The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A Memorable Day

One of the days we remember with pleasure, as well as with profit to our health, is the one on which we became acquainted with Dr. King's New Life Pills, the painless purifiers that cure headache and biliousness, and keep the bowels right. 25c. at all druggists.

The Charming Woman

Is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires; neatness, clear eyes, clear smooth skin and that sprightliness of step and action that accompanies good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed by all druggists. 50c.
