DAINTY SHOES FOR DAINTY FEET

It'll pay you handsomely to buy a pair of our fine new shoes. Just as sureas you wear them long enough to wear them out, and you'll have to wear them long to do it, you'll come back for another pair. If you want to know what comfort in footwear really means, these are the shoes for you. They'll fit as snugly as an easy fitting glove and there are plenty of gloves not half so becoming. As to the price, if they are not worth what we ask and a little more, no shoes have ever been worth what you paid for them. You certainly would not blame us if we asked a larger figure. A large stock of Hats and Umbrellas, Trunks, Valises and Handbags at lowest prices.
