OHIO.

Election Returns.

CLEVELAND, Oct. 14.—Cayahoga county in full, gives Hayes a majority of 6,364, a gain of 3,763.

COLUMBUS, Oct. 13.—To Hon. Hendrick B. Wright, chairman of the state Democratic Committee, Philadelphia. The State has gone for Hayes by a small majority. The returns indicate that the Democrats polled a vote 30,000 larger than was ever cast for any man [illegible] Governor of Ohio. Our defeat was the result of the most lavish expenditure of money which was ever characterized in a political contest. The colonization of fraudulent votes and the introduction of the false issue on the public schools, which excited the prejudice, and bigoting religious hate. (Signed) John G. Thompson, for the Democratic Committee.

To the Chairman of the Republican Central State Committee, Philadelphia. The dispatch of John G. Thompson, Chairman of the Ohio Democratic Committee, of this date, to the Chairman of the Pennsylvania Democratic Committee [illegible] is related to frauds perpetrated and lavish expenditure of money by the Republicans of the State, is a falsehood, and he knew it when he signed it. (Signed) A. T. Wikoff, Chairman.

COLUMBUS, Oct. 14.—There is still intense excitement here over the election news, and much figuring is being done. The Democrats do not expect to dissipate the majority entirely, but claim that it will be very small. The Republicans figure very closely but still rely on several thousand majority.

After very careful figuring, A. T. Wickoff Chairman of the Republican State Committee, states that sixty-eight counties now reported give 10,607 majority for Hayes. Twenty counties not heard from gave a Democratic majority of 5,271 in 1873. The Democrats here claim a gain of 1,402 in sixteen of these counties and the Republicans gain one thousand in four of them, this would leave a net majority of 4,934 for Hayes. The Democrats concede the State to the Republicans.

CINCINNATI, Oct. 14.—The following is bulletin[illegible] at the *Gazette* office: The returns from 75 counties give the net Republican gains of 2,000. The thirteen counties yet to be heard from are such as to inspire more doubt than hope.

A special says, that all the returns are in except from two counties. If these two poll the same vote as in 1873 Hayes will have 2,300 majority. The Chairman of the Democratic Committee says, if Hayes is not elected by over 4,000 majority, and the Democrats get either branch of the General Assembly, he proposes to contest Hayes election on the ground of fraud in Cuyahoga county.

WASHINGTON.

A Compromise.

WASHINGTON, Oct. 14.—A telegram has been received here from an official source in Mississippi, giving promise of a compromise of the difficulties in that State between the Republicans and Democrats, having regard, it is supposed to impartiality, election, and to secure peace at the polls.

Private dispatches from Cincinnati, say that the returns from the river counties leave Hayes 2,000 behind.

NEW YORK.

Heavy Failures—T. P. Marsh.

New York, Oct. 14.—Straus, Lehman & Co., Dry Goods merchants, have failed. Liabilities half a million.

T. P. Marsh, so long known as ticket agent and telegraph manager at the New York Hotel, has been appointed general passenger agent of the New Orleans, St. Louis & Chicago Railway Company.

Asher & Redlich, lace goods merchants, have suspended. Liabilities $70,000.

INDIANA.

Newspaper Purchase.

INDIANAPOLIS, Oct. 14.—Martindale & Holloway have purchased the Indianapolis Journal. E. W. Halford, assumes the managing editorship.

ILLINOIS.

Railroad Managers Meeting.

CHICAGO, Oct. 14.—The annual convention of the railroad managers and superintendents met yesterday. Nearly all the roads were represented. The schedule committee recommended the schedule of last winter with the exception of a few alterations, which was adopted. The tables go into operation November 21st. No road will be allowed to run passenger trains faster than is laid down in the schedule. The special committee appointed at the late Saratoga convention, to arrange the passenger rates met, but failing to agree, adjourned to meet in Philadelphia on call of the chairman.

FOREIGN.

FRANCE.

Turkish International Affairs—Carlists

PARIS, Oct. 14.—The *Moniteur* says, that the government has decided that it is not entitled to directly intervene in the Turkish international affairs, but will raise the question of the grants of loans to the Turkish government, through its diplomatic agents.

400 Carlists belonging to Castilano's band have entered Tarbos.

ENGLAND.

Minister Wade—Death of Berger.

LONDON, Oct. 14.—The Winters Telegraph Company have received a dispatch from Shanghai stating that a newspaper of that city asserts that Minister Wade is expected there shortly. The intelligence is not authentic.

News has been received here announcing the death of Berger, the famous billiard player.

TENNESSEE.

A Circular—Negro Lynched.

MEMPHIS, Oct. 14.—The Committee is cooposed equally. The white and colored citizens of Coahuma county have issued a circular invoking the efforts of all good citizens in behalf of peace and protection to private property.

CHATTANOOGA, Oct. 14.—The negro who killed Sam. Garner, in Murray county, Georgia, a few days ago, was taken from the guard at Spring Place, by a party of disguised men last night, and hung.
