TELEGRAPHIC NEWS.

WASHINGTON!

Southern Postmasters Alarmed.

A New Election in South Carolina and Louisiana Suggested.

AUGER ACTED WITHOUT INSTRUCTIONS.

South Carolina Republicans Cooling Down.

Carpet-Baggers Disposed to Kick Against the Pricks.

MAIL CAR AND VALUALE LETTERS BURNED.

Nominations and Rumors in Regard to Foreign Appointments.

WASHINGTON, March 13.

The delivery of the soldier charged with the murder to Col Baglen, who is Nicholl's Chief of Police, excited much comment.

It is reported that ex-Gov Aiken will become Collector of Customs, for Charleston, S C.

Persons holding important postoffices seem to have an idea that their services will soon be dispensed with.

Senator Bruce of Mississippi suggested to the President, who granted him an interview, that the best way out of the complications in Lousiana and South Carolina, was a new election in those States. Mr Bruce expressed his approval of the new Southern policy, and his belief that it would be for the best interests of the colored people of the South, if they as a race can be removed from the position which they now occupy of solid antagonism to the property owners, and the intelligence of that section, brought about by carpet bag machination.

Secretary Thompson took charge of the Navy Department to-day. All new secretaries are now regularly installed.

Gen Auger had no instructions from here relative to the disposition of the soldier whom he placed in the hands of Nicholls Chief of Police, on the charge of murder.

Stone will be re-nominated as District Attorney for South Carolina. The President desired to send it in again in difference to the indorsement of his predecessor.

South Carolina Republicans are not very earnest in their opposition.

In the Senate, Mr Morton submitted an order to return to the W U Telegraph Company, the telegrams recent-examined by the committee on privileges and elections, but it was laid over at the request of Senator Mitchell. The Senate then at 12:30 took a recess until 1:30 P M to await nominations from the President.

Midnight.

WASHINGTON, March 13.

Gen Babcock took charge of the fifth light house district, as Major of Engineers.

A special to the New York papers, says: "A number of informal caucuses have been held by the Southern Republicans during the past day or two, and they have, with but few exceptions, expressed a determination to do everything in their power to prevent the recognition and success of the Nicholls and Hampton governments. Should they fail in this, as is now believed to be probable, they will, or at least they say they will, change the political complexion of the upper House of Congress, by voting against the admission of Mr Kellogg from Louisiana and Mr Corbin from South Carolina."

Advices have been received from Toledo, Ohio, that upwards of twenty thousand ordinary, and about five hundred registered letters were destroyed by the burning of the postal car, attached to train No. 4, on the Buffalo & Chicago Railroad, leaving Chicago at 8:50, on the 8th. The train collided with a freight train near Sedan, Ind., the shock upsetting the stove and burning up the car and contents. The registered mail lost must have been very valuable, as this train usually brings the brokers' remittances of bond and other collateral, besides many costly articles sent registered, and for which no refund can be obtained.

NOMINATIONS.

Lot. M Morrill, Collector of Customs for the District of Portland and Falmouth, Me. Wm Stone, Attorney for South Carolina; Asa O Aldis, of Vermont, Jas B Howell, of Iowa, and Orange Ferris, of New York, to be Southern Claims Commissioners. Postmasters—W R Hollaway, at Indianapolis; Nicholas Filbrock, Terre Haute; Geo P Fuger, South Bend; John B Dowd, Rockville: and Henry Davis, Belford, all of Indiana.

Evarts will not give up his law practice.

Senator Cameron, of Wisconsin, who has been sick, is in his seat to day.

Among the rumors afloat, is that Geo William Curtis will releive Pierpont at England.

Ex-Secretary Bristow will take Caleb Cushings place at Madrid.

Marshall Jewell will be returned to St Petersburg.

Bill Grosvenor, of Missouri, will be Commissioner of Indian Affairs.

Keiffer or Lew Wallace will be sent to Mexico.

Senator Logan will go to Brizil.

Dr C C Cox wants to be Commissioner of Education.

Secretary Schurz will recommend the transfer of the Indian Bureau to the War Department.

Confirmations: Lott M Morrill, collector of customs at Portland Maine.

Mr Blaine now favors a new election in South Carolina and Louisiana. He takes this ground as he is quoted: In view of the possibility that the President may not recognize Packard and Chamberlain.

