NOON REPORTS.

From Washington.

WASHINGTON, Sept. 7.

Fenian arms and ammunition are being used by Cubans.

On the occasion of Secretary Rawlins' funeral Thursday, the Departments, except for necessary business, will be closed. Governor Walker, with other prominent Virginians, will be present, and troops will be called from adjacent posts to participate in the pageant.

From Havana.

HAVANA, Sept. 7.

Foreign resident, principally Germans, are enlisting in the reserve battalions.

Eight hundred insurgents surprised and repulsed five hundred volunteers near Puerto Principe. Reinforcements were sent forward when the Cubans declined battle.

On 16th August the insurgents, several thousand strong, commanded by Quesada, President Cespedes being present, attacked Las Tunas, when 250 Cubans were killed. The garrison, consisting of 450 troops, lost 100 hundred in killed. The fight lasted nine hours.

From Pennsylvania.

SCRANTON, Sept. 7.

All work is suspended in this vicinity. Two men, who ventured down to rescue those in the mine, perished.

Trains are bringing miners from all quarters, free of charge, to aid in rescuing the bodies, dead or alive.

The widows and orphans will not number less than six hundred.

The prolonged strike, just closed, has increased the destitution throughout this mining district.

The men who descended the shaft found the doors at the bottom closed and lost their lives while waiting below for implements with which to force the doors. It is supposed they have been closed by the miners to exclude the flames.

DR. LAWRENCE'S MEDICINES.

KOSKOO!

THE GREAT REPUTATION

Which Koskoo has attained in all parts of the country as

A GREAT AND GOOD MEDICINE

Has induced Dr. Lawrence to enlarge his Laboratory and facilities for manufacturing, so as to be enabled to supply the extraordinary demand for it.

THE LARGE NUMBER OF TESTIMONIALS

Which are constantly being received from Physicians, and persons who have BEEN CURED by its use, is CONCLUSIVE PROOF of its REMARKABLE VALUE.

AS A BLOOD PURIFIER IT HAS NO EQUAL

BEING POSITIVELY THE

MOST POWERFUL VEGETABLE ALTERATIVE

YET DISCOVERED.

DISEASES OF THE BLOOD.

"The life of the flesh is in the Blood," is a Scriptural maxim that science proves to be true. The people talk of bad blood as the cause of many diseases, and like many popular opinions this of bad blood is founded in truth. To say nothing of those humors that are hereditary, we can easily see how the blood may become bad from imperfect Digestion or failure of excretion, and how this may influence the process of Nutrition, and thus influence all the functional activities of the body.

The symptoms of bad blood are usually quite plain—bad Digestion—causes imperfect nutrition, and consequently the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad, and frequently covered with a pasty, white coat. This condition soon shows itself in *roughness* of the skin; then in ERUPTIVE and ULCERATIVE diseases, and when long continued, result in serious lesions of the Brain, Liver, Lungs, or urinary apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with scrofula in some form.

Persons suffering from any bad humor are very liable to have it settle on the Lungs or some other vital organ. The only safe rule is to remove the Blood poison at once, before it settles itself upon some vital point.

When the blood is pure, you are not so liable to any disease. Many impurities of the Blood arise from impure diseases of large cities. Eradicate every impurity from the fountain of life and good spirits, fair skin and vital strength will return to you.

KOSKOO! KOSKOO!!

AS A

LIVER INVIGORATOR,

STANDS UNRIVALLED.

BEING THE ONLY KNOWN MEDICINE

That efficiently stimulates and corrects the hepatic secretions and functional derangements of the Liver, without debilitating the system. While it acts freely upon the Liver, instead of copious purging it gradually changes the discharges to a perfectly natural state.

SYMPTOMS OF LIVER COMPLAINT AND OF SOME OF THOSE DISEASES PRODUCED BY IT.

