Greene Superior Court April 2nd. The ADVANCE will be represented.

We are glad to see Mr. M. T. Move out again after his recent illness.

The Stockholders of the Rocky Mount Fair will meet in that place to-morrow.

Wyatt's old tin shop has been moved from the head of Tarboro street, whereof we are glad.

Snow Hill, it is rumored, will soon have a telegraphic communication with the outside world.

Mr. and Mrs. J. T. Wiggins have returned from Florida highly pleased with the flowery land.

Dr. Huffham is carrying on a revival of much interest in Enfield. Twenty have professed conversion.

Mr. Howell Whitehead, father of our townsman, H. G. Whitehead, Esq., have moved with his family to Wilson.

Best having failed to comply with the requirements John Gatling, Esq., will take charge of the Midland road as receiver.

Senator Ransom has been invited to deliver the address at the unveiling of the Confederate monument at Goldsboro May 10th.

Mrs. Virginia Sharp, the new Post Mistress, took charge of the postoffice Monday. It is for the present in the same building.

Bishop Lyman will preach in the Episcopal church Sunday, morning and night. At night he will administer the ordinance of confirmation.

Mr. Walter Swinson, a very promising and useful young man, died very suddenly at Old Sparta, Edgecombe county, one day last week.

Mr. A. P. Simpson is opening a stock of general merchandise at Felton & Scarborough's old stand. His advertisement will appear next week.

Some Wilson men drew $110 in the Louisiana Lottery. We are sorry because it will cause many others to invest and throw away their money.

Prof. Jas. H. Horner, of the renowned Oxford school, visited our Graded School last week and expressed himself highly pleased with its workings.

R. Harris & Son are receiving their new goods. They promise to tell the readers of the ADVANCE of the bargains they are offering in a future issue.

The Daily *Sittings* made its first appearance Tuesday morning. It is neat, bright and newsy little sheet full of local and other interesting matter.

Mrs. Jas. A. Marsh, of Raleigh, formerly of Bladen county, has been elected matron of the Western North Carolina Insane Asylum at Morganton.

We are glad to learn from a private letter that Prof. Tomlinson who was compelled to take a short vacation on account of failing health is somewhat better.

We doff our hat to W. W. Hargrave in acknowledgement of a treat of the "Renaissance," the finest cigar that has invaded our sanctum for many days.

A negro boy stole a mule from Mr. Haywood Edmundson's stables in Greene county, on Monday night. He was captured and lodged in Snow Hill jail.

Mr. R. H. Birden, who went to Florida several weeks ago with a view of settling, is at home again. He doesn't like Florida and believes that there's no place like home.

The advertisement signed A. Braswell, chairman, in the ADVANCE several weeks ago in reference to the No Fence law should have read 25 per cent and not 75 per cent as we had it.

Col. Kenan, Col. H. G. Williams and L. M. Mielnaux, formerly of the Greensboro "Protestant" and several Lodge friends brightened our sanctum by their presence this week.

Prof. Willoughby Reade has leased the Waynesville White Sulphur Springs for a number of years, to be assisted in the management thereof by Mr. J. C. S. Timberlake, of Georgia.

Rev. D. R. Bruton, Presiding Elder, will preach at the Methodist church Sunday, morning and night. He will hold Quarterly Conference Monday morning, and Love Feast to-night.

Dr. N. B. Herring has, we are glad to state, returned to Wilson to engage in the practice of medicine. Dr. Herring stands deservedly in the front rank of the profession. He combines many years of hard study with a long and successful practice, and will not be long in building up a lucrative practice in our midst.

A petition has been forwarded to the Postmaster General to open a new Star Route from Farpsboro to Wilson. The people on this line are entirely destitute of mail facilities and we hope the proposed route will be given them.

Rev. T. H. Pegram, of this place, says the Winston "Leader," recently killed a sow ten years old; she weighed 250 pounds, and was the mother of 28 pigs, during her lifetime. From this number there was realized some 15,000 pounds of pork.

The State Board of Education will meet at the Executive office on Wednesday, the 28th inst., at 12 o'clock M., to arrange for the normal schools for 1883. The one for this section of the State will doubtless be held in Wilson again.

