BAD BREATH

Is caused by indigestion, and that disorder brings on headaches, sallowness, languor, dizziness and a general discouraged feeling.

SIMMONS RED Z LIVER REGULATOR (THE POWDER FORM)

Corrects All Disorders in the Stomach and Bowels

Its powerful reviving and regulating influence in the liver and digestive organs brings an immediate improvement. You feel better. The bowels move freely so that the impurities that have clogged up the digestive track find an outlet. When the system has been thus purified the bilious half-sick feeling disappears; the complexion improves, the breath becomes sweet, the mind throws off gloomy forebodings, and there is a fine feeling of energy and exhilaration all through the body.

Sold by Dealers
Price, Large Package, $1.00

Ask for the genuine with the Red Z on the label. If you cannot get it, remit to us, we will send it to you prepaid. Simmons Liver Regulator is put up also in liquid form for those who prefer it. Price, $1.00 per bottle. Look for the Red Z label.

Judge Frank Carter.

Received the Appointment Saturday From Gov. Kitchin—Succeeds Judge Joseph S. Adams, Deceased, of the Fifteenth Judicial District.

Raleigh Times, 8th.

A commission was mailed today to Judge Frank Carter, of Asheville.

After one of the most spirited contests between Frank Carter, John S. Adams, and Thomas A. Jones, Governor Kitchin this morning placed the mantel upon the shoulders of Frank Carter to be judge of the fifteenth judicial district, succeeding Judge Joseph S. Adams, who died suddenly last Sunday in Warrenton.

While the fight has been a lively and spirited contest, there has been no bitterness attached to it. Friends have thronged the executive chamber all the week and every day scores of letters, recommendations and telegrams have been poured upon the governor's desk.

Yesterday Messrs. J. Ed. Swain and Hugh Chester, of Asheville, appeared before the governor in the interest of Carter, while the other candidates were also represented, Adams by Messrs. Gallatin Roberts and G. Ellis Gardner, and Jones by Mr. R. R. Williams, of Asheville. Mr. Adams is the son of the late Judge Joseph S. Adams.

JUDGE FRANK CARTER.

Those who know Judge Carter say the governor has made no mistake in giving him the oppointment. He is one of the most brilliant lawyers in Western North Carolina, a man of about 45 or 50 years of age, and having one of the most thorough legal minds in the state. An ardent prohibitionist, Judge Carter has been in the thick of the fight to carry out the effects of the state prohibition law around Asheville. He is known to be a strong supporter of Governor Kitchin and a leader of the "outs" in Buncombe county politics. He came into public prominence as a great fighter when he made the fight against Congressman Grant in the Reed case, being Mrs. Reed's attorney. He made several trips to Washington to see the president in the interest of his client, who had been ousted of her job as postmistress by the congressman, and in the conduct of his case exposed to public view the rascality of the man who was at that time representing the tenth district at the national capitol.

Judge Carter was strongly endorsed and will doubtless wear the ermine with honor. He will be about the smallest judge on the bench, in statue, but, one of the largest when his legal mind is taken into consideration.

KICKED BY A MAD HORSE.

Samuel Birch, of Beetown, Wis., had a most narrow escape from losing his leg as no doctor could heal the frightful sore that developed, but at last Bucklen's Arnica Salve cured it completely. Claim There Was Fraudulent Voting in the Recent Asheville Election.

Asheville Dispatch, 9th.

The persistent rumors of fraudulent voting in the fifth precinct of this city, which have been heard since the recent commission government election here, took definite shape to-day when ten reputable citizens of that precinct affixed their signatures to a document in which charges of perjury and fraud are openly made.

The matter is not to rest here, however, but will be carried before the grand jury with evidence and affidavits which, these citizens claim, will convict nine men of perjury and will show that fourteen men voted fraudulently in the commission government election held March 21.

The alleged illegal votes were all cast against the commission form of government, which lost by only eleven votes.

MIDNIGHT IN THE OZARKS

and yet sleepless Hiram Scranton, of Clay City, Ill., coughed and coughed. He was in the mountains on the advice of five doctors, who said he had consumption, but found no help in the climate, and started home. Hearing of Dr. King's New Discovery, he began to use it "I believe it saved my life," he writes, "for it made a new man of me, so that I can now do good work again." For all lung diseases, coughs, colds, lagrippe, asthma croup, whooping cough, hay fever hemmorrhages, hoarseness or quinsy, its the best known remedy. Price 50c and $1.00. Trial bottle free. Guaranteed by W. A. Leslie.

Congressmen Draw Seats.

Washington Special, 4th, to Raleigh News and Observer.

The North Carolina delegation as a whole drew lucky numbers when the lottery for seats took place in the House to-day. Representative Kitchin was the most unfortunate, his number being one of the very last to be drawn from the box by the blindfolded page boy, and he was compelled to select one of the undesirable seats in the Cherokee strip, which is a row of seats on the minority side provided for the overflow of the majority. He will, therefore, be far away from his Democratic brethren unless he finds some generous friend who is willing to trade. It is quite probable that he will secure a more desirable seat, as his position on the ways and means committee will demand considerable work on the floor of the House and it is quite essential that he be well located.

