Cotton Manufacturing in the South.

An advance sheet from the *Commercial and Financial Chronicle*, furnishes some interesting figures in connection with the consumption of cotton by the Southern States. The increase in Southern consumption has been as marked as is gratifying. It has risen from ninety thousand bales in 1869-70 to one hundred and thirty thousand bales in 1873-74, and but for the evil results of the panic the *Chronicle* thinks that the consumption would have reached nearly one hundred and forty thousand bales. The following table shows the consumption and the number of mills and spindles in each of the Southern States:

States.	Mills.	Spindles.	Bales.
Alabama,	16	52,594	13,772
Arkansas,	2	1,256	293
Georgia,	42	187,330	39,920
Kentucky,	4	10,500	4,047
Louisiana,	3	15,000	2,790
Mississippi,	11	15,150	2,545
Missouri,	7	18,656	7,288
N. Carolina,	30	55,428	14,726
S. Carolina,	18	62,872	15,376
Tennessee,	42	47,052	13,518
Texas,	4	10,225	2,755
Virginia,	10	56,490	11,496
Total,	187	487,629	128,526

We are glad to see that North Carolina makes a very good exhibit in this table. The number of mills in large, but the number of spindles and of bales of cotton consumed, are not in proportion to the number of factories in operation. In South Carolina, with but little more than half the number of mills, there are more spindles in operation, and consequently a larger consumption of cotton.

We can see from the above table some of the advantages derived by Georgia by the liberal and wise legislation for the encouragement of the building of factories, in exempting them from taxation for a certain term of years, a species of legislation which our Constitution denies to us. Georgia is rapidly reaping advantages which we ought to divide with her, but which we cannot hope to do at present.

North Carolina presents advantages for manufacturing which few sections can rival and none surpass. Its healthful climate, its nearness to market, its transportation facilities, the cheapness of labor, and above all, its magnificent water power which its numerous streams afford, render it peculiarly adapted for manufacturing purposes. Good government and wise legislation must at an early day invite capital to the advantages. But while our credit is bankrupt, and the mere expenses of our government are so much and more than tax-payers can stand, and which cannot be reduced on account of a constitution devised by strangers and fastened upon us by the bayonet, we cannot expect that men of means will make investments within our borders, however inviting our offerings may be. When shall we fully arouse ourselves to our duty to our State and to ourselves.

VINEGAR BITTERS
VEGETABLE PURELY FREE FROM ALCOHOL
WALKER'S CALIFORNIA
VINEGAR BITTERS

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and inveterate cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gilders, Painters, and Miners, as they advance in life are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