The dividing line between the Insane Asylum at Raleigh, and the Asylum at Morganton, runs from the Virginia line south with western boundary lines of Rockingham, Guilford, Randolph, Montgomery an Richmond counties to the South Carolina line.

Mr. F. W. Barnes says that on his recent trip out West he met a regular old fashioned Southern democrat. He is a member of the legislature and is named Blackburn—a good democratic name. Go where you will you will find Southern democrats—and there are no better men anywhere!

If Tarboro can't boast of a cotton factory, says the *Guide*, she glories in the possession of more babies to her size and business strength than any town in the State. Dont be too certain, Brother Battle, Wilson has one Cotton Factory, and as to the babies—we count 'em by the hundreds.

George Farmer and Alice Page, both colored, were tried Wednesday before Justices Mercer and Barnes for stealing bed clothing, &c., from Dr. N. Anderson. The woman was put in jail in default of giving a $500 bond and Farmer entered into a bond of $200 for his appearance at the Inferior Court.

Dr. N. Anderson's many friends will be glad to know that he has returned from New York, where he spent several weeks in taking special courses in medicine, and that he is now engaged as a practising physician. He will have his headquarters at Hargrave's drug store until he can have an office fitted up.

About this season of the year many people are asking what is it that determines the date of Easter. The answer is that it is the moon of March, which Tennyson calls "the roaring moon of daffodils." The old rule is that Easter shall fall on the Sunday after the full moon which comes after the vernal equinox. That brings Easter this year on the 25th of March. In 1818 it fell on the 22d of March—the earliest date possible. It will not fall on that date again in this or the following century.

Mr. Avera Acquitted

The case of the State vs. Jacob Avera, charged with robbing the mails at Rocky Mount was tried before U. S. Commissioner Cogdell in Goldsboro Tuesday and Mr. Avera was acquitted. U. S. Attorney Robinson then issued another warrant, and Mr. Avera was tried again Wednesday at Rocky Mount before Commissioner Pender who dismissed the case. Mr. Avera's many friends will be gratified at this termination of a most unpleasant affair.

Wilson Against Wayne.

The jail was the scene of a noisy fight Saturday night. A negro, a Wilson county prisoner, struck a white boy, a Wayne county prisoner who is confined in our jail, over the head with a stove lid, giving him a painful wound. We do not know the cause of the fight. It has been suggested in a controversy as regards the superiority of their respective counties, they fought to see which was the best county. As usual Wilson came out ahead.

Masquerade Ball.

Our thanks are due for an invitation to the Masquerade Ball to be given by the young men of Rocky Mount, in Barnett's Hall, March 28th. The Managers are J. H. Jones, Joe Pierce, J. H. Odom, M. Abram, J. K. Taylor, Jas. H. Barnes, L. E. Sumner, L. F. Hillery.

The Honorary Managers are Dr. T. C. Powell, J. A. Taylor, J. C. Snyder, E. G. Muse, D. Abram, Dr. R. G. Tillery, A. W. Arrington, J. A. Fountain.

The floor Managers are W. H. Griffin and L. B. Pennington.

Skating Tournament.

The skating tournament for which practising is now going on at the rink, will come off on Tuesday night, 10th April. This will be a novel and enjoyable entertainment to our citizens. The knights clad in costume, the tilting with the lance, the taking of the rings, the crowning of the queen of love and beauty, the choosing of the maids of honor, and the rolling away of the couples in graceful movements over the smooth surface, will all be elements of enjoyment both to spectators and participants. Delegations are expected from Rocky Mount, Tarboro, Toisnot, Enfield and other places.

Justifiable Homicide.

MR. JAMES TOMLINSON, A HIGHLY ESTEEMED CITIZEN, SHOOTS AND KILLS A TURBULENT NEGRO IN SELF DEFENSE.

