Letter to J. M. Chrisco, Asheboro.

Dear Sir: Devoe is worth $4 or $5 a gallon, just so; how much is another ain't worth?

Depends on how many gallons you've got to paint, to be equal to one of Devoe.

Last summer bought 40 gallons Devoe for same house; had 10 gallons left.

Mr N Avery, Delhi, N. Y., owns two houses exactly alike; painted one with Devoe; took 6 gallons. The other with some other took 12 gallons.

What'd you give for those off paints? Bear in mind, you've got to pay for the painting.

Yours truly

It will make fourteen gallons of paint.
