MONTHLY SICKNESS.

Its proprietor claims for it no other medical property, and to doubt the fact that this medicine does positively possess such controlling and regulating powers is simply to discredit the voluntary testimony of thousands of living witnesses who are to-day exulting in their restoration to sound health and happiness.

Remember this stamina, vital energy, the life-principle or whatever you may choose to call the refreshing power which battles against the causes of disease and death, is the grand safeguard of health. It is the garrison of the human fortress, and when it wakes weak, the true policy is to throw in reinforcements. In other words, when such an emergency occurs, commence a course of Hostetter's Bitters. For sale by Druggists and Dealers, to whom apply for Hostetter's Almanac for 1883.

Disease is an enemy, and a cruel one at that, adding to misfortune and suffering without mitigation or palliative. Science, to cure the disease, the CAUSE must be removed, and in no other way can a cure ever be effected. WARNER'S SAFE KIDNEY and LIVER CURE is established on just this principle. It realizes that

95 PER CENT

of all diseases arise from deranged kidneys and liver, and it strikes at once at the root of the difficulty. The elements of which it is composed act directly on these organs, both as a food and a medicine, and by placing them in a healthy condition, disease and pain from the system.

For the numerous troubles caused by an unhealthy condition of the Urinary Organs, for Diabetes, Brights Disease, Retention of Water, Gravel, Stone in the Bladder, Kidney Complaints generally, this remedy is unrivaled. Beware of imposition. WARNER'S SAFE DIABETES CURE is said to be just as good. Ask for WARNER'S SAFE DIABETES CURE. H. H. WARNER & CO., Rochester, N. Y.
