PIANOS.

Keep your Pianos in Tune.

THE citizens of Charlotte and surrounding country are again reminded that the subscriber is prepared at all times to repair and tune Pianos in the best possible manner. He would say that an old instrument can be made to sound as well as a new one, with all the modern improvements attached; but he is prepared to say that an old instrument which will just do to pick out a tune on, can be made to emit as good, and as much like, an the same instrument ever did when new.

He also intends keeping constantly on hand,

☞ Pianos received in part pay for new ones, according to their value.

He also intends keeping constantly on hand, second hand instruments to sell or to rent.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
Compounded entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER REMEDIES now before the public, that acts as a Cathartic, purgative, or laxative, according to the dose taken; it is also a diuretic; it is not only a Cathartic and a Liver remedy, acting first on the Liver to expel the morbid matter, then on the stomach and bowels to carry it off, without weakening the system, thus combining two purposes effectually, without weakening or purging the system as other purgatives do, at most times. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, and persisted in, works up with uninterrupted regularity.

The Liver is one of the principal regulators of the human body, and when it fails to function well, the whole system becomes deranged. Dyspepsia, Costiveness, Piles, Headache, Jaundice, Fever and Ague, Bilious attacks, Sick Headache, Flatulency, Loss of Appetite, Nervous Irritability, Dysentery, Diarrhoea, Cholera and Cholera Morbus, and all diseases arising from a disordered state of the Liver, are speedily cured by the use of this invaluable medicine.

☞ Dr. Walker in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

IS A POWERFUL MEDICAL DISCOVERY, and is daily working wonderful cures. It takes at the root of the disease, and expels the cause from the system, and when the Liver is restored to healthy action, all the symptoms of Liver Complaint, such as Costiveness, Piles, Headache, Jaundice, Nausea, Loss of Appetite, Dyspepsia, Nervous Irritability, Diarrhoea, Dysentery, Cholera and Cholera Morbus, Chronic Diarrhoea, Summer and Autumn Bowel Complaints, Fever and Ague, Chill Fever, Intermittent Fever, Bilious Fever, Jaundice, Loss of Appetite, Nervous Irritability, Dropsy, Worms, Sick Headache, Costiveness, Piles, Flatulency, Loss of Appetite, Nervous Irritability, Dysentery, Diarrhoea
