HEADQUARTERS.

WASHINGTON NEWS.

MARINE DISASTER.

WASHINGTON August 26.—Signal office reports that Charles W. Holt from Georgetown D. C. arrived at Norfolk last evening in distress. She encountered a heavy northest gale on the 23d and 24th. E. S. E. of Chincoteague lost head stay from rigging galey and everything moveable about the decks, also split foresails. Officers of old Dominion Steamship Co report a brig with foremast gone 14 miles N. E. of Cape Henry. Tug gave assistance.

WASHINGTON, August 26.—No information has yet been received here in regard to the action taken by the United States steamers, Congress and Hartford which recently arrived at Tripoli to demand reparation for the for the insult offered to the American Consul and his wife in that city, a short time ago. Though the officials here have no doubt but that the whole matter will soon be arranged to the satisfaction of our government.

The Congress and Hartford arrived at Tripoli last Saturday, and it is not probable that any intercourse was held with the Tripolitan authorities before Monday. The negotiations are being conducted by Capt. Earl English, of the Congress. Should the Tripolitan authorities refuse to make reparation upon his demands, Rear Admiral Worden, commanding the European station will be directed to proceed to Tripoli with all his force and there await instructions of the department.

WASHINGTON, Aug. 26th, 1875.—Orders will soon be issued changing stations of all vessels of Maine revenue service. The change is necessary for iron vessels from salt to fresh water.

A telegram was received at the Navy depot this morning from Capt. Edward Simpson, commanding the United States Steamer Omaho, dated August 26th, announcing that the State of Ganama has declared war against the Government of Columbia. The Department immediately issued orders to Rear Admiral Mullany commanding the North Atlantic station to hold all of his available force in readiness to proceed without delay to the Isthmus if necessary for protection of American interests there.

MISSOURI,

MEETING OF THE MISSISSIPPI VALLEY TRADING COMPANY.

ST. LOUIS, Mo.—The American Board of directors of the Miss. Valley Trading Co., held a meeting here last night that which Mr. Worrell the managing director was instructed to visit Louisville, Ky., with some men to establish a central office of the Co., at that point. He was further instructed to visit all the seaports from Norfork to Galverton to see and report on their adaptedness as ports of entry for ships of the Co. He was requested to visit all the railroads in the Miss. Valley and Gulf States, and report upon the facilities afforded by each for transmission for merchandise and products, and also upon the most durable centers of the Co., and report upon the agricultural materials and other resources of the country, through which several of the railroads could pass, so as to enable the Co. to decide which one is the most inviting field for examination. Last of the English deputations left last night for England. The directors on this side of the water are E. K. Sharkland of Dubuque, Ind.; Judge J. P. Jones, Barlor, Ark.; J. T. Bonyer, of N. Y.; Dudley W. Adams, of Iowa; Col. D. A. Aiken, of S. C.; and J. T. Smith of Ga.; the other ones are yet to be adppointed.

PENNSYLNANIA.

HEAVY SHIPMENTS OF PEACHES

PHILADELPHIA Aug 26.—The steamship Ohio which sailed to-day for Liverpool has included in her cargo 2400 crates of Delaware peaches. The steerage of the ship has been turned into a refrigerater lined with ice and provided with fans for keeping up a constant convent of cold air. This being the first inventure of the kind its success is looked to with much interest.

CALIFORNIA

SCURVY AMONG SEAMEN.

SAN FRANCISCO, Aug. 26th, 1875.—Ship of New York from Liverpool has arrived, twenty-four of forty crew down with scurvy malignant, type.—Disease not confined to black crew. Also attacked officers. Had plenty fresh provisions. Every precaution taken to disinfect the vessel. Court of enquiry to be held.

EUROPE.

THE EGYPTIAN TROUBLES.

LONDON, August 26.—The Times has the following announcement:

ALEXANDRIA, EGYPT, August 13.—Three men of war, with a force of troops and marines aboard, have been dispatched with hostility to that portion of the Egyptian coast bordering on Abyssinia, to punish a body of blacks invading the Egyptian territory. Four thousand infantry are held in readiness for emergency at Suez. The Khedive is determined to exact full satisfaction for infringement upon his soil.

ELECTRICISMS.

The popular feeling in Servia is so strong in favor of the Insurgents that it is feared the government will experience great difficulty in preventing a conflict with Turkey. A dispatch from Rome says Garabaldi is dead.

At Detroit yesterday, Wood of Kentucky, Meyers of Illinois, Daniels of Virginia, Mahoney of Iowa, Allis of Michigan and Buchannan of Indianna addressed the Convention, after the adoption of a series of resolutions the Convention adjourned.

The account published in the New Orleans papers of a riot at Brosheer City is altogether unfounded.

The Wheeling Window Glass Company have failed. They will pay fifty cents on the dollar to close business.

Senator Allison arrived at Comicll Bluff yesterday and will be joined to-day by the remaining members of the committee to treat with the Indians for the sale of the Black Hills. They will leave to-day for Cheynne.

At Bathurt, N. B., yesterday, three men fired into the tent of Gibbs' managerie, killing one man and dangerously wounding another. The cause of the disturbance was because some person had sought admission without pay.

The Jefferson Borden mutineers were examined to-day and fully committed for trial.

