VALUABLE

MANUFACTURING PROPERTY

FOR SALE

AT AUCTION.

BY AUTHORITY VESTED IN THE UNDERsigned for the purpose of closing a partnership, he will offer at public sale on the premises, on TUESDAY the 22d day of August next, that valuable property known as the manufacturing village of "Patterson," with about 900 acres of land, mostly adjoining—situate on the North Carolina River, in the County of Caswell, North Carolina. The improvements consist in part, as follows: One large four-story brick Factory building, new, and very substantially built. A new and commodious brick store-house, with a large lumber house and office building attached. A large brick building, formerly used as a Hotel. A number of other brick and frame tenements, used as residences for operatives. Also a commodious frame building, beautifully situated, used as a residence for a general superintendent. Also a large frame tannery, with all necessary fixtures. The water power is a never failing stream of ample volume, with a substantial stone dam, having natural abutments of rock on both sides of the river. The locality of this property is twenty-six miles Northwest of Hickory Tavern Depot, on the Western N. C. Railroad, seven and a half miles north of Lenoir, the county seat, and in the upper valley of the Yadkin, extensively known for its fertile lands and beautiful scenery, and is also the proposed terminus of the North Western N. C. Railroad, now building from Greensboro' via Salem westward. It is directly on the turnpike leading from Lenoir to Jonesboro', Tenn., and has an extensive district of valuable country West to support it. The health and natural advantages of this place cannot be surpassed. Capitalists desiring to make profitable investments or Co-operative Associations or others wishing to carry on manufacturing of any kind, cannot, perhaps, find a more desirable location in the Southern States. One 40-inch wool carding machine, breaker and picker. One turning lathe, one "Daniels' planer," one "Woodward's Burr" mill, will probably be sold at the same time.

TERMS—One-third cash in hand—the remainder in two equal instalments, at one and two years, bearing 8 per cent interest per annum.

E. S. PATTERSON, President
Patterson M'g Co.

PATTERSON, N. C., July 4th, 1871.

P. S.—Proposals to purchase at private sale will be received until the day of sale. Title indisputable.

THE AUTHORIZED BIOGRAPHY OF GENERAL LEE.

CARD FROM GENERAL GORDON.

Editor Wilmington Journal:

DEAR SIR:—Permit me to reply to the inquiry of numerous correspondents in regard to an authentic biography of General Lee, by saying, through your columns, that at the request of General Lee's family, Colonel Charles Marshall, his former Aid-de-camp and Military Secretary, is now writing a sketch of his life from his official and personal papers, furnished by the family for his exclusive use, which will very soon be published by the University Publishing Co., 4 Bond Street, New York, in the "MEMORIAL VOLUME" now being prepared by the Faculty of Washington College.

It will be an additional inducement to the Southern people to subscribe for this Volume, to know that the entire profit from its sale will go to the "Lee Memorial Fund."

Respectfully yours,

J. B. GORDON.
