NEIGHBORHOOD NEWS.

A Batch of Live Items Culled From the Papers of the Adjoining Counties.

Cleveland.

Shelby Star, March 26th.

Will Limerick was found guilty Wednesday of the charge of horse stealing and sentenced to seven years imprisonment in the State penitentiary.

Pastor E. N. Crowder has just closed a splendid ten days revival at Sharon church. He was ably assisted in these services by Rev W. M. Boring, of the Polkville circuit. Much interest was early manifested and the results were most satisfactory, there being quite a number of conversions and ten accessions to the church.

Judge W. B. Council, who is presiding over this term of court, has made a hit with the law-abiding citizens of this county, and inferentially speaking, he has likewise made somewhat of a "hit" with those appearing before him as defendants on the criminal docket He, somehow, has the old-fashioned idea that the penalties attached to the criminal statutes should be recognized in enforcing obedience to the law as well as invoked as a punishment for violation of same. His charge to the grand jury, which was one of the best ever delivered in the county, prepared in a measure lawyers, clients and citizens generally for a dispensation of even handed justice. While at all times he gives a patient and courteous hearing to counsel in their pleas for clients he never loses his grip upon himself in inflicting such punishment as will have a deterrent effect upon those who, with the expectation and hope of the too frequent, "judgement suspended," do not hesitate to violate the laws. We realize the hardships that these apparently harsh sentences inflict and we are sorry for the unfortunates, but there has long been a growing suspicion that our judges are too lenient—that too many go unwhipped of justice, and we believe in the end that the sterner measures of Judge Council will go a long way in decreasing crime and will arouse more respect for the majesty of the law.

Gaston.

Gastonia Gazette, March 26th.

Register of Deeds A. J. Smith has granted marriage licenses to the following couples: Charlie Clark and Minnie Cole, McAdenville; Jas. Lewis and Etta Jenkins, of Gastonia.

Deputy Sheriffs Wiles and Bumgardner, of Wilkes county, arrived Tuesday night on No. 35 from Wilkesboro, bringing with them four convicts, two white and two colored, to serve sentences on the Gaston county chain gang.

A very successful revival meeting is in progress in the Bradley hall at the Loray Mill. It has been in progress for the past two weeks and, we are informed, will continue at least two weeks longer. Good crowds are present at each service and there have been a number of conversions. The meeting is, we are told, non-denominational. Revs. A. G. Garr and G. H. King are doing the preaching.

A Yorkville dispatch of the 24th says: "As a result of the wreck of a special train of an engine and two cars on the Carolina & Northwestern Railroad three and a half miles below Yorkville this afternoon at 5 o'clock Frank Hardin, the white fireman, is dead and one passenger, Mr. Husbands, is painfully injured," Mr. Hardin was a resident of Gastonia and the news of his death was heard here Wednesday night with regret by numbers of friends. He leaves a wife and one child, residing in East Gastonia.

Catawba.

Newton Enterprise, March 25th.

While at work on a house near Maiden Monday, Mr. Alfred Huffman fell from the roof and suffered a number of bruises, but no serious injuries.

Water was turned into the pipes of the town water system for the first time Tuesday morning to make a test for leaks. Everything was found satisfactory. A test of the pressure will be made later on.

Mrs. Nancy Clapp, stepmother of Dr. J. C. Clapp, died at the latter's home in Newton last Saturday and was buried Sunday afternoon. She had been an invalid for a number of years, and death came as a relief from her sufferings. She was 89 years old and spent the greater part of her life in Guilford county.

Mrs. Ocie Jarrett, wife of Mr. Paul Jarrett, died from an operation in a hospital at Biltmore Tuesday afternoon. The exact nature of the operation has not been learned by relatives here. The body will arrive in Newton this afternoon on No. 12. Mrs. Jarrett left here last Saturday in good health, except that she was just recovering from an attack of the mumps. Mr. Jarrett has been in Biltmore about a month. His wife joined him Saturday, and was taken to the hospital Monday. She was a daughter of Rev. D. J. Settlemyre, of Liberty. Mr. Settlemyre was in this county when news came of his daghter's death and he and Mr. Will Jarrett went to Biltmore on 35 Tuesday night. The funeral will be held at Mr. C. F. Jarrett's Thursday morning.

Yancey.

Burnsville Eagle, March 27th.

Among the out of town attorneys attending court here this week are Messrs. S. J. Ervin and R. V. T. Riddle, of Morganton.

Solicitor Spainhour has been on hand at court this week, prosecuting with his usual earnestness and vigor.

The Captain Otway Burns monument will be unveiled in Burnsville on June 24th. The address will be delivered by Chief Justice Clark.

A large number of Mitchell county citizens have been in town this week, having been summoned here as witnesses in the Hoilman-Connelly murder case. This case has occupied the attention of the court since Thursday morning and it will probably be the first of the week before it is disposed of.

