FOUND.—A ladies shawl, in our Hall on Tuesday. The owner can obtain it by calling and paying charges. Calishers Brick Store.

A terrible wind passed over this place on Saturday last, blowing down trees, fences &c., to a considerable extent. No lives lost.

Read the Constitution and By-Laws of the Franklin County Agricultural Society, which appears in our paper this week.

Dr. Wm. M. Crenshaw sustained a very serious loss on Saturday evening last by having his valuable riding horse so badly gored by a cow that he died the next day.

Henry Harris had to raise the sum of two dollars for disorderly conduct at the (col.) tableau the other night. Very repentant now.

An ounce of preventive is worth a pound of cure. To prevent Chill and Fever, take SIMMONS' LIVER REGULATOR.

Prof. P. Gerard, gave an entertainment, in this place on Wednesday night, which was interesting to all present. And we are glad to say that he deserves the patronage of the people.

Several of our merchants have gone North for their spring supply of goods and others will leave this week. Look out for pretty and cheap goods. Watch the columns of the COURIER for descriptions.

Reddick Alston and Louis Macon, behaved very badly at the (col.) Presbyterian Church a few nights since.—The fund in the Town Treasury was increased ten dollars the next day.

Mat Evans says that a few shuffles at "Shoo Fly" on main street, a few days ago, caused by the exillerating influence of two much of the "overjoyful," cost him four dollars. He wont do so any more.

We have just learned from Mr. J. B. Tucker, the Register of Deeds for this county, that he issued license for the marriage of Mr. Matthew Privitte aged 75 years, to Miss Susan Pucket aged 65 years. In union there is strength.

On Sunday night, the Rev. Mr. Strobel, the Agt., of the American Bible Society preached in the M. E. Church to a large congregation. He will visit us again soon.

We had the pleasure of a visit from Mr. E. H. Plummer, of the firm of E. H. Plummer & Co., of Petersburg, Va. Mr. P., is travelling in the interest of his house. Read their Advertisement.

AT HOME AGAIN.—Mr. Thos. May, who left this county in December last, for Indiana, returned again on Saturday, the 29th of March. He is much better pleased with old Franklin than when he left. He says he has come home to remain.

The Regulators committed various depridations in our Town on Sunday night last, taking off gates, tearing down signs, piling boxes at store doors &c. The guilty rascals have not been found out yet, but there is a trap set for them, We hope they will be caught.

The second quarterly conference for this Station was held on last Monday night at the parsonage, Rev. Mr. Bobbitt presiding, At the conference the neat little sum of $210, was reported, as having been raised by the ladies during Court week, by means of a dinner and concert, All honor to the ladies of Louisburg.

W. S. Mallory, Franklinton has just received
1,000 bu.. of white corn at 95 cents,
200 " Meal at $1,10
He is prepared to make liberal cash advances to those who wish to hold their cotton, charging only 6 per cent int., on money advanced. Write for particulars.

All praise to our town commissioners for the excellent and substantial conditions in which they are putting our streets. Go on with the good work, and soon our streets will present a handsome appearance. But do not give all your attention to the streets to the neglect of other very important work, that of draining the stagnant pools, near the bridge. See to this, though the streets suffer.

It is with pleasure that we call attention to the card of Dr. Wm. M. Crenshaw to be found in this issue of the "Courier," in its proper shape.—We exceedingly regret that it appeared so badly in our last. As will be seen by reference to the card, the Dr. has opened an office on main street and will give his entire attention to the practice of his profession. He has had many years experience as a Physician and we hope will receive a liberal share of patronage.

Our citizens were very much annoyed on Monday by not getting their mail. The mail was promptly brought, but the P. M. not having a key, refused to open the bag. Papers, and it may be, important letters were allowed to remain locked up in "Uncle Sam's" trunk all night. This, to say the least of it, was very annoying, and should not have been. We think the P. M. had the right and should have exercised it in cutting open the bag. We hope this thing will not occur again.

