Mechanics, Inventors and Manufacturers.

$570 IN CASH PRIZES. $570

VOLUME TEN of the "SCIENTIFIC AMERICAN" commences on the 16th of September. It is chiefly devoted to the advancement of the interests of Mechanics, Inventors, Manufacturers and Farmers, and is edited by men practically skilled in the arts and sciences. Probably no other journal of the same character is so extensively circulated, or so generally esteemed for its practical ability. Nearly all the Valuable Patents which issue weekly from the Patent Office are illustrated with Engravings, and the claims of all the Patents are published regularly in its columns as they are issued, thus making it a perfect Scientific and Mechanical Encyclopedia of information upon the subjects of Mechanical Improvements, Chemistry, Engineering and the Sciences generally. It is published weekly in quarto form suitable for binding, and each volume contains Four Hundred and Sixteen Pages of Reading Matter, Several Hundred Engravings, with a full and complete Index. Its circulation on the last Volume exceeded 23,000 copies per week, and the practical receipts in one volume are worth to any family much more than the subscription price.

The following Cash Prizes are offered by the Publishers for the fourteen largest lists of subscribers sent in by the 1st of January, 1855:—$100 will be given for the largest list; $75 for the second; $65 for the third; $55 for the fourth; $50 for the fifth; $45 for the sixth; $40 for the seventh; $35 for the eighth; $30 for the ninth; $25 for the tenth; $20 for the eleventh; $15 for the twelfth; $10 for the thirteenth; and $5 for the fourteenth. The cash will be paid to the order of the successful competitor immediately after the 1st of January, 1855.

TERMS:—One copy, one year, $2; one copy, 6 months, $1; five copies, six months, $4; ten copies, six months, $8; ten copies, twelve months, $15; fifteen copies, twelve months, $22; twenty copies, twelve months, $28 in advance.

No number of subscriptions above twenty can be taken at less than $1,40 each. Names can be sent in at different times and from different Post Offices.

Southern and Western money taken for subscriptions.

Letters should be directed, post-paid, to MUNN & Co. 128 Fulton-Street, N Y.

Messrs. Munn & Co. are extensively engaged in procuring patents for new inventions, and will advise inventors, without charge, in regard to the novelty of their improvements.

IN presenting the above card we would be doing injustice to our feelings not to express our gratitude to our numerous friends in Georgia, Tennessee, North and South Carolina, for their past unwavering patronage, since our commencement in this business in 1847.

We have nursed this business from its infancy, labored year after year to dovelope the resources of the back country.

We have battled with the different lines of railroads, and have been instrumental in reducing the freight on produce to reasonable rates.

We have friends in Europe and the North, and are prepared to made advances on shipments to either markets.

We would say to our friends and the public, that it will be to their interest to consign to us, as we pay our whole attention to this business alone.

We will make liberal advances on consignments.

GEORGIA MARBLE WORKS.

J. G. Rankin, Wm. M. Hurlick, George L. Summey,

(SUCCESSORS TO A. ATKINSON & CO.)

THIS establishment has been in successful operation for a number of years. The Quarries are well opened, and the marble is superior to any in the United States.

We have so perfected our facilities for getting out and finishing work, that we can furnish MONUMENTS, TOMBS, TABLETS, HEADSTONES, and everything in our line of business in *better style* and at *cheaper rates* than any yard in the country.

When it is considered that we saw our own Marble, pay no jobber's profits, and no high freight from the North, it will be seen that we do possess *material* advantage over all competitors.

We cordially solicit our friends and the public to examine our work, and compare our prices with those of other yards, before ordering Northern Marble.

We have on hand at our yard in Marietta a large assortment of finished work—Monuments, Tablets, &c.—where our agent, Mr. G. W. Summers, will sell at our prices. Our principal work is done at the Mills. Address

DR. J. B. MARCHISI'S

CELEBRATED CATHOLICON,

For the Relief and Cure of Suffering Females.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called

FEMALE COMPLAINTS.

Of these are PROLAPSUS UTERI, or Falling of the Womb; FLUOR ALBUS, or Whites; CHRONIC INFLAMMATION AND ULCERATION OF THE WOMB; INCIDENTAL HEMORRHAGE, or Flooding; PAINFUL, SUPPRESSED, AND IRREGULAR MENSTRUATION, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested call and obtain a pamphlet (free) containing ample proof from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

The following unsolicited letter was recently received from Huntsville, N. C.

HUNTSVILLE, Yadkin Co., N. C., Nov. 28th, 1852.

DR. J. B. MARCHISI, New-York—SIR: I deem it my duty to express to you my sincere thanks, for your discovery of the celebrated Female Medicine, (Catholicon.) My wife has been more or less troubled with flooding for eight or nine years, and found nothing to give her relief, until by chance I heard of and got a bottle of your medicine. We found it just the thing wanted; it acted like a charm, and has given her entire relief of a permanent character.

With much respect your obedient servant,
(Signed,) WILLIAM J. BOLIN.

Letter addressed to Messrs. Beach & Brownson, Agents, Newberry C. H., S. C., by Rev. C. S. Beard of same State.

GLENN SPRINGS, Jan. 19th, 1853.

Messrs BEACH & BROWNSON—SIRS: I send for another bottle of your "Marchisi's Uterine Catholicon." My wife has been afflicted for eleven years, and a variety of means have been resorted to for relief, but none was obtained until I received this medicine from you. Its influence seems almost magical: there was a manifest improvement from the day it was taken.

As there are a great many females in our country labouring under the affliction for which your medicine proposes a remedy, I feel it a duty to recommend it to all such.

(Signed,) CLOUGH S. BEARD.

READ THE FOLLOWING CERTIFICATE:

TALL POSSA Co., Ala., Jan. 2, 1852.

DEAR SIR:—I send you this to certify to you that the Extract of Yellow Dock and Sarsaparilla has performed one of the most wonderful cures on me that has ever been effected on man.

I have been afflicted for forty years with eruptions on my legs and feet; in 1828 they got so bad that I had to get crutches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg broke out in large eating and running sores from my knee to my heel and discharged a great deal of offensive matter. My groin also broke out in large biles, which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I have suffered for the last two years cannot describe to you. I was in such agony that I could not rest day or night.

In October last my son brought me one of your bottles wappers; I read it, and found record of some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla." I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all healed, easy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had become all healed. I have now used in all eight bottles of your "Extract of Yellow Dock and Sarsaparilla," and I now consider myself well.

I entreat all the afflicted to try this medicine, for I believe it will cure any known disease in the world.—Lay aside prejudice and just try it, and proclaim its great worth to suffering mankind and entreat them to take it, for it will cure them.

My case is well known in a large portion of South Carolina, Georgia and Alabama, and if any should doubt the truth of this cure, I invite them to call on me, and I will show them my scars. I
