MAINE.

WADESBORO', ME., Nov. 30. — The schr John Somers capsized in Booth Bay harbor. The captain and one man were lost.

MICHIGAN.

DETROIT, Nov. 30 —A furious northwest gale is blowing and the weather is intensely cold. Several vessels are ashore and a good many have broken from their moorings. The barge Wauregan is on a reef. Captain McKenzie, his wife, two children and the crew are supposed to have been lost.

MASSACHUSETTS.

BOSTON, Nov. 30. A gale extended along the New England coast with a velocity here, at one time, of 65 miles an hour. A large school-house at Waterville was unroofed while the school was in session. The children escaped without serious injury

Unprecedented cold weather for the season. In all sections of New England the thermometer ranges from two to twenty-two degrees below zero.

INDIANA.

INDIANAPOLIS, Nov. 30.—In the crooked whiskey trial J. W. and Gordon Bingham were called and their joint appearance bond of $25,000 forfeited. Gordon Bingham is in Evansville sick, and J. W. Bingham is at St. Louis, where he has been surrendered by his sureties on another indictment.

The following plead guilty: Geo. S. Simonson, John E. Phillips, Harrison Milier, David M. Lewis, Geo. Hagan, Geo. F. Crisp, Christopher Cachonan, M. Mumford and Dennis Reilly.

PENNSYLVANIA.

PHILADELPHIA, Nov. 30.—A child 8 years of age died of hydrophobia. She was bitten by a dog November 8th. The same dog also bit two other children.

MILFORD, PA., Nov. 30 —The thermometer two degrees above zero. The Delaware is frozen over.

The remains found among the ruins of the barn in Lebanon township, which was destroyed by fire, are believed to be those of Frances Stuart, a female notion peddlar, who was recently lodged in Standsbury jail for shooting and attempting to rob a farmer, and who set fire to the court house and made her escape by jumping from a window.

WASHINGTON.

WASHINGTON, Nov. 30.—Hon. Francis E. Shober, of North Carolina, Secretary of the Democratic Congressional Committee of the Forty-second Congress, has great strength for Clerk of the House.

Judge Advocate-General Holt has been retired on his own application. General Dunn has been appointed Judge-Advocate.

Information from the Rio Grande represent the trouble from cattle stealing as bad as ever. Mexican raiders have a contract to deliver 18,000 head at Monterey and expect to steal them from Texas. The soldiers sent by the Mexican Government to the frontier to prevent raids often desert to the cattle thieves, thus increasing instead of diminishing the depredations. Cortina himself has been detected in shipping cattle from Bagdad to Cuba and tad the cattle bearing the marks of Texans. It is also known that the cattle stealers are engaged in smuggling goods into Texas.

The office hours of the Executive Department will hereafter be from 9 to 4 o'clock. By order of the Cabinet to day.

The following from Gen. Babcock was sent to Hon. D P. Dyer, U. S. District Attorney at St. Louis, Mo.:

The President has tendered the Commissionship of Indian Affairs to ex-Congressman Wm. H. Upton, of Ohio.

The Democratic caucus meets at 2 o'clock Saturday in the hall of the House. The use of the hall goes to the party which makes the Speaker.

MYSTERY SOLVED

The Great Secret of the Wonderful
SUCCESS OF VEGETINE.

It strikes at the root of disease by purifying the blood, rousing the liver and kidneys to healthy action, invigorating the nervous system.

Reliable Evidence.

MR. H. R. STEVENS, NY:—
Dear Sir—I will most cheerfully add my testimonial to the great number you have already received in favor of your great and good medicine, VEGETINE, for I do not think enough can be said in its favor, for I was troubled over three years with Catarrhal disease, Earache, and had such bad coughing spells that it would seem as though I could never breathe any more, and VEGETINE has cured me; and I do feel to thank God all the time there is so good a medicine as VEGETINE, and I also think it one of the best medicines for coughs and weak sinking feelings at the stomach, and advise everybody to take the VEGETINE for I can assure them that it is one of the best medicines that ever was. MRS. L. CORK,
Cor. Magazine and Walnut streets,
Cambridge Mass

THOUSANDS SPEAK.

VEGETINE is acknowledged and recommended by physicians and druggists to be the most powerful purifier of the blood, stands foremost, and thousands are its praise who have been restored to health.

Report from a Practical Chemist and Apothecary.

BOSTON, Jan. 1 1874
Dear Sir:—This is to certify that I have sold at retail (81 dozen (81 bottles) of your VEGETINE since April 12, 1870, and can truly say that it has given the best satisfaction of any remedy for the complaints for which it is recommended that I ever sold. Scarcely a day passes without some of my customers testifying to its merit on themselves or their friends. I am perfectly cognizant of several cases of scrofula or Tumors being cured by VEGETINE alone in this vicinity.

Very respectfully yours,
ALGUMAN,
468 Broadway.

To H. R. STEVENS, Esq.

VEGETINE
Will Cleanse Scrofula from the System.

HONEST OPINION.

MR. H. R. STEVENS:—
Dear Sir—This is to show that my son was taken sick in January, 1864, with Scrofula, which came out in large sores and ulcers on his leg and hip. His leg was swelled more than twice its natural size. He had several doctors of high standing in their profession—two from Boston and three from Charleston—without getting a bit better. He was obliged to lie wherever he was placed, for he had no use of his limbs whatever. When we had given up all hopes of his living we were told to try VEGETINE the great blood remedy; and he had taken it but a short time before we could see a great change. The sores ran so bad that we had to change the cloths four or five times a day. Still, he was getting better; for he could move his limbs and help himself a little. He was soon able to sit up in bed, and, by a constant use of VEGETINE it has cured him. He has a lame leg which he will probably have for life; but we all honestly believe, if we had used VEGETINE before we all bothered with the doctors, it would have saved the use of his leg, and restored it to natural health. I hope all those troubled with Scrofula will read this testimony of me and my son, who is now well and able to speak for himself.

CATHARINE MAHONEY.
DANIEL MAHONEY,

May 10, 1872

The above plain but honest statement conclusively shows the quick and thorough cleansing effects of the VEGETINE in Scrofula.

VEGETINE is acknowledged by all classes of people to be the best and most reliable blood purifier in the world. dec1-1m
