### ELECTRICISMS.

In Kentucky, McCreery, Democrat, majority for Governor is 36,139. In the House the Democrats have 90, the Republicans 16.

The yellow fever is abating at Fort Barrancas near Pensacola Florida.

The sovereign council of the sons of Jonadab in North America commenced its annual session yesterday in Providence Rhode Island.

Hon John B. Weller Ex. Govenor of California died in New Orleans yesterday morning age seventy years.

### SOUTH CAROLINA.

THE DEFAULTER PARKER—HIS ARREST AND RELEASE.

CHARLESTON, August 17.—An exciting time last evening in Columbia, caused by the proceedings under a writ of habeas corpus for the release of ex-Treasurer Parker. The application was heard at 5 p. m. before Judge MacKee, Parker's counsel claiming his discharge under a provision of the Constitution prohibiting imprisonment for debt. The sheriff's return failed to allege that the case was one of fraud, a charge which is expressly expressed in the Constitutional prohibition of imprisonment for debt, and after argument the Judge released the prisoner. The court room was filled with an excited crowd. Parker was immediately rearrested on a criminal warrant for grand larceny, but his counsel waived an examination and urging that the amount involved in the alleged robbery had nothing to do with the amount of bail succeeded in getting him released on two thousand dollars bail. It is generally believed that Parker will escape and forfeit the bail. The *News and Courier* denounces the release of Parker as a gross judicial outrage, and a job put up by certain State officials who feared Parker would implicate them in his enormous robberies.

### DIED.

DARDEN.—In this city on the 16th inst., of diptheria, Livingston Murphy, infant son of John G. and Agnes A. Darden, aged one year, nine months and six days.

The funeral will take place at the residence of its parents, corner of 4th and Wooster streets at 4 o'clock P M, and from thence to Oakdale cemetery. Friends and acquaintances of the family are invited to attend.

With all our soul, O Lord, we give
The child thy love hath snatched away,
On earth we would not have him live,
With us we would not have him stay.

When Jesus in the clouds appears,
With him we shall in glory reign,
We and the children he has given,
Inseparably joined in heaven.

No, if a wish could call him back,
We would not have our darling son
Brought from his everlasting rest,
Snatched from his heavenly Father's breast.