Our usually quiet town was thrown into excitement Sunday morning by the report that on the previous evening Mr. James Tomlinson, a highly respected citizen, who lives four miles from Wilson, had shot and killed a turbulent negro named Lem Barnes, and had given himself up to the authorities. Coroner Peele lost no time in summoning a jury and repairing to the scene of the killing. After examining the body of the dead man and hearing the evidence the jury returned a verdict that "the came to his death by a shot gun (Enfield rifle) loaded with leaden bullets in the hands of James Tomlinson, in self defence." Signed.—E. N. Mercer, W. C. Gorham, B. M. Davis, A. N. Daniel, J. W. Cherry and Wiley Corbit, jurors.

At the trial before Justices W. F. Mercer and F. W. Barnes the following is the substance of the facts elicted:

Lem Barnes came to Mr. Tomlinson's house abou dark Saturday evening and commenced quarrelling with Mr. Tomlinson for taking one of the mules he had been working to haul fodder. Lem cursed and abused Mr. Tomlinson and was ordered to leave the yard, when he picked up a piece of plank and advanced on Mr. Tomlinson, who went into his house and got his gun and loaded it. He then went to his lot with a basket of corn, carrying his gun with him, to feed his horses. Lem, before Mr. Tomlinson came out of the gate, dared him to come out saying he would kill any white man who would come in the road"—Lem followed Mr. Tomlinson, passed the lot and went up the road and stayed a few minutes. He then came back with a fence rail on his shoulder, and stopped at the house lot and began talking with Mr. James R. Morris, who begged Lem to go home. Lem said I under t and Mr. Tomlinson says he wishes "all the d—n negroes were dead and in hell. If he ever tells me so I mean to kill the d—n scoundrel." Mr. Tomlinson then said, "Lem, I don't know what I have said, but I do wish you were there." No sooner had he said it than Lem made for him with a fence rail and began to strike at him, saying, "God damn you; I mean to kill you this time." He continued to strike at Mr. Tomlinson and hit Mr. Morris who was trying to ward off the licks. He continued to advance on Mr. Tomlinson striking at him, and when Mr. Tomlinson raised his shot gun and shot him. After he was shot he struck at Mr. Tomlinson twice He lived about an hour. The Justice after hearing the evidence bound Mr. Tomlinson over to court under bond of $500, with M. B. Atkinson, E. Barnes Jr, H. G. Whitehead, T. J. Gardner, James Tomlinson and L. D. Tomlinson as sureties.

WHITAKERS.

Since my last letter to you the committee appointed to take action in regard to forming a new county have met and added on ten more committeemen, making now twenty. The following are the committee: W. D. Pittman, J. C. Bellamy, Dr. W. H. Cobb, J. B. Phillips, J. M. Mayo, F. M. Parker, J. H. Burnett, R. E. Draper, R. C. Crenshaw, Maleh Whitaker, W. C. Taylor, W. D. Stokes, J. H. Pippen, T. P. Braswell, J. M. Cutchin, M. J. Battle, J. W. Powell, J. H. Exum, W. W. Watson, Clinton Battle. Saturday the 7th of April at 12 o'clock was the day appointed for the next meeting, and it is hoped that all the committeemen will meet promptly; not only the committee but all, both white and colored, who favor a new county.

A few of the young ladies and gentlemen of Whitakers, and in the neighborhood, spent a very pleasant evening on last Wednesday at the home of Capt. J. H. Exum. It was the occasion of a hop given complimentary to Miss Mamie Exum, from Wayne, who is visiting his family.

The young people of Whitakers have organized a Reading Club and meet every Friday night.

Mr. F. H. Cutchin, of the firm of J. H. Cutchin & Son, left Monday for the north to purchase their spring stock.

Dr. S. P. Hilliard and Dr. James W. Braswell have returned from college, bringing with them the highest honors that could be bestowed. Dr. S. P. Hilliard will locate here and respectfully invites a share of the public patronage.

Mr. L. Billups died at his home on last Monday. Disease, Consumption. He leaves a widow and several children, who have the sympathy of the entire community. Grieve not dear wife and children, what earth has lost heaven has gained.

The married ladies of town say, whenever you ask for their husbands, he is at the Pool Table.