With the exception of Representatives Webb and Gudger, whose seats are back, the remaining members of the delegation drew seats right in the middle of the majority side and are located in a bunch, so that they will be right in the thick of the fight for some time to come.

Speaker Clark Outlines Policies.

Washington Dispatch, 6th.

This day marked the opening of the trial of the Democratic party to demonstrate its worthiness to receive "the wider confidence" of the voters of the country. Asking his colleagues to keep that fact uppermost in their minds during the present session of Congress, Representative Champ Clark, of Missouri, in his speech accepting the Speakership of the House, to-day outlined the measures through which the Democratic party hopes to continue to enjoy the faith of the people.

Intelligent revision of the tariff election of United States Senators by popular vote, changes in the House rules to permit proper consideration of public measures, economy in handling the purse strings of the country, the publication of campaign contributions and the early admission of New Mexico and Arizona to Statehood were some of the things which Speaker Clark emphasized in the Democratic programme as measures which would be undertaken by the majority party in the House.

Oil Contained 15 Per Cent. Gasoline.

Marshville Home.

It has been discovered that the oil in the lamp which exploded on the night of March 23d at the home of Mr. A. C. Pritchard, near Olive Branch, contained 15 per cent. of gasoline. Readers of Our Home will remember that two young ladies, Miss Gracie Baucom and Miss Wilma Davis, were covered with the burning oil and so badly burned that they died next morning, and that another young lady, Miss Lou Baucom, was also very badly burned. Another lamp popped at Mr. Pritchard's home Saturday night following the explosion and this so aroused Mr. Pritchard that he had some of the oil sent to Raleigh to be analyzed. This analysis, which was completed a few days ago, disclosed the fact, as stated above, the oil was 15 per cent. gasoline, that to this adulterant the explosion was undoubtedly due.

DIRECTORS OF STATE HOSPITAL.

Board Reorganized at April Meeting—Work of the Institution—Suicide of Patient.

Mr. R. R. Clark, a member of the board of directors of the State Hospital here, gives the following account of last week's meeting of the directors, in his paper, the Statesville Landmark:

The board of directors of the State Hospital at Morganton were in session at the Hospital Wednesday, present. Mess I. I. Davis, of Morganton; A. A. Shuford, of Hickory; A. E. Tate, of High Point; J. W. Noell, of Roxboro, and R. R. Clark, of Statesville. Mr. F. P. Alspaugh, of Winston, arrived during the day and joined the board. Mr. J. P. Caldwell, who is at the Hospital, is unable to meet with the board on account of physical disability. The absentees were Messrs. McMinn, of Brevard, and J. G. Hall, of Lenoir.

Mr. Davis, who has been on the board about 29 years and who was recently appointed for another term; Mr. Clark, who was appointed to fill out the unexpired term of C. H. Armfield, deceased, and later appointed for a full term of six years, and Mr. Alspaugh, appointed to succeed Norfleet, of Winston, took the oath of office.

This being the first regular meeting of the year the board was reorganized. Mr. Davis, who had been acting president in place of Mr. Caldwell, was elected president, Mr. Caldwell not desiring a re-election. Messrs. Davis, Shuford and Clark were elected the executive of the board and Clark was elected secretary of the board.

Mr. F. M. Scroggs, steward, and Mrs. C. A. Marsh, matron, were re-elected to these positions, which they have held since the State Hospital was organized.

The business transacted was mainly routine and not of public interest. The report of Dr. John McCampbell, the superintendent, showed that for the quarter ending February 28 there were in the Hospital 1,290 patients—527 men and 763 women. From that date to April 1, 15 men and 16 women were admitted, two patients—one man and one woman—were discharged as cured and one man and four women died, leaving a population of 1,311. Not all of these, however, are actually in the Hospital, a number being away on probation.

The general health is good. One patient, Mrs. Julia A. Boone, of Madison county, committed suicide March 10th by hanging herself to a hinge on a window guard by means of shoe strings and torn bedding. She was known to have suicidal tendendencies and had been closely watched, but took advantage of a brief opportunity and no special blame could be attached to any one for the occurrence.

The general work of the institution is progressing satisfactorily.

Prompt relief in all cases of throat and lung trouble if you use Chamberlain's Cough Remedy. Pleasant to take, soothing and healing in effect. Sold by all druggists.

THE TEST OF MERIT.

Morganton People Are Given Convincing Proof.

No better test of any article can be made than the test of time and this is particularly true of a kidney medicine. Doan's Kidney Pills have stood this test and stood it well. What better proof of the merits of this remedy could you demand, than the statement of a Morganton resident who has been cured and has stayed cured?

Read the following:

G. H Lowdermilk, East Union St, Morganton, N C, says: "Since Doan's Kidney Pills cured me of kidney trouble three years ago, I have been as free from the complaint as if I had never had it For some time I was in poor health and I hardly knew what ailed me. I did not have much energy and there was a great deal of pain through my back and kidneys. Being advised to try Doan's Kidney Pills, I got a box from the Burke Drug Co. and it did not take them long to cure me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

FOR SIXTEEN YEARS

Dr Bell's Pine-Tar-Honey has been used by millions of people with perfect satisfaction. For Coughs, Colds, Asthma, in fact all throat and bronchial troubles.