Having arranged with Dr. R. H. Dr. J. E. Bentley, the Surgeon in Charge, late Assistant Physician and Surgeon in the "Philadelphia Bellevue Institute," is a gentleman of high professional attainment, a physician of experience and well skilled in the treatment of Cancer by our methods.

Dr. Greene has for 3 years had charge of a Branch Office, to Dr. Kline's Institute, at Charlotte, N. C., and his success in the cure of Cancer and other Chronic Diseases has been unprecedented,

Cancers will as heretofore, be treated mainly with Dr. Kline's great Cancer Antidotes, wonderful in their effect and permanent in their results. The truth will warrant us in saying that more PERMANENT CURES have been made by them than by any and all other methods combined.

FRANKLINTON

Against

LOUISBURG!

Fair Play and Equal Rights to all!

We, as interested parties, propose to present a few facts to the good people of Franklin which we have no doubt, will be interesting.

To begin with, we would state that we have on hand a large stock of goods, which we are anxious to sell, preparatory to our getting new Spring goods. We are willing to sell at reduced prices but must positively vote the Northern system freight added, for the simple reason that it would not pay us to do so. If we could, we think it is common say the practice. The merchants to sell goods at a profit. (For as the so called Leading Houses do not) but our experience, is that the expenses of carrying on a business, (outside of the freights that are in themselves a respectable business) cannot be met with, unless we make a PROFIT on our goods; and to say that we work for the benefit of the public, would hardly be believed by the most credulous. Therefore we say that it is impossible for us to sell our goods at Northern prices, freight added. But we do say that we can and will sell at prices that will satisfy the close buyer. Call and see the Bargains we offer.

Calishers Brick Store.

Ignorance is Bliss,

We confess our ignorance in a good many thing; especially do we confess that we can not see how Leading houses can sell goods at NORTHERN PRICES, freight added; For with the advantages of CASH IN HAND, we buy a good many goods that enables us to offer BARGAINS to our CUSTOMERS; but, with all this, we still insist, that we cannot find it a paying business to sell at Northern prices.

We are always thankful for information, and would be under many obligations if the LEADING HOUSES would acquaint us with the MODUS OPERANDI, of selling goods at Northern prices.—We have no doubt the information would be highly appreciated by our BROTHER MERCHANTS, as well as OURSELVES. For the next 30 days we shall offer our stock at Reduced prices.

Calishers Brick Store.

Facts and Figures Speak

We do not claim to have the LARGEST STOCK in town. But from the TAXES PAID in the LAST twelve months, our receipts show that we have paid as MUCH AGAIN TAX on our PURCHASES as any house in Louisburg. (Leading Houses not excepted.) For the next 30 days buy your goods at

Calishers Brick Store.

Small Stocks Against LARGE SALES!

We have had a large experience in business, and have learned that the only way to have large sales, is to make large sales. So we would also ask for LARGE OR THE SMALLEST. Remember that for the next 30 days we are selling our stock at reduced prices

Calishers Brick Store.

A single house in Louisburg sold 50,000 lbs of meat in two weeks, and by the trade of our rapidly improving town, and would be no doubt DEVELOPED REPUTATION, the fact

Were not our exuberant feelings checked by that WOMAN REALLY, which according to our definition, is somewhat AMBIGUOUS, perhaps our friends have carefully calculated the amount they will sell during the season in the above 50,000 lbs. And again the WISE OBSERVER is somewhat ENIGMATICAL, forward with PERFECT CONFIDENCE in the, that to be that we will purchase in the next 12 months is to arrive, however, be that as it may, be assured we have selected our prices for a bargain for the next 30 days

CALISHERS' BRICK STORE.

Our Stock is still complete and prices defying competition in white goods are invited to give our stock a inspection.

Calishers Brick Store.

A Big Smoke and a Small Fire.

We don't advertise stock large enough for GROCERS & DEALERS, for we are no more than a retail house; but, we have always on hand, a stock amply large for the wants of our CUSTOMERS, which we are willing to sell at prices that will please the closest buyer. Come when you want Bargains called

Calishers' Brick Store.
