To Contractors.

THE undersigned, as Commissioners appointed by the County Court for Lincoln county, to prepare a place and contract for the building of a new Court House in the town of Lincolnton, hereby give notice to all persons interested in such matters that the plan and specifications for the work are now ready and may be found at the residence of Dr. D. W. Schenck in Lincolnton, at those desirous of contracting—Any information in relation thereto will be furnished by any one of the Commissioners, upon request.

To give some idea of the size and character of the Building it is sufficient to state that the Building will be of brick, two stories high; the lower story about 11 feet high 3 brick thick the upper about 17 feet high and 2 brick thick. Below will be 12 windows each 4 lights wide 6 high of 10 x 12 glass, the lower each furnished with weights pulleys. In the upper story will be 14 windows of the same width by 9 lights high—the top and bottom sashes furnished with weights pulleys.

In the lower story will be 6 offices and an open area for the County Court. The upper story will be finished with 2 Jury rooms, elevated seats for the future, and the Bench, Bar and Jury seats will also be elevated.

The building will present two fronts, with door to Court Room in the middle, to each of which two flights of circular rock steps will be raised to a rock platform under a portico. Each of the windows and doors to be furnished with a well hewn rock sill.

The exterior of the lower story to be finished so as to represent rock work, as also the pilasters, which project at intervals from the wall of the upper story. The whole building to be covered with a shingle hipped roof, surmounted in the centre with a two story Tower and a Dome—size of building 60 x 45 feet.

Sealed proposals are invited for the entire building, the contractors to furnish every thing.

Sealed proposals will also be received for the work alone—or for the materials alone and also for the masonry, and for the materials in such parcels as any one may desire to furnish. *All bids* must be in by the evening of the 23d of December next, as on the 24th the bids then received will be passed upon. Bond and security will be required in every case where a proposal shall be accepted.

The success with which this Institution has thus far met has induced the Trustees to enlarge its course of study, so as to include all that is embraced in the most thorough schemes of College instruction in this country, and to adopt a system of means to raise it to the highest grade among the Institutions of Learning in the Southern States.—They expect, in due time, to be able to fill the vacant Professorships, by men of known literary merit and qualifications.

☞The Winter Session of 1853 will commence on the first Monday in January.

By order of the Trustees:

J. H. CRAWFORD, President.

GEO. SETZER Secretary.
