GOLD 16 1-2.

[BY TELEGRAPH TO THE JOURNAL.]

LOUISIANA.

Account of the Storm.

NEW ORLEANS, Sept. 22.—The surgeon of the steamship Australian, ashore at San Barnardino, reports every house in San Barnardino washed away. All the inhabitants, except five, took refuge on the steamer, and were saved. Not a house is standing on Buffalo Bayou. Two houses are left standing at Matagardo. The town of Cedar Lake is submerged and all lost.

WASHINGTON.

Resignations—Gov. Kellogg's Views.

WASHINGTON, Sept. 22.—The Sabine Pass mail will be carried by sailing vessels until the Pelican State, lost in a recent storm, can be replaced.

Assistant-Attorney-General Walter H Smith, heretofore at the Patent Office, and A. E. Buddington, chief clerk in the same office, have resigned.

The Navy Department have advices of the safety of the Rio Bravo in Galveston harbor. She will go to Houston for supplies.

Gov. Kellogg had a conference today regarding affairs in Louisiana and Mississippi. He approves the course of the Attorney-General, and thinks his letter must have exercised a good effect upon Gov. Ames. Kellogg stated that the political affairs in his State remarkably quiet and no new indications of a renewal of the disturbances which some day characterized that State.

The Attorney-General has telegrams from persons of both political parties in Mississippi commending his letter to Gov. Ames.

Dr. Linderman, Director of the Mint, has returned from his visit to the Pacific Coast. He expresses himself satisfied with the operations of the several mints, including that at San Francisco.

NEW YORK.

Liberal State Convention—Kidnapping—Government Suit.

ALBANY, Sept. 22.—The Liberal State Convention is in session with three hundred delegates present. Gen. John Cochran, permanent chairman.

Resolutions were offered and referred endorsing Tilden's reform measures, and recommending the party vote for persons who are personally and politically in sympathy with him and the reform measures which he has inaugurated, and we hereby recommend the Liberal Republicans to vote the Democratic ticket.

The following platform was unanimously adopted:

There can be no sound currency but coin or paper convertible into coin on demand, without a speedy resumption on a specie basis.

Depricates the forcible interference with States' rights.

Condemns the present Administration.

Endorses Tilden's action against the Canal Ring.

Recommends the Liberal and Independent voters to support those candidates already in nomination of whom they most approve, and who in their judgment will co-operate with Gov. Tilden in his work of administrative reform.

NEW YORK, Sept. 22.—Four negroes were arrested here yesterday, charged with murdering a peddlar at West Farms. A quantity of the murdered man's goods were found in their possession.

The inquest on the men killed by the aerial ladder accident, was held today.

The Chief Engineer attributes the break to an extended leverage and too many men ascending at once. He considers the ladder safe, but more than one man cannot ascend the top section with security.

Five hundred dollars reward has been offered for the child Joseph Sullivan, whose disappearance was reported a week ago.

Suit has been commenced against R. S. Allen, clothier, who is charged with receiving $12,000 for marine clothes which he never furnished.

CALIFORNIA.

Newspaper Accusations.

SAN FRANCISCO, Sept. 22.—The *Alta* publishes an editorial charging the proprietors of the *Bulletin* and *Call* with having pursued the course they did during and since the panic, with the object of affecting the stock market.

The *Chronicle* charges the same parties with conspiracy, &c.

Proceedings for libel have been commenced against both papers by the proprietors of the *Call* and *Bulletin*.

RHODE ISLAND.

Destructive Fire.

PROVIDENCE, Sept. 22.—Whitney's Silverware factory was burned last night. Most of the stock was in fire-proof vaults and it is hoped all can be saved. The loss will look up $400,000.

KENTUCKY.

Railroad War Ended.

LOUISVILLE, Sept. 22.—The fight between the Louisville & Great Southern, the Louisville & Southwestern and the St. Louis & Southeastern railroads, is ended.

The consultation between the superintendents resulted in an amicable adjustment of the difficulties. The rates between Louisville and Nashville will be raised to the old standard.

MARYLAND.

Republican State Convention.

BALTIMORE, Sept. 22.—The adjourned meeting of the Republican State Convention has assembled. The Committee of Conference, consisting of representatives of this convention and two reform wings, have agreed upon the following candidates:

Governor—J. Morrison Harris.
Attorney-General—S. T. Wallace.
Comptroller—Ed. Wilkins.

