DAILY CAROLINA WATCHMAN.

VOL. 1 SALISBURY, N. C., JANUARY 28, 1865. NO. 215

TELEGRAPHIC.

REPORTS OF THE PRESS ASSOCIATION.

FROM RICHMOND.

RICHMOND, Jan. 26.—Northern papers 23rd received—Greater portion of the larger vessels of Porter's fleet, recently operating against Fort Fisher, returned, and now anchored at Hampton Roads. Gen. Abbott, with brigade of troops, was making forward movement in direction of Wilmington. On the 18th, five blockaders ran into New Inlet, not knowing Fort Fisher had been captured.

Telegram from Cairo, 21st, says, present indications are that Thomas' army will not move from its present position on Tennessee river, as winter quarters are being built. Toronto Leader says the British Government have ordered thirty gunboats, carrying thirty five hundred men, to be sent out from England to the lakes.

Wilson is re-elected Senator from Massachusetts.

Telegram from Toronto says, Burleigh has been committed, subject to extradition, under treaty with United States.

Gold 210.

RICHMOND, Jan. 26.—Nothing of importance in the Senate to-day. Message from the President vetoing act to send newspapers to soldiers free of postage, made the order of the day for Saturday.

In House bill to increase the number of mid-shipmen passed yesterday, Senate, notwithstanding President's veto, it was rejected for want of a two thirds vote—yeas 39—nays 36.—Then resolved into secret session.

HEADQUARTERS ARMY OF TENN., Tupelo, January 13d.

Soldiers:—At my request, I have this day been relieved from the Command of this Army. In taking leave of you, accept my thanks for the patience with which you have borne your hardships during the recent campaign. I am alone responsible for its conception, and have strived hard to do my duty in its execution. I urge upon you the importance of giving your entire support to the distinguished soldier who now assumes command, and I shall look with deep interest upon all your future operations and rejoice at your success.

(Signed) J. B. HOOD, Gen.

PETERSBURG, Jan. 26.—Nothing has occurred to break the quiet on our immediate lines, since last report. A large raiding party of the enemy, consisting of cavalry and infantry, is reported moving up Chowan river, N. C., in the direction of Weldon.

RICHMOND, Jan. 27.—The 53d Virginia Regiment, Pickets division, have unanimously adopted a series of resolutions declaring their purpose to fight for liberty, and self government as long as the Southern Confederacy can furnish cartridge; and to every dishonorable offer of peace made by the enemy they will reply with the crack of the rifle, and shouts of defiance. The last resolution reads—these are our sentiments, and we call upon the people at home, and the authorities to support and rally around us, and with God's blessing we will bear the Southern cross through fire and blood, until each star upon it shall shine forever in the firmament of narions.

RICHMOND, Jan. 27.—Most impartant business in the House to-day was in consideration of the Senate bill, providing for the employment of free negroes and slaves on the fortifications &c. Mr. Ramsey moved proviso that said slaves shall not be armed or used as soldiers. Mr. Miles supported the anmendment. He was litterly opposed to arming our slaves. In the midst of his remarks the House sustained the motion to transfer the bill to the secret calandar. Then resolved into secret session. The Senate concurred in the House Joint resolution of thanks to Gen. Williams and passed with amendments.

The House to increase the efficiency of the cavalry, also passed. Another bill to increase the number of acting Mid-Shipman, and navy provisions which intent is to obviate the objections of the President to the bill recently vetoed. Mr. Wigfall introduced a resolution directing all laws authorizing impressment of property for the use of the army except by military officers in cases where it is absolutely necessary. Which after a long debate the House adjourned.

RICHMOND, January 17th.—Twenty-five Surgeons and Assistant Surgeons were captured at Franklin and in the vicsnity.

Arrived last night from Varina. Mr. Seddon continues to act as Sect'y of War. The position was certainly tendered to Genl Breckenridge.

No reliable developements in relation to Mr. Blair's mission, though generally supposed to be proposed Union on such terms as the Confederate authorities might submit.

ADVANCE OF THE ENEMY BY THE ROANOKE.—We have reason to believe that the Yankees are advancing towards Weldon by the Roanoke river. We have no particulars, but we are assured that steps have been taken to check them and drive them back. Before we go to press we may hear from this movement.—*State Journal.*

FROM THE ROANOKE.—The only additional intelligence we have of the Yankee movement towards Weldon is that a force is pushing on from the direction of the Albemarle sound. They had crossed the Chowan river at last accounts—*State Journal.*

SCHEDULE OF PRICES IN NORTH CAROLINA.

The Commissioners of Appraisement for the State of North Carolina, again present their shedule of prices to govern the purchasing officers of the Government for the next sixty days, unless in the interval facts and circumstances should arise to induce an alteration. Every item has been carefully revised and with the valuable aid of Mr. George W. Mordecia, they trust the schedule now presented will prove satisfactory to both the Government and and the people. They would respectfully urge the people to hasten on with their supplies to maintain and feed our gallant army now assembled just on our borders, and in whose gallantry and fortitude, under God, we alone owe our exemption from the horrors of a revolution, of our homes and families by the barbarous, inhuman foe, who have constantly shown they only want the power, and not the will to destroy us and take *all* we have.
