NOON DISPATCHES.

ARKANSAS.

A Negro Mob Repulsed.

HELENA, Oct. 4.—Many white ladies including Senator Alcorn's daughter, are here from Friars Point for safety. The negroes, three hundred strong, came within a short distance of Friars Point, Gen. Chalmers, who commands the whites, moved out and gave them ten minutes to disperse in. The negroes reorganized three miles out, when they were again dispersed on the approach of the whites. The negroes are supposed to be waiting for reinforcements. Col. Burke and others have gone down from here to organize forces to go down to-night.

HELENA, Oct. 6.—The Sheriff of Cohoma County caused our town to be invaded this morning by an armed mob of negroes. We drove them back. We are fully organized for a defense, with Senator Alcorn and Gen. Chalmers in command. The sheriff has fled the county. Send us aid immediately. Send H. P. Reid.

GEO. R. ALCORN.

WASHINGTON.

The Confederate Colonists.

WASHINGTON, Oct. 6.—The Swatara will shortly leave for Paragua, Brazil, and will bring back and land at Port Royal, South Carolina, the remainder of the confederate colonists.

KENTUCKY.

National Grange—Destructive Fires.

LOUISVILLE, Oct. 6.—The executive committee of the national grange, is in session in this city. The directors of the Mississippi Valley Trading Company are in conference with the commissioners, concerning the direct trade in grange products, with England.

Five large barns in Robertson county, Tennessee, were burned during the past week, envolving a loss of forty thousand pounds of tobacco. The *Courier-Journal's* special says, the fires were occasioned by gases arising from the tobacco by a peculiar atmospheric phenomena.

NIGHT DISPATCHES.

GEORGIA.

The River Improvement Convention.

ATLANTA, Oct. 6.—The river improvement convention met in Rome. B. C. Young was elected permanent president.

CALIFORNIA.

The Bank of California.

SAN FRANCISCO, Oct. 6.—The board of trustees elected D. O. Nulls, President, Wm. Alward, vice-President and Thos. Brown, Cashier. The advisary committee is composed of Thos. Bell, Wm. Sharon and Jas. R. Keene.

TEXAS.

Aid for Texas.

GALVESTON, Oct. 6.—The bridge over the bay is repaired and trains are running regularly. Aid is coming from all directions and is forwarded where it is most needed. The storm washed out the channel so that European steamers can come to landing without lightening.

NEW YORK.

The Board of Trade.

NEW YORK, Oct. 6.—The board of trade has arranged for a number of public addresses on the currency question to be delivered at Cooper Union, by Hon. W. D. Kelly, Oct. 11th, Gen. Butler, Oct. 14th and Col. W. M. Grosvenor, of St. Louis, Oct. 25th.

RHODE ISLAND.

Letter Lost—Outrage.

PROVIDENCE, Oct. 6.—A most valuable bank letter in Sunday's mail for Boston is missing.

The house of a widow lady named Dora Wilkinson was entered last night and the widow and a young lady sleeping with her, were chloroformed and the widow dragged to an adjoining room and outraged. When the women recovered consciousness the men had escaped.

WASHINGTON.

A Review of Sherman's Memories.

WASHINGTON, Oct. 6.—The announcement of a lengthy review of Sherman's memoirs, made up chiefly from official records of the war department, reached here to day. It will make a volume as large as one of Sherman's. Free access to the official files for the purpose of making this compilation was given at the department, to the author. It is by Gen. Boyton, and will be published in a fortnight by Wilstach & Baldwin, of Cincinnati.

TENNESSEE.

The Negro War—A $20,000 Fraud.

MEMPHIS, Oct. 6.—The impression prevails here that no blood was shed at Friars Point, and that no steps had been taken to forward men and arms from here. A body of organized men, will go from Helena. Alcorn had 70 cavalry and 40 infantry with which he had driven off two hundred negroes under Brown. The steamer Maud from Helena reports no fighting. The situation is unchanged.

CHATTANOOGA, Oct. 6.—Henry C. Avery, formerly of this vicinity, but of Texas since the war, was arrested for pressing fraudulent government claims of over $20,000.

MASSACHUSETTS.

Convention—Failure—Nomination.

GOLDSBORO HIGH SCHOOL

GOLDSBORO, N. C.

M. FETTER, A. M., Prof. Ancient and Modern Languages.

E. W. ADAMS, A.M., Prof. Mathematics.

The Third Term of this Institution will begin on Monday, Aug. 2, and end on Monday, Dec. 20, 1875.

THIS School is situated in the town of Goldsboro (the centre of four Railroads), and from its accessibility offers superior advantages to parents and guardians living in the surrounding counties or in the Eastern portion of the State. The location is healthy, and no fears of sickness need be entertained by parents sending their sons to this place, as not a single case of serious illness occurred in the School during the past scholastic year. No parent, therefore, can reasonably be deterred from patronizing this School on the score of the unhealthiness of the location.

Professor E. W. Adams, who has charge of the Mathematical Department, is an alumnus of Randolph Macon College, and has been a successful teacher of youth for many years.

The course of instruction is sound, thorough and extensive and seeks to develop and improve the mental powers of the pupils by training them to THINK, and by teaching them the right use of the faculties with which God has endowed them.

The discipline of the School, while it is mild and parental, enforces the duty of obedience to every rule and regulation. As insubordination and disorderly conduct are wholly incompatible with scholastic training and mental progress, no boy who is indisposed to improve his time or is an injury to his fellows, will be retained in the School.

Moral and religious instruction receives a due share of attention and consideration; for unless the heart and conscience be instructed and enlightend, mere secular learning will avail but little in the formation of a correct and upright character.

The four religious bodies being well represented in this place, every boarder is allowed to attend that church on Sunday which his parent may designate. This wish and preference of the parent will be strictly observed, as nothing of a sectarian character is countenanced in the School.

Boys are prepared for advanced classes in College or for the active business of life.

The building, hitherto known as the "Female College" has been secured by the Principal, and will hereafter be used as a school for boys.

Deadly weapons, intoxicating drinks, profanity and every species of gambling are strictly prohibited.

Terms, per Session of 20 Weeks

Malaria-Breeding Floods.

The recent tremendous freshets which have flooded some of the most fertile low lands of the United states, have not only caused wide spread ruin and disaster, but have, as might have been expected, been followed by an unprecedented outcrop of fever and ague, billious remittents, and other diseases of a malarial type. The sun's rays, acting upon the saturated vegetation and isolated pools left by the retiring waters, have exhaled a far reaching miasma, which is pregnant with disease. The most reliable safeguard against it is found to be Hostetter's Stomach Bitters, the present demand for which, more particularly in the West and Northwest, where the floods have been most severe, exceeds any which has existed in the past, popular as the great national remedy and preventive of malaria has always been. Never has it been put to such a crucial test, or its claims more conspicuously vindicated.