The Convention confirmed the nominations. Four counties were unrepresented. Resolutions were adopted declaring against expansion.

MASSACHUSETTS.

Henry Wilson Declines—Democratic State Convention.

BOSTON, Sept. 22.—Vice-President Wilson has refused the nomination for Governor.

WORCESTER, Sept. 22.—The Democratic State Convention has assembled with Edward Avery as permanent chairman.

In the course of his address, he said the various accounts of annual autumnal outrages at the South no longer direct the attention of the people from the incapacity, mismanagement and corruption of those in power. Men begin to discover that the blood is artificial, and the agony manufactured.

The following nominations were confirmed:

Governor—William Gaston.
Lieut-Governor—W. G. Boutell.

ELECTRICISMS.

Three hundred men were thrown out of employment by a large fire in Providence, R. I.

Wm. N. Senter has been elected President of the St. Louis (Mo.) Cotton Exchange.

Three men were killed in Atlanta, Ga., by the caving in of the walls of an old building.

FOREIGN.

GERMANY.

Insurgent Successes.

BERLIN, Sept. 22.—A Belgrade news special to the *National Zeitung* confirms the report of insurgent victories. Trebique has again surrendered.

BRAZIL.

A Visiting Emperor.

RIO JANEIRO, Sept. 22.—The Minister of Public Works has presented to the Chamber of Deputies a request of the Emperor, to sanction a visit of eighteen months duration to Europe and the United States.

SPAIN.

The Nuncio and the Government.

MADRID, Sept. 22.—Well informed circles say the Government is determined to pursue an energetic course in regard to the Nuncio circular, and will fully maintain the royal prerogative in the premises.

A ministerial circular issued to the Prefects urges a union of monarchists of all shades in the coming election.

The Papal Nuncio asks the institution of legal proceedings against the bishops in Madrid by virtue of the provisions of the Concordat.

DIED.

In this city on Wednesday, September 22d, Emma Augusta Trenken, daughter of Mrs. O. M. Trenken, in the ninth year of her age.

The funeral will take place from the residence of her mother, on Fourth street between Market and Dock, at half-past four o'clock this afternoon, from thence to St. Paul's Evangelical Lutheran Church, and thence to the Cemetery. The friends of the family are invited to attend.

THE LACY DIAMONDS,
The Great Novel of the Odd Trump Series.
"This volume," writes a very prominent author and critic, "will prove by far the most popular of the series. It is more carefully written than either 'The Odd Trump' or 'Harwood,' while retaining the peculiarities of the author's style. It abounds in dramatic incidents, and the principal actors, though drawn with great discrimination, and preserving all natural attributes throughout the story is, without exception the most extraordinary character drawn to fiction. If the author lived with the helping cheer, 'The Lacy Diamonds' would make for him a lasting reputation."

The Novel of the Season!
CHRISTIAN REIDS'
"A QUESTION OF HONOR."
"A Question of Honor, by Christian Reid, is praised by the press as a work highly creditable of American literature. The subjoined extracts are from very favorable criticisms:
From the Philadelphia Press.
"A new work of fiction by Christian Reid is always acceptable . . . 'A Question of Honor,' is a story of Southern society, with a well constructed and well-sustained plot, and with a finish which will be unanticipated by most readers."
From the New Haven Register.
"An admirably told story, full of incident and plot, that are in no respect overstrained, and carrying intense interest as the threads of the narrative are caught up and joined together."
From the Louisville Courier-Journal.
"With a story of a charming one, and is fully worthy of the author's reputation; indeed, it has evidently been her best and noblest of all that she has yet written."
From the Boston Globe.
"Exquisitely clear in style and elevated in tone, and is worth more than one careful reading."
From the Utica Herald.
"The author has wrought with care, and with a good ethical and artistic purpose, and these are the essential needs in the building up of an American literature."
From the Boston Gazette.
"As a contribution to American fiction, 'A Question of Honor,' will more than maintain the already enviable reputation of its author."
From the Buffalo Courier.
"The author of 'Valerie Aylmer' is one of the most successful of those who have tried to construct novels out of the crude material of American life."