The farmers through this section are well up with their work and the prospects so far are very good for a good crop. A great deal of fertilizers have been sold to farmers from this place. Mr. J. A. Richardson, agent here for several brands has disposed of upwards of two hundred tons already and says the Game Rooster, his leading brand, is still crowing for the farmers of Edgecombe and Nash counties to come after him. Come on farmers and take him away, he is a valuable rooster.

Whitakers is getting to be quite an exporting town. Commodore Murray shipped from here last week two car loads of goats and has telegraphed for more cars.

Miss Stella Anderson, of Norfolk, is visiting her sister, Mrs. L. R. Land of this place. FIZZY.

BLACK CREEK.

There is enough life in our village—some of us call it a "city"—now to give you an occasional item. This week has been a rather eventful one. First came the news of the appointment of our townsman Dr. A. G. Brooks, as a member of the Board of Agriculture. This appointment is deemed a wise one by all who know Dr. Brooks, executive ability and his success as a practical farmer. Our people thank Senator Farmer for this appointment.

Then, close on the heels of this good news, was the intelligence that the legislature had made our county larger by giving us a portion of Edgecombe. Since hearing this your correspondent has felt like the frog in the fable who swelled to enormous size. I hope the end will not be as fatal and that he will not "bust."

The bill to make our town larger by taking in Taylor's milling property, did not pass.

George Baker, colored, cut Tab. Baker, also of the dark persuasion, Saturday night while in a drunken row.

Taylor & Beal's colored fireman, happened to the misfortune, several days ago, of having his arm painfully hurt while trying to couple two flat cars.

On Sunday morning Mr. Flowers, a resident of this place, discovered that his little girl's clothing was on fire and in attempting to extinguish the flames received painful burns. The child was uninjured.

ROCKY MOUNT.

DEAR ADVANCE:—

We have another bright day and after such a day as yesterday a mixture of rain, hail and snow; to-day's sunshine is very acceptable.

The young people of our town are making preparations for the masquerade ball which will come off next Wednesday night. They anticipate a very nice time.

Mr. Jake Avera's trial came off in Goldsboro yesterday; he was cleared of suspicion. I hear that he has been arrested again and was tried this evening before Commissioner Pender of Tarboro. He was arrested to be tried on a more comprehensive warrant. He was again acquitted.

We came near having a fire here Monday. The barber shop and restaurant caught on fire from the stove pipe. When first the fire was discovered the flames was breaking through the roof. The shingles was torn off and the fire was soon extinguished.

The protracted meeting at the Methodist church is still in progress. Several have professed conversion.

Mr. Lou Sumner is quite sick with pneumonia; hope ere long he will be well again.

The spring goods are coming in and there is not quite so much loafing as there has been.

The Bishop preaches here tomorrow. There will be quite a large congregation out to hear him.

The stockholders of the Fair will meet to morrow.

Will write again. SEABROOK.

MARRIED.

In Manning's township Nash county, Thursday March 1st., Mr. G. C. Barbee to Miss Leonia S. Floyd, daughter of W. D. Floyd, R. C. Dixon Esq officiating. We join their many friends in congratulations.

DIED.

At his residence, near Stanhope, Nash county, Sunday, March 18th, Mr. Isaac Strickland.

At her residence six miles above Stanhope, Nash county, March 16th, Mrs. Nancy Williams.

At his residence three miles above Stanhope, Nash county, March 16th, Mr. Watson Bryant.

In Wilson county, of pneumonia, Mrs. Penny Grice, aged 65 years. She leaves two children, thirteen grand children and a large number of friends to mourn their loss.

At the residence of Mr. Elias Ferrill, Saturday, March 17th, at 3 P. M. Mrs. Zeller Lucas, in the 53rd year of her age. On the same day at 6 P. M., at the same place, Mrs. Sarah Ferrill, wife of Mr. Elias Ferrill, aged about 25 years. These sad deaths cast quite a gloom over the entire neighborhood.

At her residence in Bailey's township, Nash county, March 11th 1883, Mrs. Emariah J. Pace, aged 48 years. She was for many years a member of the Methodist church and when death came her lamp was trimmed and burning. She leaves a husband and four children to mourn their loss.