In the four-oared shell race at Saratogo to-day the Atterlas' were first, Buffalo's second, and Durguerne were third.

At Cincinnati, yesterday, Gustave Humber cut his infant's throat.

The Turners' Convention, in New York, before adjourning resolved to urge upon various societies throughout the Union to have representation at the Centennial.

DIED.

MISCELLANEOUS.

What I know About Vegetine.

SOUTH BOSTON, May 4, 1875.

H. R. STEVENS, Esq.

Dear Sir—I have had some favorable experience with the VEGETINE. For dyspepsia, general debility and impure blood, the VEGETINE is superior to anything which I have ever taken. I commenced taking VEGETINE about the middle of last winter, and, after using a few bottles, it entirely cured me of dyspepsia, and my food never sits heavy on my stomach as at the present time. It will afford me pleasure to give any further particulars relative to what I know about this good medicine to any one who will call or address me at my residence, 28 Athens street.

Very respectfully,

MONROE PARKER,

288 Athens street.

Dyspepsia.

SYMPTOMS—Want of appetite, rising of food and wind from the stomach, acidity of the stomach, heartburn, dryness and whiteness of the tongue in the morning, sense of oppression in the stomach and bowels, sometimes rumbling and pain; costiveness, which is occasionally interrupted by diarrhœa; paleness of the urine. The mouth is clammy, or has a sour or bitter taste. Other frequent symptoms are waterbrash, palpitation of the heart, headache, and dizziness of the senses, as seeing double, etc. There is general debility, languor and aversion to motion; dejection of the spirits, disturbed sleep, and frightful dreams.

Gained Fifteen Pounds of Flesh.

SOUTH BRUNSWICK, ME., Jan. 17, 1872.

H. R. STEVENS, Esq.:

Dear Sir—I have said dyspepsia in its worst form for the last ten years, and have taken hundreds of dollars worth of medicine without obtaining any relief. In September last I commenced taking the VEGETINE, since which time my health has steadily improved.

My food digests well, and I have gained fifteen pounds of flesh. There are several others in this place taking the VEGETINE, all have obtained relief.

Yours, truly,

THOMAS E. MOORE,

Overseer card room, Portsmouth Co.'s Mills.

All Diseases of the Blood.

If VEGETINE will relieve pain, cleanse, purify and cure such diseases, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer, you can be cured? Why is this medicine performing such great cures? It works in the blood, in the circulating fluid. It can truly be called the Great Blood Purifier. The great source of disease originates in the blood; and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention.

GOOD EVIDENCE.

CINCINNATI, Nov. 26, 1872.

MR. H. R. STEVENS:

Dear Sir—The two bottles of VEGETINE furnished me by your agent my wife has used with great benefit. For a long time she has been troubled with dizziness and costiveness, these troubles are now entirely removed by the use of VEGETINE.

She was also troubled with dyspepsia and general debility, and has been greatly benefitted.

THOMAS GILMORE,

293½ Walnut St.

RELIABLE EVIDENCE.

MR. H. R. STEVENS:

Dear Sir—I will most cheerfully add my testimony to the great number you have already received in favor of your great and good medicine, VEGETINE, for I do not think enough can be said in its praise, for I was troubled over thirty years with that dreadful disease, catarrh, and had such bad coughing spells that it would seem as though I could never breathe any more, and VEGETINE cured me, and I do feel to thank God all the time that there is so good a medicine as VEGETINE, and I do think it one of the best medicines for coughs and weak, sinking feelings at the stomach, and advise everybody to take the VEGETINE, for I can assure them it is one of the best medicines that ever was.

MRS. L. GORE,

Corner Magazine and Walnut streets, Cambridge, Mass.

APPRECIATION.

CHARLESTOWN, MASS., March 19, 1869.

H. R. STEVENS, Esq.:

This is to certify that I have used your "Blood Preparation" (VEGETINE), in my family for several years, and think that, for scrofula or Cankerous Humors or Rheumatic affections, it cannot be excelled; and as a blood purifier and spring medicine, it is the best thing I ever used, and I have used almost everything. I can cheerfully recommend it to any one in need of such a medicine.

Yours respectfully,

MRS. A. A. DINSMORE,

19 Russell street.

Quarantine Notice.

UNTIL FURTHER NOTICE ALL VESSELS from Ports South of Cape Fear will come to at the Visiting Station, near Deep Water Point, and await the inspection of the Quarantine Physician.

All vessels from Ports where Yellow Fever, or other infectious disease exists, will be required to undergo a rigid and prolonged Quarantine.

All vessels or boats of any character having sickness on board or arrivals, or having had sickness any time during the voyage, are required to come to the Station for inspection without regard to the Port from whence they come. Vessels not included as above will proceed without detention.

Pilots are especially enjoined to make careful enquiry relative to vessels, crew, &c., and if not satisfied with the statements of the Captain or commander, or if the vessel is in a filthy condition, they will bring the vessel to the Station for further examination.

Pilots wilfully violating the Quarantine Laws are subject to a forfeiture of their branch; Masters of vessels to a fine of two hundred dollars a day for every day they violate the Quarantine Laws; and all other persons are liable for each and every offence.

All vessels subject to visitation under above regulations, will set a flag in the main rigging, port-side.