Rheumatic poisons are quickly and surely driven out of the blood with Dr. Shoop's Rheumatic Remedy—liquid or tablet form. Concert Tour Singing Class from Oxford Orphanage.

The management of the Oxford Orphan Asylum announces that, according to present plans, the Singing Class of 1909 will enter upon its eastern tour on Tuesday, April 6th. This first trip will close before the Saint John's Day celebration at Oxford in June. Near the last of July the second or western tour will begin.

Our people rightly esteem the important service rendered by our orphans' home and they are ever ready to lend a helping hand to this noble work.

About 325 of the orphan children of North Carolina are now receiving the benefits of this efficient institution at Oxford. Since it was established in 1872 about 2,500 boys and girls have been under its care The beneficent results of such work are great beyond measure.

The concerts of the children are of a high order. The entertainments delight our people, who have been, in the past, pleased to give them a patronage liberal indeed. The concert itself is worthy of hearty support and the great cause the Class represents make the appeal to us doubly strong.

We again commend this most worthy enterprise and bespeak for the concerts the largest patronage they have ever enjoyed.

BEST TREATMENT FOR COLDS.

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderative laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to procure from a reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by all druggists.

McDowell.

Marion Democrat, March 25th.

A freight train of fourteen cars was derailed near Old Fort this morning. No further particulars could be learned before going to press.

By voluntary subscriptions a sufficient amount has been raised to place a fountain and water trough on the public square at the court house.

John McBee a family, of Mitchell county, will remove to Marion and occupy the Episcopal rectory. Mr. McBee, we understand, will study law in the office of Pless & Winborne.

T. H. Gosorn and family, of Washington, D. C., passed through Marion on Monday enroute to Bakersville, Mitchell county, where Mr. Gosorn contemplates establishing a newspaper and job office in a very short time.

Work on the park, under the direction of a committee composed of E. H. Dysart, J. Yancey and J. W. Pless, is going forward rapidly. This spot, which has long been an eye-sore, is being converted into a most beautiful and attractive place.

A new rural free delivery route will be established April 1st, with T. L. Epley as carrier. The course of the route is via Stroudtown to the Rutherfordton road a short distance; thence the Dysartsville road to Will Gardin's; thence to Walter Stacey's and returning to Marion via Elhanan, covering a distance of 23 miles.

Detective Story From Watauga.

Boone Democrat.

There is quite an interesting little detective story going the rounds in Watauga just now In short it is this: Some time since a man by the name of Jones, in very poor attire, came into the western part of the county, and after a short courtship was married to a Trivett woman on Rich mountain. He sought work, and applying to the McCain lumber works in Johnson county, Tenn., he procured it. For days he labored, in the meantime keeping his eye on one of his co-workers in the camp. At last, being convinced that he had the right man spotted, he drew an ugly gun, threw it on his man and in a short while was traveling for parts unknown with one for whom, he said, there was $2,000 reward. He disrobed himself of his "work clothes" before leaving, and donned a handsome suit of black, bearing the insignia of a detective. And they say his bride of the mountain is bemoaning her lost love.

Veneer Plant Burned at Salisbury.

Salisbury Special, 27th, to Charlotte Observer.

The Kincaid Veneer and Lumber Company's plant, situated just outside the southern limits of this city, was totally destroyed by fire which broke out at 4 o'clock this morning, entailing a loss of $18,000, $2,000 of which was in stock on hand and the remainder was represented in the building and machinery. There was only $6,500 insurance carried on the plant and stock. It is said that the blaze originated from a spark from Southern railway train No. 30, which was running late, and that the spark fell among some veneering lying outside the building. The plant was in the hands of receivers and was advertised for sale April 12th.

A COMMON ERROR.

The Same Mistake is Made by Many Morganton People.

It's a common error
To plaster the aching back,
To rub with liniments rheumatic joints,
When the trouble comes from the kidneys.
Doan's Kidney Pills cure all kidney ills,
And are endorsed by Morganton citizens.

S. S. Lane, Green St., Morganton, N. C., says: "I suffered severely for several years from backache, caused by disordered kidneys. At times I was so lame upon first arising in the morning that I was scarcely able to get up and when the attacks were at their height, the kidney secretions were very unnatural and the passages attended with pain. I finally began using Doan's Kidney Pills and received relief in a short time. At present I am without a sign of kidney trouble and do not hesitate to recommend Doan's Kidney Pills as a reliable kidney remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Scott's Emulsion

of Cod Liver Oil is the means of life and enjoyment of life to thousands: men, women and children.

When appetite fails, it restores it. When food is a burden, it lifts the burden.

When you lose flesh, it brings the plumpness of health.

