LIFE INSURANCE.

AGENCY OF THE HOPE MUTUAL LIFE INSURANCE COMPANY.

WILMINGTON, N. C., Sept. 20, 1847.

THE Subscribers have just received the Agency of the above Company, and are now prepared to receive applications for life insurance—they are also prepared to receive applications for Insurance on the lives of *Slaves*.

This institution incorporated in 1846—with a liberal and perpetual charter, and duly organized according to law, has commenced the business of LIFE INSURANCE—on the MUTUAL principles. The NETT PROFITS being divided annually among the insured, according to the Act of Incorporation. The rates of premiums conform with the usage of other similar companies—For the convenience of parties insuring who would prefer to pay the premiums by instalments, it is left to their option when the premium exceeds $25, to pay one-half in cash, and secure payment of the residue in 12 months, by an approved note bearing interest at six per cent.

The lives of married men may be insured for the benefit of their wives and children, so that upon the decease of the insured the wife if living, or if not, then his children will receive the amount payable by the policy, free and clear of any claim by the creditors of the deceased.

For the greater security of parties insuring with this company, the Trustees have provided an indemnity fund, to the amount of $250 00 to meet losses that may accrue upon policies issued by the company which is to remain, until a capital exceeding that amount shall have been realized from the receipt of premiums, when it will be no longer necessary, and may be withdrawn.

THE subscribers offer for sale between two and three hundred acres of valuable Rice Lands on Lockwood's Folly river, in Brunswick county. Immediately in the neighborhood of the Lands is a good stream of water emptying into the Lockwood's river, furnishing water power sufficient for watering the fields and for pounding and threshing the Rice, as well as for a Saw Mill. A part of this land has been cultivated in Rice and Cotton, and produced equal to any land.

Miracle of Miracles!!

On the 4th of August, in the year 1848, singular scene occurred in the Royal Scientific Institution of France. The aged, white-headed President, his head bare, his arms outstretched, his face radiant with smiles, (for science was triumphant.) and his voice with gratulatory tone, delivered the following Report:

We are astounded at this singular preparation.—Where indeed will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know, by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary power in clearing yellow or discolored skin, and making it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the President, who had used it, in proof of his assertion.)

There are probably few persons of intelligence who, after reading the above, will doubt the qualities of

Jones' Italian Chemical Soap.

In curing Pimples, Blotches, Salt Rheum, Scurvy Erysipelas, Sore Heads, Old Sores, Beard and Barber's Itch, Chapped and Feaded Flesh, Freckles, Tan, Sunburn, and changing dark Sunburn or Yellow Skin to a pure clear white, as smooth and soft as an infant's; and in fact every kind of eruption and disfigurement. Read these certificates:

From the N. O. Sentinel, Oct. 1844.

One of our subscribers, Mr. H. Leonard, informs us that he has been cured of old, scaly Salt Rheum, of eighteen years standing, on his beard, fingers and hands, by a cake of an article much advertised lately—we speak of Jones' Italian Chemical Soap. He also informs us that he has tried its effects on his fet ch slave Rose, much marked with sun spots, and he found in two weeks her skin much clearer and whiter.

James Eltham, a painter, in Jersey City, was cured of carbuncles and pimples, which he was afflicted with for many years, by part of a cake of Jones' Italian Chemical Soap.

Persons in purchasing this, must always ask for JONES' ITALIAN CHEMICAL SOAP; and perhaps, as many who have been cheated with counterfeits will be too much discouraged to try the genuine, we say to such, try this once—you will not regret it, but always see that the name of T. JONES is on the wrapper.

Lippitt & Willkings, Front st., are the Agents for this Soap for Wilmington.

Also, a few superior-toned Guitars and Violins with instruction books and strings for the same. Persons desirous of purchasing, and others, are invited to call and examine.

Piano Fortes tuned and repaired in a satisfactory manner.

THE GREAT REMEDY.

HOUSE'S INDIAN TONIC.

A safe and sure cure for CHILLS or AGUE & FEVER, in the unprecedented short time of Five Hours—as thousands throughout the West and South can testify, who have been thus speedily cured by this GREAT REMEDY!