School Closing at Gilboa.

Reported for The News-Herald.

The closing exercises of the school conducted by Miss Katie Tate were held in the schoolroom, near Gilboa church, on the night of the 7th. Though the weather was bad, the house was filled to its utmost with interested and highly pleased spectators. The behavior was excellent. At eight o'clock the curtains were thrown back and the scene was a thing of beauty. About forty children sang a medley remarkably well. Later there appeared on the stage the prophet, Samuel Byrd, who foretold the lives of each one of the scholars. His prophecy was enjoyed by all.

Following was the programme:

Song—"American Tunes," by school.

Doll Drill—by seven little girls.

Recitation—"College Oil Cans," by Rosebud Tate.

Dialogue—"Deestrict Skewl," by Minnie Hoke, Minerva Williams, Mike Keller, Jim Keller, Joe Queen, Jones Howard, Garland Hoke, Russell Garrison, Johnie Hoke and John Hipps.

Recitation—"I Wish," by George Hoke and Ernest Garrison.

Song—"Sing Me a Song of the South," by Minnie Hoke, Hattie Bowman and Rosebud Tate.

Pantomime—"Jesus Lover of My Soul," by Rosebud Tate.

Dialogue—"Judge Offerheimer's First Case," by Rosebud Tate, Hattie Bowman, Johnie Duckorth, Samuel Byrd, Harry Bowman, Jesse Duckworth, Walter Byrd, Clyde Bowman, Mike Keller, John Reid Brown, Dewey Duckworth and Spurgeon Mull.

Prophecy—by Samuel Byrd.

Dialogue—"Rehearsal," by Maud Dale, Vera Keller, Zula Queen, George Hoke, Carl Walker and Ben Mull.

Dialogue—"Trials of a School Mistress," by Hattie Bowman and Jane Keller.

Dialogue—"The Negro Sermon," by Minnie Hoke, Maud Dale, Rosebud Tate, Hattie Bowman, Walter Byrd, Clyde Bowman, Harry Bowman, Samuel Byrd and Jessee Duckworth.

Dialogue—"Farmers' Union Lodge," by Walter Byrd, Samuel Byrd, Harry Bowman and Jessee Duckworth.

The students of Miss Tate's school conducted themselves on the stage in a way that challenged the admiration of all present and reflected credit alike on teacher and pupils. In this humble scribe's way of seeing, Miss Tate is one among the best teachers in the county.

FOR CONSTIPATION.

A Medicine That Does Not Cost Anything Unless It Cures.

The active medicinal ingredients of Rexall Orderlies, which are odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience.

Unlike other preparations for a like purpose, they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will Two sizes, 15c. and 10c. Sold only at our store—The Rexall Store. W. A. Leslie.

Foley Kidney Pills contain in concentrated form ingredients of established therapeutic value for the relief and cure of all kidney and bladder ailments. Foley Kidney Pills are antiseptic, tonic and restorative. Refuse substitutes. W. A. Leslie.

Leave Off Politics This Year.

Chatham Record.

Already some persons and papers are agitating the chances of certain candidates for election next year. That which is most mentioned is the election of United States Senator to succeed Senator Simmons. There is quite a discussion started as to who it will be, and two names most frequently mentioned are Senator Simmons (as his own successor) and Gov. Kitchin, both of whom are said to be avowed candidates. Both of these gentlemen are worthy of the office, but it is too soon to begin now canvassing their claims and merits. Next year will be full time for it, and it is hoped that this year there will be no campaign among the aspirants for that or any other office.

The people of North Carolina are not worrying themselves now as to who will be our next Senator, Governor or any other officer. It will be bad enough to distract them next year with a discussion of the various aspirants for office without beginning now. Our people have or ought to have their time and attention directed to the best measures for their upbuilding and not distracted with discussions about candidates for office.

A Helpless Invalid

Restored to Health by Lydia E. Pinkham's Vegetable Compound

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is, it would almost seem, to blame for her own wretchedness. Read what this woman says:

Richmond, Mo.—"When my second daughter was eighteen months old I was pronounced a hopeless invalid by specialists. I had a consultation of doctors and they said I had a severe case of ulceration. I was in bed for ten weeks, had sinking spells, and was pronounced to be in a dangerous condition. My father insisted that we try Lydia E. Pinkham's Vegetable Compound, and brought me six bottles. I soon began to improve, and before it had all been taken I was as well and strong as ever,—my friends hardly recognized me so great was the change."—Mrs. Woodson Branstetter, Richmond, Mo.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what another woman says:—

Jonesboro, Texas.—"I have used Lydia E. Pinkham's Vegetable Compound for myself and daughter, and consider it unequalled for all female diseases. I would not be without it for anything. I wish every mother in America could be persuaded to use it as there would be less suffering among our sex then. I am always glad to speak a word of praise for Lydia E. Pinkham's Vegetable Compound, and you are at liberty to use this testimonial."—Mrs. James T. Lawrence, Jonesboro, Texas.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