A sallow, yellow color of the skin or yellowish-brown spots on the face and other parts of the body; dullness and drowsiness, sometimes headache; bitter or bad taste in the mouth, internal heat; in many cases a dry, teasing cough; unsteady appetite; sometimes sour stomach, with a raising of the food; a bloated or full feeling about the stomach and sides, aggravating pains in the sides, back or breast, and about the shoulders; constipation of the bowels; piles, flatulences, coldness of the extremities, &c.

KOSKOO!

Is a remedy of wonderful efficacy in the cure of the diseases of the Kidneys and Bladder. In these affections it is as near a specific as any remedy can be. It does its work kindly, silently, and surely. The relief which it affords is both certain and perceptible.

DISEASES OF THE KIDNEYS AND BLADDER.

Persons unacquainted with the structure and functions of the Kidneys cannot estimate the importance of their healthy actions.

Regular and sufficient action of the Kidneys is as important, nay, even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters, which if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death in from thirty-six to forty-eight hours.

When the Urine is voided in small quantities, at the time, or when there is a disposition to urinate more frequently than natural, or when the Urine is high colored or scalding with weakness in the small of the back, it should not be trifled with or delayed, but Koskoo should be taken at once to remedy the difficulty, before a lesion of the organs takes place. Most of the diseases of the Bladder originate from those of the Kidneys, the Urine being imperfectly secreted in the Kidneys proves irritating to the Bladder and Urinary passages. When we recollect that medicine never reaches the Kidneys except through the general circulation of the Blood, we see how necessary it is to keep the Fountain of Life Pure.

KOSKOO! KOSKOO!!

Meets with GREAT SUCCESS (as numbers of certificates will show) in the

CURE OF

DISEASES OF THE NERVOUS SYSTEM.

Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to concomitant evils of mental depression, confused ideas, softening of the brain, insanity, and complete breaking down of the general health. Thousands are suffering to-day with broken-down nervous systems, and, unfortunately, tobacco, alcohol, late hours, over work, (mental and physical), are causing diseases of the nervous system to increase at a fearful ratio.

The symptoms to which diseases of the nervous system give rise, may be stated as follows: A dull, heavy feeling in the head, sometimes more or less severe pain or headache; Periodical Headache, Dizziness, Noises or ringing in the head; Confusion of Ideas; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in Answering Questions; Dullness of hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c., &c.

CONCLUSION.

Suffering reader, do not think that because you have tried other remedies, you cannot be cured—but recollect that God, in his Providence, has not afflicted His children with pain and disease without at the same time giving them something in the Great Garden of Nature that will cure them.

Have no hesitation in writing to me, and stating your case in full, and I will answer you promptly.

Insurance Company OF NEW ORLEANS.

THIS IS ONE OF THE VERY BEST COMpanies in the country. It has the endorsement of Bishop Wilmer, Gens. Beauregard, Hood, Harry Hays and the leading men of New Orleans.—Gen. Beauregard says:

"Its Officers and Directors have been selected from our most reliable and intelligent citizens."

Instead of sending $40,000,000 annually North our citizens can find better Companies at home.

Piedmont Life Insurance Company.

ATKINSON'S INSURANCE ROOMS, Princess street, between Front and Water streets.

LIFE INSURANCE IS NOT AN EXPENSE but an accommodation. It is lying aside a small sum annually for certain provision against future want. It combines the advantages of a Savings Bank and profitable investment, with this advantage over both ordinarily: that should you die the next hour after obtaing your Policy, upon which they have made only one payment, yet you will have secured to you estate a large fund and which will beyond all question, come to the relief of your family.

In the Piedmont Life Insurance Company insurers will find the most advantageous plan—derived from past experience—that can be offered.

The Directors are gentlemen of the highest character and business standing, whose names are a sufficient guarantee of judicious management of the Company's affairs, and of the prompt discharge of every obligation.

JOHN WILDER ATKINSON,
aug1-tf General Insurance Agent.
