WILMINGTON BOOK BINDERY. First door below the Cape Fear Bank, up Stairs. THIS establishment, which is complete in every department requisite to accommodate the business of this place, and will hereafter be under the sole control of Mr. PHILIP HEINSBERGER, who is in all respects a finished workman, and will take pleasure in executing work left with him in a manner calculated to give the fullest satisfaction to all who may be inclined to patronize him. The Materials and Stock for the bindery were purchased and brought out by us from the North without any expectation of profit, save in the accommodation to be afforded to ourselves and others who might have binding to be done, and with the view to obviate the necessity of sending abroad for it, with the trouble, expense, and delay unavoidably incurred in so doing. Mr. Heinsberger has now the use of the Materials, and we respectfully ask of the people of Wilmington and the surrounding Counties to give to him such a support as will enable him to continue Book binding as a permanent business in this place, as it cannot fail to be a very great accommodation and advantage to the community. FULTON & PRICE.

Having the use of the Book-Binding Materials of Messrs. Fulton & Price, I will give my entire attention to executing all orders for Book-Binding in its various branches, promptly and in the best manner. I feel confident of being able to do my work as well, and on as favourable terms as it can be done in the Northern Cities. The patronage of the public is respectfully solicited. A CURE WARRANTED OR NO PAY. The many thousands cured at this Institution, and the very extensive practice of Dr. Johnston, (exceeding all others) besides his standing as a gentleman of character and responsibility, is a sufficient guarantee that he is the only proper Physician to be consulted. DR. JOHNSTON. Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with fresh, scant blushing, attended, sometimes, with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE. Parents and Guardians are often misled with respect to the cause of source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also those serious mental effects, such as loss of Memory, Depression of Spirits or peculiar fits of melancholy, when the truth is they have been caused by indulging in Pernicious but alluring practices, destructive to both body and mind.—Thus are swept from existence thousands who might have been of use to their country, a pleasure to their friends and ornaments to society.

DR. JOHNSTON'S INVIGORATIVE REMEDY FOR ORGANIC WEAKNESS. This grand and important Remedy has restored strength and vigor to thousands of the most debilitated individuals, many who had lost all hopes, and been abandoned to die.—By its complete invigoration of the nervous system the whole faculties become restored to their proper power and functions, and the fallen fabric of life is raised up to beauty, consistency and duration, upon the ruins of an emaciated and premature decline, to sound and pristine health. Oh, how happy have hundreds of misguided youths been made, who have been suddenly restored to health from the devastations of those terrific maladies which result from indiscretion. Such persons, before contemplating MARRIAGE, should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospects hourly darkens to the view; the mind is shadowed with despair and filled with the melancholly reflections that the happiness of another becomes blighted with our own. Let no false delicacy prevent you, but apply immediately. He who places himself under the care of Dr. Johnston, may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

TO STRANGERS. The many thousands cured at this institution within the last ten years, and the numerous important Surgical operations performed by Dr. J., witnessed by the Reporters of the papers and many other persons, notices of which have appeared again and before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician. N. B.—There are so many ignorant and worthless Quacks advertising themselves as Physicians, ruining the health of the already afflicted, that Dr. Johnston deems it necessary to say, especially to those unacquainted with his reputation that his credentials or diplomas always hang in his office. Weakness of the Organs immediately cured, and full vigor restored. ☞ All letters post-paid—remedies sent by mail. ☞ No Letters received unless post-paid, and contain a Stamp for the reply. PREPARED CITRATE OF MAGNESIA, an agreeable Refrigerant and Laxative. This preparation is extensively used in the form of Saluatos or liquid Citrate, and has given very general satisfaction. Frequent applications for a preparation in the form of powder, of similar nature and properties, have suggested the advantages that might result from its introduction in that form, especially when the bulk and weight of the liquid Citrate, (an article so justly esteemed both by physicians and in private families wherever it has been used,) would interfere with its being sent to great distances; it is destitute of bitterness, and by its pleasant acidity of taste and its effervescing character, is rendered a very agreeable and refreshing drink, at the same time, that it is a good substitute for Epsom salts or other saline purgatives. Sold by Dr. A. O. BRADLEY, Druggist.
