[BY TELEGRAPH TO THE JOURNAL.]

WASHINGTON.

Appointment—Costa Rica—Report.

WASHINGTON, Oct. 20.—The man-of-war Canandaigua has been ordered out of commission.

Judge Alexander Johnson of the New York Court of Appeals, has been tendered the Circuit Judgship, made vacant by the death of Judge Woodruff.

A military telegraph has been completed to Fort Concho, Texas.

The Treasury Department has advices that the Congress of Costa Rica has declared Port Lemon on the Caribean Sea, a free port, and offers inducements to immigration to that section, by permitting the acquisition of public lands at nominal rates, and allowing manufacturies of tobacco and rum to be established at that part of the State for domestic use, or for foreign export without the payment of duties.

Secretary Robeson has returned.

Charges of malfeasance have been forwarded from New York against District Attorney Buss.

Mr. Paton, a special agent of the Department of Justice has returned from a trip through Texas and Arkansas, where he was sent to investigate affairs relating to the Department to which he is attached, by Attorney-General Pierrepont. He has submitted a very lengthy report, which sets forth that the only efficient means to reform existing abuses is to remove nearly all the present incumbents in office. The facts gathered by Mr. Paton will be commented upon by the Attorney-General in his annual report to Congress. Until such report is made, he declines to give Mr. Paton's report to the public.

NEW YORK.

Stock Exchange Decision—Inquest.

NEW YORK, Oct. 20.—With a view of settling the sugar rebate question on a satisfactory basis, three exporters in sugar were yesterday appointed to decide the question at issue.

H. D. Knowlton and Isaac Odell on behalf of the merchants, and S. Giddell, Custom House Auditor, for the Government, have been appointed.

The committee on grain of the New York Stock Exchange have decided to establish five grades of oats—white, high mixed, No. 2, No 3, and no grade. White oats shall be bright, sound, clean, free from other grain, and shall weigh not less than thirty-two pounds to the measured bushel. High mixed oats shall be two-thirds white and equal to No. 2 in all other respects. No. 2 oats shall be sound, and reasonably free from other grain. No. 3 oats shall be fit for warehousing, but otherwise unequal to No. 2. No Grade shall include all oats damp, unsound, dirty, or from any other cause unfit for No. 3. The Committee will proceed at once to establish grades for corn, wheat and other grain.

Jacob Leuderman was found guilty and sentenced to death on the 10th of December.

The twelfth annual convention of the Brotherhood of Locomotive Engineers opened to-day. The address of welcome was delivered by Congressman Clarkson A. Potter. Since the last annual convention six new charters have been issued, making 189 divisions in working order.

In the case of Chas. Revere, a wealthy butcher of this city, who was found dead yesterday in the house of his mistress, the coroner's jury returned a verdict of suicide.

PENNSYLVANIA.

OIL CITY, Oct. 20.—Three children left alone by their mother in a tenement house, attempted to kindle a fire with kerosene oil, when the can exploded burning two of the children to death.