EVERY one who is afflicted, should be anxious to obtain that remedy which offers the best, quickest, and safest cure, no matter from what source it springs; every honest man being bound to embrace the truth, wherever found. Therefore the proprietor, in justice to the public and himself, feels called upon to state, honestly, a few facts, which will establish HOUSE'S INDIAN TONIC to be the best remedy for CHILLS or AGUE and FEVER, now known. *Fact 1st*—The article is convenient and pleasant to take—is refined from all gross particles, which render other preparations so muddy, nauseous, and disagreeable to the taste; and if the directions are followed, will cure every case, with mathematical certainty, in from three to five hours. As onishing!! but true. *Fact 2d*—By its action upon the liver and other organs concerned in forming it, the bile is regulated, the morbid action induced by the cause of the diseases is destroyed—fever allayed—and it will be found a powerful agent in assisting to remove fevers generally. *Fact 3rd*—It gives tone to the stomach—invigorates the body—stimulates all the functions to a healthy action—and is highly useful, wherever tonics are wanted. *Fact 4th*—This Tonic has performed and is daily performing, cures in CHILLS, or AGUE & FEVER, without a parallel in medicine. Witness a single bottle making a cure in a case of TEN YEARS standing; another in a case NINE YEARS standing—to cure which has previously baffled all skill and every remedy. Look at the many other astonishing cures set forth in the certificates around the bottle and then say, if HOUSE'S INDIAN TONIC does not deservedly stand, pre-eminently the greatest remedy of the times. Read the certificates carefully; they are from your neighbors and friends—and when ever you meet with any of them, (to ascertain the truth,) don't fail to ask them concerning it. Be sure to ask for HOUSE'S INDIAN TONIC, and as you value your health, don't be put off with any thing else.

R. F. HIBBARDS

Genuine Vegetable Anti Bilious Family Pills.

THESE Pills are a certain cure for Fever and Ague, and Bilious Fever, as numerous certificates sent to the proprietors will show.

The smallness of the dose, (only two pills) their energy, their simplicity, and efficacy, have rendered them for Family and general use.

The unbounded popularity and extensive sale of the pills have induced persons to imitate them, and wrap them up under a name and reputation not their own.

The proprietors have put up these pills in their own proper name, that they may the more effectually protect them and the public from fraud, which they could not do if they had taken a fictitious name, or the name of the dead. Read the following statement:

My father, the Rev. R. Hibbard, died August 17, 1844. While in his life time, I manufactured these Pills, and put them up in boxes, and enclosed them with wrappers, with his name, by his consent and approbation; he used frequently to say to me, "Now be very careful, my son, for if the Pills are not as good, the public will blame me." So by his active superintendance, the Pills have gained their reputation as a Family Medicine.

Since his death, I have manufactured the Pills and put them up in my own name, as I deem it to be a species of deception to put the name of Rev. R. Hibbard, on the wrapper, and thereby induce the belief that he superintends the manufacture of the Pills, knowing at the same time, that it is not so—that he is dead.

The Pills bearing the name, R. F. Hibbard, are manufactured by me, and are the Genuine Hibbard Pills as made by my father, Rev. R. Hibbard.

RUFUS F. HIBBARD.

Be sure and ask for R. F. Hibbard's Pills.

George,—This may certify that I was afflicted with that dreadful disease, Fever and Ague, and was recommended to try your Pills. One box was sufficient to complete a cure. Yours, respectfully,

S. MINER.

Experience has proved that nearly every Disease to which the human frame is subject, originates from Impurities of the Blood or Derangement of the Digestive Organs; and to secure Health, we must remove those Obstructions or restore the Blood to its natural state. Therefore when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should at once be got rid of. This fact, as stated, is universally known; but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution, or a fit of sickness reminds them for the folly of their conduct. Still they *had* some excuse; for *heretofore*, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually removed; for

Clickener's Vegetable Purgative Pills

being completely enveloped with a *Coating of pure vegetable Sugar*, (which is in contact from the internal organs,) shall have the same *effect here as taking of medicine*, but are as easily swallowed as bits of candy. Moreover, they *act more mildly and gently* on the digestive organs. They operate equally on all the diseased parts of the System, instead of confining their influence to one, and making any particular region. Therefore, though it the Liver be affected, one ingredient will operate on that particular organ, and by cleansing it of all Excessive Bile, it is constantly discharging into the stomach, to put it to its natural state. Another will operate on the Blood, and remove those impurities which have already entered into the circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach, through the instrumentality of the other ingredients. Hence they *strike at the root of the disease*, to move all impurities from the body; open the pores externally and internally, promote the Insensible Perspiration; obviate Flatulency, Headache, &c.; separate all foreign and obnoxious particles from the chyle; create a free and healthy action to the Heart, Lungs, and Liver; and thereby give health to the whole, *when all other means have failed*.

The entire truth of the above can be ascertained by the trial of a single Bottle; and their virtues are so positive and sure in restoring Health, that the proprietor feels himself bound to return the money paid for them in all cases where they do not give universal satisfaction. Retail Price 25 cents p'r Bottle.
