MEDICAL.

BALTIMORE LOCK HOSPITAL.
ESTABLISHED AS A REFUGE FROM QUACKERY.
The Only Place where a Cure can be Obtained.
DR. JOHNSON has discovered the most Certain, Speedy and only Effectual Remedy in the World for Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN
Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.
Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.
He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS
Immediately Cured and Full Vigor Restored.
This Dreadful Disease—which renders Life miserable and Marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue.—Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Coughs, Consumption, &c.

OFFICE NO. 7, SOUTH FREDERICK ST.,
Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.
Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON,
Member of the Royal College of Surgeons, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with a derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE!
Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.
THESE are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.
MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.
THOUSANDS of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated; having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN
Who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effect of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.
What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,
reflect that a sound mind and body are the most necessary requisition to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.
When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, fleece his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment; or, by the use of that deadly poison, Mercury, hasten the constitutional system of this terrible disease, such as affection of the Head, Throat, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whose bourne no traveler returns.

ENDORSEMENT OF THE PRESS.
The many thousands cured at this institution within the last eighteen years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun" and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED.
Persons writing should be particular in directing their letters to his Institution in the following manner:

CHEROKEE REMEDY

CURES FROM 1 TO 3 DAYS.

CHEROKEE REMEDY,
AN UNFAILING CURE FOR
Gonorrhea and all Diseases of the Urinary Organs.
THIS REMEDY cures when all other preparations fail. It is entirely unlike every other compound; containing no *Mineral Poison* or *Nauseous Drug*; as it is prepared solely from *Roots, Barks* and *Leaves*, and has been handed down, from one generation to another, by the *Cherokee Indians*. It is offered to the public on its own intrinsic merits. It performs its duty quickly and thoroughly. The *Unfortunate*, of either sex will be repaid by using this *Remedy*, instead of placing themselves at the mercy of some Quack or *Professor*. This *Remedy* strikes at the very *Root* of the disease; its tendency is not simply to suspend the poison, but to *Remove the Cause* on which it depends.—Full directions in pamphlet form, accompany each bottle.—The speedy and permanent relief afforded by this Remedy, in all cases of *Gonorrhœa, Gleet, Gravel, Stricture, Fluor Albus*, (*Whites in Females*,) and all diseases of the Urinary Organs, has astonished the most scientific men of the age. This Remedy not only eradicates all *Poison* from the *System* but *Invigorates* the most delicate constitution.
It does *Not Affect* the *Breath* or *Interfere* with any Close *Business*, or require any deviation from the usual diet.
☞ It requires no assistance from other medicine.
☞ And what *Enhances its Value*, is the *Entire Absence of a Nauseous Taste*, being a *Pleasant* and *Delicious Syrup*.
PRICE $2 PER BOTTLE, OR THREE BOTTLES FOR $5.
