburg jail. This is the second criminal that has been returned to Illinois from our State, the first one it will be recollected, having been returned last Sunday.

The *Newbernian* says: Some six weeks ago Mr. C C Stilley left Rocky Mount, his home, to go on a lecturing tour in the Eastern part of the State. When last seen he was going in the direction of Swan Quarter, Hyde county; since which time he has not been heard from. He had money with him and suspicions that he has been foully dealt with are aroused. Any information concerning him will be thankfully received by his distressed family. State papers please copy.

Hillsboro *Recorder*: On Sunday week a gentleman was crossing a bridge across New Hope creek, in his carriage drawn by a pair of mules. In the carriage were his wife and two daughters. Upon rising the abutment, the mules became alarmed at the ricketty condition of the bridge, and began to back, bearing the carriage against the railing. The railing gave way, and carriage, riders, mules and all went over, fortunately catching in the tops of some low trees close by the bridge, which prevented material damage to person, mules, or carriage. The young ladies escaped with some slight contusions and much fright.—Their mother leaped from the carriage, and alighted safely on the bridge.

SOUTH CAROLINA NEWS.

Capt Stalk and Treasurer Neagle had a difficulty in Columbia on Monday, and the latter received a very severe drubbing.

From the 1st of September, 1873, to the 1st of June, 1874, 19,321 bales of cotton were shipped over the Spartanburg and Union Railroad.

Capt. John G. Wiliams, near Spring Grove, in Lawrens County, produced this season, from a small patch of three-quarters of an acre, eighty bushels of oats. The oats were sown last fall with turnips.

Judge Mackey said, in the course of his speech at Yorkville last week: "In York County, where you to go out to-night with a double-barrel shot gun and fire it at random, three candidates would jump out of every bush."

The Union *Times* says: "We are informed that the notorious United States Marshal Hubbard is *non est inventus*. It appears that he has been levying blackmail upon a number of citizens, and the chief marshal hearing of it 'went for him;' but Hubbard was too old a rogue to be caught napping. 'He's gone where the woodbine twineth,' but we hope to hear of his being found where a hemp-rope twineth."

Home-made Billings.

The following which originally appeared in the OBSERVER, about a month ago, has been copied by most of the papers in the State. We reproduce it to-day as being peculiarly an appropriate subject for meditation, as our readers go to the polls:

Independent kandidates az original things, are independent of white folks, and dependent on the niggers, mostly.

When yeou see a Demikrat so consenshus that he cant go the nominee, you kin safely aware that that man iz fixin to swaller a nigger—or words to that effeckt.

When you hear a good Demikrat say he's tired of konvensions, he means he's tired of that sort that wont nominate him. Only he dont jist say so.

When yeou hear a man sayin a konvension waz packt and he wont stand it, he means it wazn't packt hiz way.

A good and true Demikrat iz a man who iz oppozed to all konvensions that nominate the other feller, abuses hiz own party and leaves it in serche wool. N B. He iz generally sure to find it before he's done.—That so.

A mule aint full blooded. No more iz a independent kandidate. If yeou will lift hiz shirt yeou will diskiver a stripe down hiz legs.—P S. Them rings looks like Radikal kinfokes.

I dont like to hear a man say that both parties are korrupt. No doubt he iz rite so far az he deskribes hiz own feelings, but let him stop thare.—Yeou watch that man, and towards August yeou'll smell wool.

I dont love to see a good Demikrat kortin Radikals. This thing ov kortin iz always a sign that sumbody iz willin, and when iz between independents and niggers, both sides iz generally willin. P S. Thares sum about here even ankshus.

When yeou hear an independent abusin rings, yeou bet $5 he's got em round hiz fore legs. If yeou win it send me the money.

Will any Conservative in Mecklenburg betray his party, insult his people, stigmatize himself and aid in establishing negro supremacy by voting with the Radicals to-day?

TO THE PUBLIC!

As eternal vigilance is the price of liberty, so is continued vigilance, honest, fair and upright dealing necessary to success in business. Having from the outset (18 years ago), appreciated these facts, and acted upon them, we find ourselves to-day rewarded for the countless anxieties, vexations, and the loss of hours of rest by seeing our long cherished hopes realized, of making Charlotte a

Wholesale Mart,

and ours an exclusive

Wholesale House.

In order to be more explicit, we have the pleasure of informing the mercantile world that we have leased the superb store, adjoining our present, (heretofore occupied by Messrs. Brem, Brown & Co., as their Dry-Goods Store), which we will occupy by first of September next for the retail trade only, and will use our present elegant and commodious store for an exclusive

WHOLESALE HOUSE

thus giving to the trade a strictly "Wholesale Establishment," where they can make their selections from a Stock purchased for that trade only, thus avoiding coming in contact with a Retail Stock and Retail Buyers. The advantages of such a House are too obvious to need further comment.

To give the general reader a better conception of the colossal dimensions of our two Houses we state that we will have upwards of thirty thousand feet of superficial floor room; or if a lane of ten feet wide were formed of our stores, it would reach considerably over half a mile.

At the same time we inform our numerous friends that our Mr. Rintels is now again North buying our second stock this season, and owing to the decline in goods, will again place us in a position to successfully compete with all other houses.

Very respectfully,
WITTKOWSKY & RINTELS.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminitics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

A distinguished clergyman of New York, speaking of this remedy, characterizes it as "one of the special blessings of the nineteenth century. The certainty of its healing effect," said he, "and the immunity from danger whether administered to children or to adults, adapt it for the widely popular use it has attained." None would long suffer from lung complaint if they knew how easily they can be cured by this remedy. By its timely use all pulmonary diseases may be arrested, and consumption—the scourge that sweeps away thousands every year—would be checked in its commencement. Persons with a seated cough, which breaks their rest at night, will find, by taking the Expectorant on going to bed, they may be sure of unbroken sleep and refreshing rest. Possessing a very pleasant taste it is easily administered to children. Sold by all Druggists.
