IN presenting the above card we would be doing injustice to our feelings did we not to express our gratitude to our numerous friends in Georgia, Tennessee, North and South Carolina, for their past unwavering patronage, since our commencement of business in 1847.

We have nursed this business from its infancy, laboring year after year to develope the resources of the back country.

We have battled with the different lines of railroads, and have been instrumental in reducing the freight on produce to reasonable rates.

We have friends in Europe and the North, and are prepared to make advances on shipments to either markets.

We would say to our friends and the public, that it will be to their interest to consign to us, as we pay our whole attention to this business alone.

We will make liberal advances on consignments.

J. G. Rankin, Wm. M. Hurlick, George L. Sumney,

(SUCCESSORS TO A. ATKINSON & CO.)

THIS establishment has been in successful operation for a number of years. The Quarries are well opened, and the marble is superior to any in the United States.

We have so perfected our facilities for getting out and finishing work, that we can furnish MONUMENTS, TOMBS, TABLETS, HEADSTONES, and everything in our line of business in *better style* and at *cheaper rates* than any in the country.

When it is considered that we saw our own Marble, pay no jobber's profits, and no freight from the North, it will be seen that we do possess *material* advantage over all competitors.

We cordially solicit our friends and the public to examine our work and designs, and compare our prices with those of other yards, before ordering Northern Marble.

We have a good stock of marble in Marietta a large assortment of finished work—Monuments, Tablets, &c.—where our agent, Mr. G. W. Summers, will sell at our prices. Or orders may be sent to us, and all work done at the Mills.

The following unsolicited letter was recently received from Huntsville, N. C.:

HUNTSVILLE, Yadkin Co., N. C., Nov. 28th, 1853.

Dr. J. B. MARCHISI—Sir: I deem it my duty to express to you my sincere thanks, for your discovery of the celebrated Female Medicine, (Catholicon.) My wife has been afflicted with Female Complaint for eight or nine years, and found nothing to give her relief, until by chance I heard of and got a bottle of your medicine. We received benefit from it, and I have now procured another, which has given her entire relief of a permanent character.

With much respect your obedient servant,

(Signed.) WILLIAM J. DOLIN.

Letter addressed to Messrs. Beach & Brownson, Agents at Newberry C. H., S. C., by Rev. C. S. Beard of Glenn Springs.

GLENN SPRINGS, Jan. 10th, 1853.

Messrs BEACH & BROWNSON—SIRS: I send for another bottle of your "Marchisi's Uterine Catholicon." My wife has been afflicted for eleven years, and a variety of means has been resorted to for relief, but none was obtained until I received this medicine of you. Its influence seems almost magical: there was a manifest improvement from the day it was taken.

As there are a great many females in our country laboring under the affliction for which your medicine proposes a remedy, I desire that it may be sent and tried.

(Signed.) CLOUGH S. BEARD.

Scrofula, Syphilis, Mercurial Complaints, Cancer, Gangrene, Rheumatism, and a vast variety of other diseases are speedily and perfectly cured by the use of this medicine.

READ THE FOLLOWING CERTIFICATE.

TALLAPOOSA Co., Ala., Jan. 2, 1852.

DEAR SIR:—I send you this to certify, to you that your Extract of Yellow Dock and Sarsaparilla has performed one of the most wonderful cures on me that has ever been known.

I have been afflicted for forty years with eruptions on my legs and feet; in 1844 they got so bad that I had to go on crutches, and in 1849 I came near amputating my legs. The pain was so intense I was nearly deprived of sleep. I tried every remedy in my knowledge, but nothing did me any good, and discharged a great deal of offensive matter. My legs were so bad at times that I could not walk, and with a large running sores between my ankle and my knees.

I have been afflicted for the last two years that I cannot describe to you. I have suffered more than the tested day or night.

In October last my son brought me one of your bottles wrappers; I read it, and found record of some wonderful cures performed by your Extract of Yellow Dock and Sarsaparilla. I sent and got two bottles of it, and commenced taking it. In two weeks, to my great satisfaction, the sores began to heal. I then sent and got six more. I had not taken more than two bottles before my legs were healed. I had not been able to walk two years. When I had taken six bottles, my sores had entirely healed. I have now used in all eight bottles of your Yellow Dock and Sarsaparilla, and I now consider myself well.

I want all the afflicted to try this medicine; for I believe it will cure any known disease in the world.—Lay a decided prejudice and delay in trying it, and proclaim its great worth to suffering mankind and entreat them to take it, for it will cure them.

My case is well known in a large portion of South Carolina, Georgia and Alabama, and if any one should doubt the above cure, I invite them to call on me, and I will show them the scars. I can be found in Tallapoosa Co., Alabama, one mile from Stow's Ferry. BENJAMIN HUGHES.

The Yellow Dock and Sarsaparilla is peculiarly adapted to females of delicate health, resulting from irregularity of menstruation, or other diseases peculiar to their sex. The proprietor has in his possession a great many certificates of cures performed of the above description. We assure the afflicted, that a bottle or two of Dr. Guysott's Extract of Yellow Dock and Sarsaparilla will regulate the system and effect a permanent cure.—Price $1 per bottle.

ROGERS' LIVERWORT & TAR

For the Complete Cure of Coughs, Colds, Influenza, Asthma, Bronchitis, Spitting of Blood, and all other Lung Complaints tending to

CONSUMPTION.

This preparation is getting into use all over our Country—The numerous letters we receive from our various agents, informing us of cures in their immediate neighborhood, warrant us in saying it is one of the best, if not the very best Cough Medicine now before the public. It almost invariably relieves, and not unfrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in Medicines, and Physicians can testify. Ask the Agent in your town what has been the experience of the effects of this medicine in that vicinity.

IT IS THE BEST MEDICINE EXTANT.

Below we give a few extracts from letters we have received lately regarding the virtues of this medicine.

Dr. S. S. Oslin, of Knoxville, Ga., says:—"I have been using your Liverwort and Tar extensively in my practice for three years past, and, it is with great pleasure I state my belief of its superiority over all other articles with which I am acquainted, for which it is recommended."

Messrs. Fitzgerald & Banner, writing from Waynesville, N. C., say:—"The Liverwort and Tar is becoming very popular in this country, and we think justly so."

Our Agent in Pickens District, S. C. Mr. S. R. McFall, says it has been of great benefit in his own family, and recommends it to his neighbors."

Mr. N. W. Harris, of Lafayette, Ala., says:—"I have sold all the Liverwort and Tar I had, and have been told of several persons having been afflicted with Consumption by its use; one case, in particular, a young man, who was relieved by the Liverwort and Tar after physicians had given him up.

Be sure and try this medicine in the beginning of the disease, and the western and Southern States, to whom and which will induce the suffering patient to purchase it, which accompanies each bottle.

TRY THE MEDICINE!!

Be warned in season!—And neglect not that cough which is daily weakening your constitution, irritating your lungs and ending in the premature death of the Consumptive. Beware of Counterfeits and Base Imitations!—The Genuine article is signed Andrew Rogers, on the engraved wrapper around each bottle.

Price, $1 per bottle, or six bottles for $5.
