

Blue Ridge Camp & Resort To Make Presentation at JCC

Blue Ridge Camp & Resort is a mountain of fun for boys and girls located in Mountain City, Ga. Children, ages 7-16, play and work in a spirit of American Jewish tradition at this summer camp set on 250 rustic, pine-clad acres in the foothills of the Blue Ridge mountains. There are two crystal spring-fed manmade lakes - one two acre lake for swimming and one 10 acre lake for boating.

Blue Ridge Camp & Resort provides comfortable living with all modern bungalows with carpeted floors and individual bathroom with hot shower facilities. This is a Kosher camp which observes Shabbat Friday night and Saturday morning. The children have a choice of a traditional or reform service but must go to one or the other. The theme throughout is Jewish living.

There will be a regular eight week session from June 23 - August 17 and two four week sessions - June 23 to July 20 and July 21 to August 17. Primarily a sports camp, Blue Ridge Camp & Resort offers an excellent water ski program (with a 100% success record), sailing, daily instructional and free swim (required), horseback riding, canoeing, motor biking, go-carting, fishing, riflery, rowing, golf, tennis, archery, softball, football, soccer, judo, wrestling, gym, ping pong, basketball and much more.

There are four activity periods each day. Two are required

(instruction and free swim) and two are chosen by the campers. The activity periods change every three days. In addition to all the activities listed above there are optional overnight hikes, an overnight fort, a wagon train village with three covered wagons, an observation lookout, an Indian village, a calico gold mining camp, two sleeping tree houses and a third with cooking facilities, trips to Six Flags, Maggie Valley, an Atlanta Braves game and other local sightseeing around the camp.

Blue Ridge Camp & Resort is staffed with qualified counselors, aids and instructors with a ratio of one counselor to every three children. The staff aides are 17 and 18 and the upper staff must have completed one year of college. The enrollment is limited to 200 and the camp draws children from all over the Southeast.

SHEILA WALDMAN, one of the partners of the camp, will be in Charlotte to give a slide presentation and to talk with those interested in the camp on Saturday, February 16th and Sunday, February 17th. Sheila will be at the JCC Saturday from 3-4:30 p.m. and on Sunday from 2-4 and 7-8:30 p.m.

You are all invited to learn more about this truly exciting camp and to talk with Sheila about camp registration and other details concerning Blue Ridge Camp & Resort.

Youth Summer Experience In Israel

JCC-JWB Summer Experience in Israel for youth is more than a tour of Israel. It is an involvement with the continuity of Jewish history and an opportunity to engage in a "people to people" experience between American youth and the young people of Israel. The program is a forty day excursion into the life of a nation. It is a stimulating adventure with "Am Israel" - the peoplehood of Israel.

The program is open to high school students, ages 15-18 and is conducted by JWB in cooperation with The American Zionist Youth Foundation. There are three programs; June 24-Aug. 3, July 1-Aug. 10 and July 8-Aug. 17. The price is \$1578 plus a \$25 non-refundable registration fee, and is subject to change. Medical certification of good health is required for acceptance.

The itinerary includes visiting all major cities and cultural sights; home hospitality with an Israeli family; visiting a kibbutz or a moshav; exploring Massada, the Golan and the Negev, and an extended stay in Jerusalem. The itinerary also includes several options so that the individual Centers can
