You will find a true friend in Hood's Pills. When you take them you will not be disagreeably reminded of the fact by griping and agonizing pains. They contain none of the drastic drugs formerly so extensively employed. Every ingredient used in Hood's Pills is selected with care. They will break up a cold, prevent the grip, and are especially valuable to regulate the liver. They cure sick headache and indigestion.

Is especially true of Hood's Pills for no medicine ever contained so great curative power in so small space. They are a whole medicine chest, always ready, always efficient, always satisfactory; prevent a cold or fever, cure all liver ills, sick headache, jaundice, constipation, etc. 25c. Dear Editor: Please find space in your columns for a few items from our little town this week.

The weather is extremely warm for past few days.

We are needing rain very bad, it would not only cool the atmosphere but would be a great help to the late corn and the garden vegetables as our gardens are burning up for want of rain.

We notice some of our farmers are savening fodder the earliest ever known here.

Corn crops seem to be very good, but we hardly think they are as good as last year.

We noticed W. H. Crisp of Homestead N. C. on our streets last Friday on his way to Franklin N. C. to visit friends and relatives.

Also Capt M. A. Gee was here on Saturday, only made a short stay. The Capt's head seems to be full of buisness now. I never saw him in better heart.

We have loaded two cars of lumber this week for the Eastern markets and there is six or eight wagons coming in every day with lumber, there is quite a lot of lumber to come to this place during the fall season

Joshua Franks brought some very fine watermelons to town last week, the finest we have seen this year. He said he had a very fine patch of melons this season.

We had brother John E. Shuler with us last week shaking hands and lectioneering for the office of Sheriff but it is nothing new to see a Candidate as we see them every day.

We havent seen brotner John Keener for some time, the last report we had of him he was lectioneering in Briartown. We thihk he will run a good race up there.

Respectfully,
A Good Democrat.

TURNING GRAY
AND THREATENED
WITH BALDNESS
The Danger is Averted by Using
AYER'S HAIR VIGOR

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this preparation, and was well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HAIGHT, Avoca, Neb.
