MEDICAL.

BALTIMORE LOCK HOSPITAL.
DOCTOR JOHNSON.

THE founder of this Celebrated Institution offers the most Certain Speedy, and only effectual remedy, to the world for Gleets, Strictures, Seminal weakness, Pains in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitations of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin; and all those serious and melancholy Disorders arising from all those Destructive habits of Youth which destroy both body and mind. These secret and solitary practices more fatal to their victims than the song of the Syrens to the Mariners Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with all confidence.

Marriage.

Married Persons, or Young Men contemplating marriage, being aware of Physical Weakness, Organic Debility, Deformities, &c., should immediately consult Dr. J., and be restored to perfect health.

He who places himself under the care of Dr. Johnson may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness

immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue.—Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise.—The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, etc.

Nervous Debility.

Weakness of the system, Nervous Debility and premature decay generally arise from the Destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims, from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also, those serious mental effects, such as loss of memory, depression of spirits, or peculiar fits of melancholy, when the the truth is, they have been caused by indulging in pernicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to their country, a pleasure to their friends and ornaments to society.

OFFICE No. 7 SOUTH FREDRICK ST., left hand side going from Baltimore street, 7 doors from the corner.

☞ Be particular in observing the name and number, or you will mistake the place.

☞ Take notice, observe the name on the door and windows. *A Cure warranted, or no Charge Made, in from One to Two Days.*

NO MERCURY OR NAUSEOUS DRUGS USED.

DR. JOHNSON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A Certain Disease.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains, in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till as last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveler returns." To such, therefore, Dr. Johnson pledges himself to preserve the most inviolable secresy, and from his extensive practice in the first hospitals in Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact, that thousands fall victims to this dreadful disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that dreadful poison, mercury, ruin the constitution, and even send the unfortunate sufferer to an untimely grave, or else make the residue of his life miserable.

Take Particular Notice.

Dr. J. addresses all those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY—The fearful effects upon the mind are much to be dreaded: Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion of Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons, of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, have a singular appearance about the eyes, cough and symptoms of consumption.

Dr. Johnson's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Dr. Johnson.

Young Men,

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating

Marriage

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection, that the happiness of another, becomes blighted with our own.

SKIN DISEASE SPEEDILY CURED.

To Strangers.

The many thousands cured at this Institution within the last twelve years, and the numerous important surgical Operations performed by Dr. JOHNSON, witnessed by the reporters of our daily papers and many other persons—notices of which have again and again appeared before the public—is a sufficient guarantee, that the afflicted will find a skillful and honorable physician.

Take Notice.

N. B.—There are so many worthless Quacks advertising themselves as Physicians, ruining the health of the already afflicted, that Dr. Johnson deems it necessary to say, especially to those unacquainted with his reputation, that his credentials or diplomas always hang in his office.

TAKE NOTICE.—All letters must be post-paid, and contain a postage stamp for the reply, or no answer will be sent.

Situated on Ashley River, it is accessible at all times of the tide, there being depth of water sufficient to float vessels of the largest capacity.

The MILL is built of Brick, four stories high, with ample store room for 30,000 to 40,000 bushels of Rough Rice. Two high pressure Engines of 80 horse-power, capable, however, of being rushed up to 100, gives power more than sufficient to work, not only the 40 Pestles used in milling, which have been turning out during twenty-four hours, an average of 200 barrels of Rice, but also to drive the Screws used in discharging Rough Rice from Coasters at the rate of 16,000 bushels per day. The whole machinery of the Mill was thoroughly overhauled in the year 1858, and new boilers and cylinders made, which have been at work up to this period, and giving perfect satisfaction.

Adjoining the Mill is a large TWO STORY WOODEN BUILDING, of the capacity of 90,000 to 100,000 bushels, for storing and shipping Rough Rice; to which is attached an Engine of 15 horse-power, used in driving the fans for loading vessels with Paddy, and also for working the Screws whilst discharging Rough Rice into Store. A small RICE-FLOUR MILL has been in operation here for several years, affording fresh ground Rice for the city and country trade.

The COOPERAGE establishment is complete, with ample store room for barrels, heading, &c., with space sufficient for the working of 40 coopers, and with room for increase.

A CARPENTER'S SHOP of two stories, with Steam Engine of 10 horse-power attached, made by Morris of Philadelphia; all the machinery capable of making this department complete, is here found, with Lathes, Planeing Machines, Drill Presses, Circular Saw, &c., all in the best order. A BLACKSMITH SHOP with two Forges and Tools.

The accommodation for the operatives consists of 15 Houses, the majority of them having been lately put up.—These afford sufficient room for the hands working the establishment.

Contiguous to the Mills are the residences of the Superintendent and Millers.

Also a Counting House, to which large additions have been lately made, with every convenience sufficient to accommodate a family.

With the above property will be sold if desired a large number of NEGROES, consisting of Coopers, Carpenters, Engineers, &c., accustomed to working the Mill.
