BALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSON.

THE founder of this Celebrated Institution offers the most Certain Speedy, and only effectual remedy, to the world for Gleets, Strictures, Seminal weakness, Pains in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitations of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin; and all those serious and melancholy Disorders arising from all those Destructive habits of Youth which destroy both body and mind. THE SECRET and solitary practices more fatal to their victims than the song of the Syrens to the Mariners Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with all confidence.

Marriage.

Married Persons, or Young Men contemplating marriage, being aware of Physical Weakness, Organic Debility, Deformities, &c., should immediately consult Dr. J., and be restored to perfect health.

He who places himself under the care of Dr. Johnson may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness

immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue.—Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise.—The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, etc.

Nervous Debility.

Weakness of the system, Nervous Debility and premature decay generally arise from the Destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims, from an (ignorance of the dangers to which they subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also, those serious mental effects, such as loss of memory, depression of spirits, or peculiar fits of melancholy, when the the truth is, they have been caused by indulging in pernicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to their country, a pleasure to their friends and ornaments to society.

☞Take notice, observe the name on the door and windows. *A Cure warranted, or no Charge Made, in from One to Two Days.*

DR. JOHNSON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended with the blushing, attended with the blushing, attended with the
