INDIANA CONSTITUTIONAL UNION STATE CONVENTION.

BELL AND EVERETT ELECTORAL TICKET.

INDIANAPOLIS, Aug. 15th.—The Constitutional Union Convention met to day, and nominated Hon. J. E. Blythe, of New Albany, and Hon. W. K. Edwards, of Terre Haute, electors at large, and a full delegation in district electors. Ex Governor Head of Kentucky was introduced to the Convention and made an hour and a half speech, which was enthusiastically applauded. Resolutions, endorsing the Baltimore platform and nominations, and opposing fusion or alliance with any other political organization are unanimously adopted.

EVANSVILLE, Ia., Aug. 15th.—One hundred guns were fired here to day on the announcement of the formation of a Bell and Everett Electoral ticket by the Constitutional Union Convention at Indianapolis.—Enthusiasm is intense.

TO BELL AND EVERETT CONVENTION.

CINCINNATI, O., Aug 17.—The Bell and Everett Convention met yesterday, and nominated a full Electoral Ticket, and candidates for Attorney General and Member of the Board of Public Works. No nominations were made for Supreme Judge. Resolutions condemning the conduct of the Democratic party of Ohio, in their efforts to defeat the laws through the agency of the Supreme Court; that their repudiation of Judge Swan for sustaining the Fugitive Slave Law, and their re-nomination of Judge Scarborough merits the rebuke of law abiding people, and that every conservative Union man should vote so as to defeat Judge Brinkerhoff. Speeches were made by Col. Van Dyke, Hon. L. D. Campbell and Gen. Lew Wallace.

ILLINOIS BELL AND EVERETT STATE CONVENTION.

CHICAGO, August 17.—The Bell and Everett State Convention met at Decatur yesterday. Twenty-six counties were represented by 92 delegates, who nominated a State and Electoral ticket. No platform was adopted. They simply resolved to vote all in their power to elect Bell and Everett.

WHO IS RESPONSIBLE?—Old Joe Lane is pretty good authority with the Democracy. Says the Richmond *Whig*, and we therefore commend the attention of our *harmonious* friends to the following declaration of old Joe:

"It is the fault of the Democratic party that dodging truth, in dodging principle, in violating the Constitution itself, that has brought the trouble upon the country and upon the party that is experienced to day."

It is to be remembered, then, that *the trouble has been brought upon the country and upon itself by the Democratic party*, and Joe Lane, the Vice President candidate, says so.

A FORTY FOOT FALL AND SKULL UNHURT.—A negro, a native of Pittsburg, Pa., named Leroy Munday a waiter at the Clarendon Hotel, Buffalo, while asleep a few mornings ago in a room on the fourth story, rolled out of the window, and fell headforemost to the roof of a small outbuilding, a distance of upwards of forty feet. In his descent he struck with his head and shoulders the sill of one of the lower windows, shattering the sash by the concussion.—Strange to relate, he had no bones broken, not even the appearance of any external injury beyond a few bruises about the head and shoulders. There is comfort in the reflection that there is some compensation for the colored man, in the natural power of resistance to injury which he possesses over and above the white man, when there are any locomotives on the wing, or any falling out of windows, or down a hatchway to be done.

☞ The first bale of new Cotton was received here by the Wilmington and Manchester Rail Road, this morning, consigned to W. W. Peirce, and was sold through Geo. Van Amringe at 12¼ cents. This bale was sent by Genl. Wm. Evans, of Marion, S. C. who has sent the first bale, we believe, for several years past.—*Wil. Herald.*

Special Notices.

THE OXYGENATED BITTERS.

Dyspepsia, Indigestion, Heart Burn, Water Brash, Sour Stomach, Jaundice, Flatulency, General Debility, &c., find a ready relief and speedy cure in this great remedy.

THE OXYGENATED BITTERS,

Are believed by many who have been cured of the above complaints to be the only medicine which the *materia medica* affords for their infallible cure. It is not an alcoholic preparation, which, while giving a momentary stimulus, remains the system in the same relaxed condition, and differed from any nostrum or patent medicine ever compounded, and will, in most cases, extract the disease by the roots and restore the patient to pristine health. In proof of which, testimony of the very highest and unexceptionable character is presented.

From W. A. HARP, Esq., Editor of the "Covington (Ga.) Times."

COVINGTON April 7, 1860.

Messrs S. W. FOWLE & Co.—

Gentlemen:—Having derived benefit from the use of the *Oxygenated Bitters*, I am glad to do the public a favor by recommending them. For *Dyspepsia*, and its often accompanying evils, I consider it a remedy of inestimable value. W. A. HARP.

HON. WILLIAM W. LAMB,

Formerly Mayor of Norfolk, Va., has put rebuke on the following testimony of the results produced by the use of the *Oxygenated Bitters*:—

Messrs. SETH W. FOWLE & Co.—

Gentlemen:—One of my servants suffered for several years with *prolapsus ani*, and was so much prostrated by the disease as to be confined to her bed, expecting to die. She then took the *Oxygenated Bitters* and recovered her health.

ALMONDS GROWN IN WILMINGTON.—Mr. Wm. L. Pitts placed before us this morning two soft-shell almonds, which grew on a tree in Mrs. Pitts' garden, on Front street. This is the second year the tree has produced fruit, and, although the quantity is small, it goes to show that almonds can be grown in this section of country.—We have not tasted them, but learn that they are far preferable to the imported almond.—*Wilmington Jour.*

GNAWED HIS LEG OFF.—A four hundred pound bear, which has lately troubled the people of Readsboro', Vt., a few days since got his foot caught in a steel trap, set by Mr. Willard Sumner of Searsburg, but wishing to escape, he gnawed his leg off and left the foot in the trap.

SHAKESPEARE AND THE PRINCE.—The Boston *Courier* is responsible for the following not unapt application:

"The personage and years of the Prince of Wales are pretty well defined by Mr. William Shakespeare. The Prince is not yet old enough for a man, not young enough for a boy; as a squash is before it is a peascod, or a codling when it is almost an apple; it is with him even standing water, between boy and man. He is very well favored, and he speaks very sheepishly; one would think his mother's milk were scarce out of him."

THE NORTH CAROLINA

WHITE SULPHUR SPRINGS

WILL BE OPENED FOR VISITORS BY the 1st of JUNE next. They are situated in a most healthy mountainous country near the beautiful CATAWBA RIVER, within less than an hour's ride of the present terminus of the WESTERN N. C. RAIL ROAD, with which daily lines of Omnibuses and Stage Coaches connect for Springs.

Pleasure vehicles and superior saddle horses will be at the call of guests.

Bowling Alleys and Billiard Saloons

neatly fitted up.

A FINE BAND OF MUSICIANS

engaged for the season, and

QUADRILL AND COTILLION PARTIES

each evening FREE OF EXTRA CHARGE.

THE BUILDINGS

are new and spacious—

THE PLEASURE GROUNDS

extensive; and in fine, everything wished for at the best watering places, will be found here to refresh the inner man and to cheer the spirits.

The Extended Reputation

and the MEDICINAL properties of the waters (almost inaccessible before the completion of the Western N. C. Railroad) now hail the sick and afflicted with a cordial welcome. The experience of the Proprietor justifies the seeker of health or pleasure in anticipating a "good time coming."

The Proprietor has been at very great expense in fitting up a Watering Place commensurate with the wishes of the CAROLINAS and confidently relies on their generosity for encouragement.
