CHEROKEE REMEDY.

CURES FROM One to Three Days.

AN UNFAILING CURE FOR

Gonorrhœa & all Diseases of the Urinary Organs.

THIS REMEDY cures when all other preparations fail. It is entirely unlike every other compound; containing no MINERAL POISON or NARCOTIC DRUG; as it is prepared solely from ROOTS, BARKS and LEAVES, and has been handed down, from one generation to another, by the CHEROKEE INDIANS. It is offered to the public on its own intrinsic merits. It performs its duty quickly and thoroughly. The UNFORTUNATE, of either sex will be cured by using this REMEDY, instead of placing themselves at the mercy of some Quack or Professor. This REMEDY strikes at the very Root of the disease; its tendency is not simply to suspend the poison, but to REMOVE THE CAUSE on which it depends.—Full directions in pamphlet form, accompany each bottle.—The speedy and permanent relief afforded by this REMEDY, in all cases of GONORRHŒA, GLEET, GRAVEL, STRICTURE, FLOWS ALBUS, (WHITES IN FEMALES), and all Diseases of the Urinary Organs, has astonished the most scientific men of the age. This REMEDY not only eradicates all Poison from the SYSTEM and INVIGORATES the most delicate constitution.

It does NOT AFFECT THE BOWELS or INTERFERE with any Line of Business, or require any abstinence from the usual diet.

It requires no assistance from other medicine.

And what ENHANCES its VALUE, is the EXTREME ABSENCE of all NAUSEOUS TASTE, being a PLEASANT and DELICIOUS SYRUP.

YES YOU MAY

USE OR RECOMMEND

Heimstreet's Inimitable HAIR COLORING!

AND FIND IT TO BE

PERFECT HAIR BEAUTIFIER,

promoting the strength and growth of the Hair, and giving it all the beauty of youth. Do you doubt it?

Read! Read! Read!

SCHOOL LAKE, ESSEX CO., N. Y.,
February 6, 1858.

W. E. HAGAN, Troy, N. Y.—*Dear Sir:*

Having used your Hair Coloring or Restorative, and being much pleased with it, I take pleasure in making the following statement: From the effects of a very severe fit of sickness, when about 18 years of age, my hair commenced turning grey, and so continued to grow until it became *perfectly* white, being very harsh and coarse. Last Summer I had reached my fifty-third year, when I was induced by a friend to purchase two bottles of Heimstreet's Hair Restorative prepared by you. I commenced using it according to directions, and in a few days was surprised to find that my hair from the roots outward was turning back to its original color. It so continued to grow until it was as truly brown and glossy as it was in my youthful days, and is now *fully restored to its original color.*

MYLA SEAMAN.

Essex Co., ss.—Myla Seaman came before me and was duly sworn, and says that the above statement is true. This 6th day of February, 1858.

JOEL F. POTTER, *Justice of the Peace.*

PITTSFORD, VT., Aug. 1, 1857.

I hereby certify, that my hair having become quite grey, I used Heimstreet's Hair Restorative, prepared by W. E. Hagan, of Troy, N. Y., for four weeks, and my hair was in that time restored to its original color. I can fully recommend the article to be all it claims.

WM. KINGSLEY,
Pastor of the Baptist Church, Pittsford, Vt.

Mr. W. E. Hagan: I have used Heimstreet's Hair Restorative for three years, and have found it to be a most excellent article. It not only restored the color of my hair, giving it new life and strength, but it cured my scalp and well of a most obstinate eruption on the scalp, which nothing else seemed to benefit. I fully believe it to be the best article in use.

Yours Respectfully,
KNOWLTON ROWLAND.

The above are but a few of the many letters of recommendation which have been addressed to the proprietors of Heimstreet's Hair Coloring or Restorative. It has been used by thousands of people, and it never fails to restore the color and growth of the hair. This singular effect is not produced as other dyes are used, for it acts upon the natural secretions of coloring matter of the roots, and thus feeds the change. The color produced is not a *counterfeit*, but the natural shade of youth. It does not soil or rub.

Price 50 cts and $1 per bottle. Sold everywhere.

CHARLOTTE HOTEL,

BY

J. H. KERR,

CHARLOTTE, N. C.

THE Proprietor of this Hotel is still at his post ready to fulfil the duties of "mine host" to the travelling public and others who may call on him, and he flatters himself that as comfortable quarters can be found with him as any where in this vicinity. Being situated nearly in the centre of Charlotte, Business Men will find this Hotel a most convenient and desirable location. He has been engaged in the business at this stand nearly eighteen years, and in that time he has made several additions to his former house, and it has been greatly enlarged and improved, presenting in front a two story VERANDA 100 feet in length by 12 feet in width, handsomely shaded by trees on the side walk, affording a pleasant promenade at all hours of the day.

The House has been thoroughly furnished throughout, and in every part of it creature comforts are abundant and tangible, especially in the DINING ROOM, where the "inner man" is "renewed" day by day.

Connected with this Hotel are Stables affording room for 100 horses, abundantly furnished with grain and provender, attended by faithful and obliging hostlers.

The Proprietor feels confident that with his long experience and many new advantages added to his desire to please, he is prepared to offer his friends and the "rest of mankind," as many comforts and as much good cheer as will be found anywhere, perhaps a little more so.

At any rate try the Charlotte Hotel.

Scrofula, or King's Evil,

in its various forms and diseases, a consumption of the bones, is which the joints become stiffened, and very painful. Swelling in the joints, ulcers, pimples, white swellings, and any form of disease on any part of it. No cases is free from it, it contains not in there one which it may not develope. The scrofulous humor is universally treated by constitutional diseases, low living, the use of so indelicately food, impure air, filth and filthy habits, the dispensing views, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children unto the third and fourth generation," indeed, it appears to be the rot of Hell, who says, "I will visit the iniquities of the fathers upon their children."

The Blood consumes by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tuberculous, in the glands, swellings, and on the surface, eruptions or sores. The final corruption, which ensues in the blood, depresses the energies of life so that scrofulous consumptives not only suffer from scrofulous complaints, but are less able to withstand the attacks of other diseases; consequently, with comfort, perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which the system destroys, human family has its origin directly in this scrofulous contamination; and many of all other diseases of the liver, kidneys, bowels, and indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; of the persons are invaded by this lurking influence, and their health is undermined by it. To remove it from the system we must renovate the blood by an alterative medicine, and the agency of a healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can divine for this, and all other prevailing and fatal maladies. It is compounded from the most active remedials that have been discovered for the eradication of this foul disease from the blood, and the vestige of the evils from its destructive consequences. Hence it should be employed for the cure of not only Scrofula, but also those other affections which arise from it, such as Eruptions and Skin Diseases, St. Anthony's Fire, Itch, or Pustules, Pimples, Pustules, Blotches, Blains and Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcerations, Syphilitic and Mercurial Disorders, Dropsy, Dyspepsia, Debility, and, indeed, all Constitutional Complaints arising from Vitiated Blood. The popular belief in "impurity of the blood" is founded in truth, for scrofula is the generation of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

are so compounded that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search and cleanse, and purgation every portion of the human organism, restoring its diseased action, and restoring its healthy situation. As a consequence of these properties, the invalid who is bowed down with pain or pressed down by disease is astonished to find his health or energy restored by a remedy at once so simple and mighty.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is provided to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Heartburn
