Delmonico Meal.

He had heard several old miners who had for many years been living a rough frontier life discussing what they would do when they had "made their place" and could return with riches "to the states."

"Well," said the grizzly old veteran, "I know what I'll do. I'll go as straight as the cars'll take me to New York, and when I get there I'll make a bee line for Delmonico's and I'll get the blankety-blankedest dinner that money can buy. I don't care if it costs me $5, I'll have it.

"Now, what do you think you would order," queried Fred, with some curiosity. "If you were to go into Delmonico's for a $5 dinner?"

"Well, I dunno; but I guess I'd have some ham and eggs—yes, I would. I'd have some ham and eggs!"

How Carlsbad Got Name.

An Athenian who says he has "nothing to do between drinks," has ferreted out that Carlsbad is now entering upon the five hundred and fifty-sixth season—at least, if there is any faith to be placed in the old chronicles. They ascribe the discovery of the medicinal properties of the "Sprudel" to Charles IV., in 1358—or, rather, to the pank of the famous huntsman who, while in hot pursuit of a stag, fell into the boiling cauldron and had to be carted out more dead than alive. Hence the "Carls" and hence the "Bad."

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die.

I tried different treatments, but they did not seem to do me any good.

I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Thedford's Black-Draught, and quit taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Thedford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest.

Paxtine

A soluble Antiseptic Powder to be dissolved in water as needed.

As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine ills it has no equal. For ten years the Lydia E. Whole Family Benefited By Wonderful Remedy

There are many little things to annoy us, under present conditions of life. The hurry, hard work, noise and strain all tell on us and tend to provoke nervousness and irritability. We are frequently so worn out we can neither eat, sleep nor work with any comfort. We are out of line with ourselves and others as well.

A good thing to do under such circumstances is to take something like

Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves. Mrs. J. B. Hartsfield, 82 Plum St., Atlanta Ga., writes:

"I have on several occasions been vastly relieved by the use of your medicines, especially the Anti-Pain Pills, which I keep constantly on hand for the use of myself, husband and two sons. Nothing in the world equals them as a headache remedy. Often I am enabled by the use of one or two of the Pills to continue my housework when otherwise I would be in bed. My husband joins me in my praise of the Anti-Pain Pills and Nervine."

Dr. Miles' Anti-Pain Pills

are relied upon to relieve pain, nervousness and irritability in thousands of households. Of proven merit after twenty years' use, you can have no reason for being longer without them.