The Democrats were in the majority in the Senate to-day. Morton withheld his report on Kellogg's case on this account.

Senator Gordon was with the Secretary of the Navy this morning when he assumed his functions.

The struggle over the Petersburg, Lynchburg and Charlestou postmasters was ineffectual to-day.

ACROSS THE WATERS.

The Eastern Question of Peace or War.

CONSTANTINOPLE, March 13.—The Council of Turkish ministers on Monday declared Montenegrin demands for cession of Messics Territory on the Albanian frontier inadmissible. Montenegrin delegates appear resolved to adhere to their demands. They will confer again to day with Safort Pasha. M Phillip Christias remains here as the Servian diplomatic agent.

LONDON, March 13.—The Times in its leading article says: "To-day will be memorable in the history of the Eastern question, The cabinet meets to consider the terms of an agreement among the powers." It does not contain any engagement to use coercion in any form. The powers will employ the diplomatic influence in favor of the reforms, the conference decided to be necessary, but further than this they will not go. No time is fixed within which the powers are to use their influence, or after which they are to consider that their efforts have failed. When the proposal which Lord Derby submits to his colleagues has been accepted by the other European powers, it is expected Russia will declare herself satisfied, and demobilization will follow in due course. A protocal to be signed by the Porte and countersigned by the powers is the form of agreement which has found most favor. The article continues: We believe if England accepts this, all other powers will. It then depends upon the temper in which the Porte receives the agreement and the acts with which it follows to show whether we are on the path of final pacification. Hitherto the Sultan's government has shown no desire to come to terms with Russia, we can only hope that the Porte will not by action or inaction by purposeless defiance or ill timed obstinacy frustrate the sincere attempts of the other States to arrest war.

The New Hampshire Election—A Favorable Outlook for the Democrats—Nothing Decisive as Yet.

BOSTON, MASS, March 13.—Reports from the principal towns in New Hampshire, at 1 o'clock, indicate nothing decisive as to the result of the election. Owing to the unfavorable weather, the vote is, as yet, tight. At Concord, in Wards 4 and 5, Mr Briggs (Rep) for Congress, runs considerably behind his ticket, and Mr Sulloway (Dem) is proportionately ahead. At Nashau the Democrats will probably elect a Mayor or a majority of the Aldermen. At Portsmouth the Republicans look for an increased majority. At Claremont Mr Kent (Dem) for Congress, is ahead of his ticket; also at Kure. Nothing definite has been received from Frank Jones' District, except from Dover, which reports him as not running so far ahead of his ticket as at previous elections.

CONCORD—Sixty towns and cities give Prescott, (Rep) 10,378; March, 9,171; scattering, 99. The same, in 1876, gave Cherry, (Rep) 10,647; March, 9,282; scattering, 92. Republican net loss, 158.

LATER—Eighty towns and cities gave Prescott, (Rep) 17,244; March, (Dem) 14,120; scattering, 137. In 1876, same gave Cherry, 17,671; March, 14,510; scattering, 168. Republican net gain in these places 3. Twenty-five towns of the 15th Congressional District, gives Marston, (Rep) 4,981; Jones, (Dem) 4,495; scattering, 36. Twenty towns in the 2d Congressional District gives Briggs, (Rep) 5,041: Sulloway, (Dem) 4,487; scattering, 25. Thirty-five towns in the 3d Congressional District gives Blair, (Rep) 6,011; Kent, (Dem) 4,902, scattering, 45.

Don Cameron Nominated for the United States Senate.

HARRISBURG, PA., March 13—The Republican caucus nominated Don Cameron, and passed resolutions endorsing Hayes' policy.

Murdered by a Comrade—A Soldier Handed Over to the Nicholls Chief of Police for Safe Keeping.

NEW ORLEANS, March 13.—Henry A Voorhees, of Company B, Thirteenth Infantry, was found dead yesterday, in a stable near where a military guard is stationed. Voorhees was shot through the head. Wm Porter, Company K, Third Infantry, who is charged with the murder, was placed under guard, and by order of Gen De Trobe-rand turned over to Col Boylen, Supt of Police.

Large Building Destroyed by Fire.

BALTIMORE, March 13—The two story brick warehouse No. 11, Commerce st., occupied by W D Schurtz & Co., whole sale fish and cheese dealers, and Jesse Lazear & Co., wholesale grocers, was burned this morning.
