THOUSAND OF HUNGRY ORPHANS ARE WAITING

Raleigh, Dec. 8.—Thousands of hungry, homeless Armenian orphans sitting at a table 24 miles long represents the spectacle that would confront anyone during a visit to the land of needy; these are the tots who must be fed and they are waiting for us to set the table.

North Carolina must set the table for 3,334 of these tots for the coming winter and it is at the Trebizond Orphanage that these orphans are waiting for food. It is where North Carolina's 3,334 orphans are housed, clothed and were given a start in life.

Since Tar Heels adopted the little tots last year and are now caring for them, they are being called upon to provide food at a time when a discontinuance of aid would mean a setback for children who have been started on the road to life. The League of Nations is not ignorant of this fact and the pitiful plight of the Armenians has been an important topic in the daily discussions of the peace delegates.

Hon. George H. Bellamy is guiding the work of relief in North Carolina and he now is in the midst of a Christmas appeal for the 3,334 orphaned tots whom the Tar Heel state has been asked to feed. They are waiting for us to set the table; what are we going to do?

Hundreds of contributions are now being received by State Treasurer Robert A. Brown, 901 Citizens Bank Building, Raleigh, and the Near East Relief wants a bounteous Christmas present for the Trebizond orphans.

A BOX PARTY.

There will be a box party at Luart school Saturday night, December 18. Everybody cordially invited. Come out and help a good cause.

We Are Cutting Prices

We are marking reduced prices on all our goods where it is possible to do so. We are not cutting prices on some articles of merchandise in our line for the simple reason that our cost price will not allow it.

But–we are making

Honest Reductions

When we tell you we cut prices we mean to live up to what we say. We are striving to meet the nation-wide re-adjustment and are cutting off every cent of profit we can possibly stand—and continue in business. We will not sell you an article at a reduced price and then make up the difference on something else. We will sell everything reducible at an honest reduction. We invite your inspection of our price reductions, because

DON'T LET YOUR MONEY STAY IDLE

Did you ever stop to think that every dollar you keep out of the bank means exactly one dollar's worth of impediment to business? Well, that's the case. If everybody practiced the habit of carrying money around in their pockets, business would soon suffer to such an extent that we'd all feel panicky.
