HEADQUARTERS.

THE 47,000 DOLLAR TREASURY THEFT.

THE INDIANS RETURN TO THE WEST.

WASHINGTON, June 5—Night—The detectives are still blind regarding the $47,000 theft from the Treasury. The gentlemen in the cash room express themselves as in a painful state of suspense. Spinner is worn out by anxiety.

John O. Skinner has been ordered to the Department of the South.

The Indians called at the Interior Department this morning to say good-bye to the Commissioners, when a short interview took place, after which they left, and they are expected to start for their homes to-night; the Cheyenne Indians going by way of New York, where they will stop for a few days. The agents return with them, though it is understood that the resignation of agent Saville is at the disposal of the Department. The visit has been without result.

BALTIMORE.

A NOVEL AND INTERESTING CASE.

A FATHER CHARGED WITH KIDNAPPING HIS OWN CHILDREN.

BALTIMORE, MD., June 5.—Night.—Jacob Schreiner, of Savannah, Ga., was arrested in this city yesterday, on a telegram received by the Marshal of Police of Baltimore from the Chief of Police of Savannah, charged with kidnapping his own children, aged respectively four and six years. After investigating the case, Marshal Gray, of this city, informed Mr. Schreiner that he was no longer detained and he was released with the children. This morning the children, on a writ of habeas corpus sued out in this city by a law firm of this city, acting as counsel for the gandfather of the children, who wished to detain them, were brought before Chief Judge Brown and, after a hearing, were remanded to the custody of the father, Mr. Schreiner. On leaving the court, the father was again arrested on a warrant issued by a Justice of the Peace, charged with kidnapping his children, and they were again released, after which, protected by the city officials, the father went to Locust Point and sailed for Europe with his children on the Braunchweig. From the evidence it seems the grand parents, who reside in Savannah, were opposed to the father taking his children with him to Europe, and through the telegraph and writ of habeas corpus and Baltimore lawyers, attempted their delay. The case is novel and important.

TEXAS.

THE TROUBLES ON THE MEXICAN FRONTIER.

GALVESTON, June 5—Night—A special dispatch to the News from Brownsville, says that General Fivero, who was recently at Monterey, is on his way to this frontier, of which he is to have command. His forces include two regiments of cavalry, with orders to check raiding upon Texas.

General Cortina positively refuses to obey the order directing him to report in person at the City of Mexico. He says he resigned and is now a citizen. His friends are circulating a petition to the government to let him (Cortina) remain in authority on the Rio Grande.

The appearance of Texas State troops on the Rio Grande produced great excitement among the people on the Mexican side.

Residents of ranches above Matantas have organized to resist invasion and have placed sentinels at the crossings of the river and roads. The cattle drivers are much alarmed. Some prominent citizens have gone to Matanzas for security and protection.

ELECTRICISMS.

At Dardanelle, Texas, D. P. Cloyd, one of the editors of the Independent, killed B. W. Wishart. The affray was caused by Cloyd's reflecting on Wishart, who was a prominent lawyer and member of the Legislature.

By the explosion of the boiler of an engine on the Cincinnati & Cleaveland Railroad Friday night, Thomas Larkins, engineer, was killed and Jos. Lee, a fireman, mortally and an engineer named Thomas Ranahan severely injured.

The Superior Court will hear the New Hampshire Senatorial question Monday, allowing two hours to each side. The Court will receive briefs at anytime before the decision is reached.

PENNSYLVANIA.

THE TROUBLES ON THE INCREASE.

SHENANDOAH, June 5—Noon—Persons in ambush attack women. Mobs are apprehended everywhere. At a mass meeting of the workingmen it was resolved to continue the strike, money and provisions being guaranteed. An attempt was made to burn Holt's Hotel, coal having been thrown around the premises.

POTTSVILLE, June 5.—Night—Three more raiders died from wounds in Saturday's skirmish. The situation is unchanged.

THE FIRE FIEND.

MACHIAS, MAINE, June 5.—Noon.—An incendiary fire here this A. M., destroyed the Catholic Church and parsonage, residences of Nathan Longfellow and Dr. Peabody, several small building and barns, and one hundred and fifty thousand feet of lumber. Loss $25,000.

EUROPE.

TWENTY THOUSAND PIOUS PILGRIMS.

SABALLS REPULSED AT BLANCO.

PARIS, June 5 — Noon — Twenty thousand pilgrims visited the Shrine at Paray Lemorial yesterday. The Archbishops of Paris and New Orleans and other distinguished prelates were present.

MADRID, June 5—Noon—The Carlist General Saballs, with two thousand men, attacked Blanco and was repulsed with a loss of sixty killed.
