GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B, except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp required thereon. If he neglects to do so, the party for whose benefit it is made may stamp it before it is used; but in no case can it be legally used without a stamp; and if issued after the 30th of June, 1864, and delivered without a stamp, it cannot be afterwards effectually stamped. Any failure upon the part of the maker of an instrument to appropriately stamp it renders him liable to a penalty of two hundred dollars.

Suits commenced in any State by other process than writ, viz: summons warrant, publication, &c., in which cases these, as the original processes, severally require stamps.

Writs of error fall under the same stamp duty as those in error.

The jurat of an affidavit taken before a Justice of the Peace, Notary Public, or other officer duly authorised to take affidavits is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits or legal proceedings

Certificates of loss in which there is all appear any written or printed evidence of an amount of money to be paid on demand, or at a time designated, are subject to stamp duty as "Promissory Notes."

The assignment of a mortgage is subject to the same stamp duty as that imposed upon the original instrument; that is to say for every sum of five hundred dollars, or any fractional part thereof of the amount secured by the mortgage at the time of its assignment, there must be fixed a stamp or stamps denoting a duty of fifty cents

When two or more persons join in the execution of an instrument, the stamp by which the instrument is liable under the law may be affixed and cancelled by any one of the parties.

In conveyances of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on any warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required; and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rate required for such instruments, or either of them In such case, a note or memorandum of the value and denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped
