ORGANIZATION EFFECTED.

Stockholders of the Neuse Milling Company Elect Officers—Hon. Edward W. Pou Off for Washington and Other Points—Municipal Election.

Special to The Observer.

Smithfield, May 6.—The subscribers to stock in the Neuse Milling Company met to-day and elected a board of directors, who elected E. J. Holt president and secretary and treasurer, and W. M. Sanders vice president. An advisory committee was appointed to secure a charter and collect subscriptions and build the mill. The authorized capital stock is $50,000 and that subscribed $10,000. The company will manufacture flour, meal, etc.

Hon. Edward Pou left yesterday for Washington and other points.

The Democratic primary held in four wards of the town last Friday night nominated the following: N. T. Holland in the first, J. K. Kirkman and N. M. Lawrence, Jr., in the second, N. B. Grantham and L. E. Watson in the third, and J. D. Underwood and T. C. Jordan in the fourth.

At a large mass meeting held to-night Col. E. J. Holt, the present efficient and popular mayor, was heartily and unanimously endorsed for a second term of two years. Mr. Holt has been mayor during a critical period, following the abolition of the dispensary and the reign of total prohibition. He has proven equal to the occasion and there has been absolutely no friction in the town government. The commissioners who will be elected next Tuesday will meet Thursday evening and re-elect Colonel Holt by acclamation and thus honor the town and its chief executive.

The Tuxedo is typically an evening garment—especially adapted to Stags, Dinners, Club Lounging, Bowling, Billiards and Informal Parties.

Made of same superb cloth as Full Dress—the vest of the same material or gray silk. The proper accessories that go with this dress are—Wing or Fold Collar, Tan or Gray Suede Gloves, Patent Leather Shoes, Gold Jewelry, Black or Gray Silk Bow Tie, Alpine or Derby Hat.

We thoroughly understand Tuxedo making. Fine workmanship and fine material, perfect style and perfect fit are the things that count. You get 'em all here.

WILL LOCK HORNS.

For the First Time in a Decade the Democracy of Asheville and the Republicans Will Have Opposing Tickets in the Field — Full Strength of Both Sides Will Be Polled—Campaign a Lively One.

Special to The Observer.

Asheville, May 6.—For the first time in probably ten years the Republican and Democrats of Asheville will oppose each other at the polls to-morrow for control of the city government in a straight party fight. The Republicans early during the municipal campaign determined to take theirs straight this year and a ticket containing only the names of loyal Republicans was nominated. For the past number of years the Republicans have allied themselves with independent movements, seeking to secure the triumph at the polls of "Citizens' tickets." These efforts have most generally proved disastrous and the Republicans had to bear the odium attached to defeat. In to-morrows' municipal election they will make a straight fight. The Republican ticket is headed by H. S. Harkins, former mayor of Asheville and for years collector of internal revenue. Opposing Mr. Harkins on the Democratic side for mayor is John A. Campbell, cashier of the Citizens' Trust and Savings Bank and for years city tax collector.

The Republicans are the aggressors in the fight that will end to-morrow at sundown. They have made the fight on a platform calling for a decrease in the mayor's salary from $1,500 to $600 a year; a reduction in the salary of aldermen from $300 to $150; a substantial reduction in the tax rate and a reduction of 50 per cent. in water rates. Probably the most interesting and lively feature of the campaign was the liberal mailing of a letter by Republican Chairman Harkins, dated May 1, in which the Republicans compare Asheville's indebtedness and tax rate with other cities in North Carolina and says to the voter, "You will be convinced that the city is being grossly mismanaged or else it is controlled and manipulated by reckless or incompetent officials."

To this letter Chairman Adams, of the Democratic committee, has made vigorous reply, charging that the comparative figures and statements are featured with inaccuracies and that Mr. Harkins and the Republicans have done Asheville an injustice. Both parties will probably poll their full strength to-morrow and a Democratic victory is a foregone conclusion.

Good Shot at 119.

London Evening Standard.

Francisco Jose, who was born at Paradella, Amares, in 1788, was recently presented to the medical congress on tuberculosis at Oporto as a fine specimen of a perfectly healthy old man of the Lusitanian race. Though 119 years old, he has no symptom of any disease. Jose served in the Portuguese army which in 1810 opposed the invasion of the French under Napoleon I. He was present at the siege of Oporto in 1832.

He is still a good shot and works as a tailor, carpenter, shoemaker, painter and gardener.