When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food when you hate it and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

MICROBES IN THE SCALP.

The Latest Explanation is That Microbes Cause Baldness.

Professor Unna of Hamburg, Germany, and Dr. Sabourand of Paris, France, share the honor of having discovered the hair microbe.

Baldness is not caused through a few weeks' work of these hair microbes, but is the result of conditions brought about by their presence. Baldness may not occur until years after the microbes began work, but it is certain to come sooner or later.

The microbes cut off the blood supply. They feed on the fatty matter about the root of the hair, through which the blood is absorbed. Finally the fatty matter is wholly consumed, the food supply of the hair is gone and it starves and finally dies.

Resorcin is one of the most effective germ destroyers; Beta Napthol is both germicidal and antiseptic; Pilocarpin, though not a dye, restores natural color to hair when loss of color was caused by disease. These curatives properly mixed with alcohol as a stimulant, perfect a remedy unequaled for curing scalp and hair troubles.

We want everyone who has any scalp or hair trouble to try Rexall "93" Hair Tonic, which contains all these ingredients. If it does not grow hair on your bald head, stop your hair from falling out; cure you of dandruff; make your hair thick, silky, luxuriant; if it does not give you complete satisfaction in every particular, return the empty bottle to us, and we shall return every penny you paid us for it, without question or formality.

Of course, you understand that when we say that Rexall "93" Hair Tonic will grow hair on bald heads, we do not refer to cases where the roots are entirely dead, the pores of the scalp closed, and the head has the shiny appearance of a billiard ball. In cases like this there is no hope. In all other cases of baldness Rexall "93" Hair Tonic will positively grow hair, or cost the user nothing. Two sizes, 50c. and $1.00. W. A. Leslie, Morganton, N. C.

A COMMON MISTAKE.

Many women mistake kidney and bladder troubles for some irregularity peculiar to the sex. Foley's Kidney Remedy corrects irregularities and makes women well. Miss Carrie Harden, Bowling Green, Ky., writes: "I suffered much pain from kidney and bladder trouble until I started to use Foley's Kidney Remedy. The first bottle gave me great relief, and after taking the second bottle I was entirely well." W. A. Leslie.

State Troops March Against Lawless Indians, Half Breeds and Negroes.

Oklahoma City Dispatch, 28th.

Five companies of Oklahoma militia marched to-night against Crazy Snake's band of Creek Indians, half-breeds and negroes, entrenched in the Hickory Hills, 7 miles from Henryetta

A battle is regarded as inevitable, as the heavily-armed troops set out either to capture or exterminate the murderous band, which since Thursday has caused the death of six men, the wounding of many others, and brought about a condition of terror. Leaving Henryetta at 3 o'clock with seven miles to go, and encumbered with arms and equipment, it was expected the troops could not reach the Indians before 7 o'clock.

Crazy Snake's men number about 200, all armed with modern rifles and plentifully supplied with ammunition. They had prepared for two months for this final stand against lawful authority. They sent out word to-day that they would fight to the death.

"PE-RU-NA DID WONDERS FOR ME."

MRS. ROSA BOYER.

MRS. ROSA BOYER, 1421 Sherman Ave., Evanston, Ill., writes: "If any one has reason to praise Peruna it is surely myself.

"Last spring I became so run down from the serious effects of a lingering cold, that several complications united in pulling me down. I could neither eat nor sleep well, and lost flesh and spirit.

"I finally tried Peruna and it did wonders for me. In two weeks I was like another person, and in a month I felt better than I ever had before.

"I thank Peruna for new life and strength. I send you two pictures, so you can see what Peruna has done for me."

Better Than for Years.

Mrs. Mary F. Jones, Burning Springs, Ky., writes:

"I wish to speak a word in praise of your highly valued Peruna, as I have been blessed with the golden opportunity of giving it a fair and impartial test, and can say that I have had better health, far better, since I have been using it than for quite a number of years before.

"One of my neighbors had stomach trouble. I recommended Peruna to her, and now she is well and healthy, after having been pronounced hopeless by several physicians."

Wrote Obituary, Handed it to The Papers and Then Killed Himself.

New York Dispatch, 26th.

After carefully preparing a long obituary notice and handing it in at the office of The Herald for submission to the city editor, Aquilla Chase, a son of the late Gen. Daniel Chase and a cousin of Salmon P. Chase, Secretary of the Treasury under President Lincoln, stepped out into Broadway at Herald Square to-day and shot himself in the head. He died within a few minutes.

Chase was 60 years old. He had been ill and despondent for some time. In papers he left he spoke bitterly of the fact that he had been unable to obtain employment in the government service.

Foley's Orino Laxative is best for women and children. Its mild action action and pleasant taste makes it preferable to violent purgatives, such as pills, tablets, etc. Cures constipation.
