A weekly Democratic journal devoted to the material, educational, political and agricultural interests of Halifax and surrounding counties.

Advertising rates reasonable and furnished on application.

WE note with pleasure the first number of "The North Carolina Review," a supplement to the News and Observer, which will be issued with the editions of the first Sunday in each month. It has been said that our fathers made history, but left it to us to write it, and any publication which has for its aim the compilation and preservation of the many interesting features of our State history and presenting them in a form to meet the public eye, must result in good. In the current number we find many good things and some of special interest to our Halifax county readers.

How rapidly scientific history is being made in the conquest of the air, we who are privileged to look on what is being accomplished can but feebly appreciate. When was there ever an age in the world when a single life time would compass such a scale of progress as the telegraph, the dynamo, with all its marvelous applications; the telephone, the phonograph, the automobile, the wireless and flying machines? Talk about your golden ages in good old days! The world has never seen such progress as we are beholding right now, and in conscience and sense of responsibility as much as in material things.

A strange mortality has visited the bishops of the Methodist Episcopal Church, South, since the last general conference session. At that session three bishops were elected and two of them have died. Bishop J. J. Tigert, one of the strong men of the church, died soon after his election, having held only one conference. Now Bishop Ward is called away, leaving only Bishop James Adkins of the new panel of bishops remaining.

Since the last general conference Bishops Tigert, Granberry, Smith, Duncan, Galloway and Ward have died. This leaves the episcopacy of the church greatly weakened, as Bishop Wilson, the senior bishop, is 75 years old; Bishop Key is 80 years old, and Bishop Fitzgerald, superannuated, who is also 80 years of age. Bishops Hendrix, Morrison, Hoss, Candler, and Atkins are the younger members of the college, and upon them must fall the great burden of work.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is in an inflamed condition you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, Ohio.

Testimonials sent free. Price 75 cents per bottle. Sold by all druggists.

Take Hall's Family Pill's for Constipation.

AN Italian applying for naturalization before Judge Adrian in the Common Pleas Court at New Brunswick, N. J., was asked:

"Do you know the Constitution?"

"Yes," he said.

"What do you think of it?"

"Oh, he ver' good fella."

His application was refused.

Foley's Honey and Tar clears the air passages, stops the irritation in the throat, soothes the inflamed membranes and the most obstinate cough disappears. Sore and inflamed lungs are healed and strengthened, and the cold is expelled from the system. Refuse any but the genuine in the yellow package. E. CLARK.

UNION DEPOT FOR WELDON.

Corporation Commission Issues Order to S. A. L. and A. C. L.

The Corporation Commission has ordered the Seaboard Air Line and Atlantic Coast Line Railways to erect a union station at Weldon, and to Mr. B. A. Pope, who first set the ball in motion by drawing up the petition for citizens to sign, is due much of the credit for the order.

The case was heard on petition of citizens of Weldon vs. the A. C. L. and S. A. L. Railways on the 21st of September, and on the 27th September, the commission visited Weldon.

The plaintiffs were represented at the hearing by their attorneys, W. E. Daniel, Esq., and George C. Green, Esq., and the defendant, Atlantic Coast Line Railroad Company, by its attorney, George Ellott, Esq., W. H. Newell, General Superintendent, and the defendant Seaboard Air Line Railway by its attorney Murray Allen, and J. H. Hatt, Superintendent.

The decision is written by Commissioner Rogers and is as follows:

"It appears to the Commission, from the evidence, that the defendants have separate waiting rooms and maintain separate agencies at Weldon, but upon adjoining lots and in buildings which their passengers use in common for their convenience and comfort.

"That the defendant Seaboard Air Line Railway's station is a one-story brick structure with two apartments, the size of each being 13 by 18 feet, with a seating capacity for eighteen people in either apartment, and are not provided with the usual conveniences for the privacy and accommodation of the travelling public.

"It also appears, from the evidence, that the defendant Seaboard Air Line Railway, in receiving and delivering passengers at this station, has to back its trains into or out from it, to the danger and confusion of the public.

"That the revenue, in tickets sold at this station, by the defendant, Seaboard Air Line Railway, is from $1,500 to $1,800 per month.

"As to the defendant, Atlantic Coast Line Railroad Company, the evidence shows that its station at Weldon is a portion of a hotel building with apartments for white and colored passengers with a seating capacity of twelve and seventeen persons respectively.

"That there are toilet arrangements for females only and that the arrangements of the apartments are such as to make the ventilation objectionable and the lights poor.

"It also appears from the evidence that the daily average of passengers hauled by the defendant, Atlantic Coast Line Railroad Company, out, as shown by tickets sold, was eighty-one, and that the passenger revenue for a period of one year was $21,815.83.

"That the defendants operate through Weldon daily 14 passenger trains and that it is an important transfer point.

"That the arrangement for the transfer of baggage between the defendant roads is uncertain and unsatisfactory.

"The evidence shows that the town of Weldon is an important, industrial and commercial point and has a population of 1,800 to 3,000.

The Commission made a personal investigation of the conditions at Weldon on the 27th instant and reviewed the evidence in the case.

"It is the opinion of the Commission that the defendant railroad companies have not separate depots which are adequate and convenient and offer suitable accommodation for the traveling public.

That a union passenger station at Weldon for the defendant roads is practicable and that the necessities of the case require them to have one common or union passenger station for the security, accommodation and convenience of the traveling public.

"Therefore, the Commission hereby orders the defendants, Atlantic Coast Line Railroad Company and the Seaboard Air Line Railway, to unite in the joint undertaking and expense of erecting, constructing and maintaining such union passenger depot, commensurate with the business and revenue of such railroad companies.

"It is further ordered, that plans and specifications for such building and site be submitted to the Commission within thirty days from this date for its inspection and approval."

NORTH STATE NEWS.

Items of Interest Culled From our Exchanges and Boiled Down For Busy People.

Three cases of pellagra have appeared in Greensboro.

The Norfolk and Southern Railway will enter the town of Raleigh, beginning October 1st.

Winston-Salem will, in the course of a month, be connected with the outside world by means of wireless telegraphy.

Governor Kitchin offers a reward of $100 for the unknown party who recently tried to kill S. D. Poyner, a storekeeper, in Currituck county.

Charles Spradford, white, the convict who escaped from the Lumberton camp three weeks ago has been caught in Camden, S. C., and returned to the camp.

Governor Kitchin will attend the unveiling of the $30,000 monument to Revolutionary heroes and commemorating the battle of King's Mountain on the battlefield, a half mile over the North Carolina boundary, October 7th.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities in urination and bladder, strengthens the kidneys and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms.

E. CLARK

Of course people talk about you. Haven't you heard something about everybody you know?

When a man tries to act superior it's a sign he needs to act.

Most women are troubled with kidney complaint, and you know very many serious and even fatal diseases result from neglected kidney troubles. If you will take DeWitt's Kidney and Bladder Pills as directed, you may be confident of good results. Try them and see how really good they are. Beware of imitations, pills that are intended to deceive you. Be sure you get DeWitt's.

Sold by W. M. Cohen, Weldon, N. C.

The three night policemen at Rocky Mount have been discharged from duty, caused by the disappearance of whiskey taken in the blind tiger raids and stored in the municipal building. The facts in the case were brought out during an investigation that the officers were drinking it themselves.

Both Boys Saved

Lock Haven, Pa., October 20, 1908. Three bottles of Foley's Honey and Tar absolutely cured my boy of a severe cough and a neighbor's boy who was so ill with a cold that the doctors gave him up, was cured by taking Foley's Honey and Tar. Nothing else is as safe and certain in results.

E. CLARK

Governor Kitchin ordered a special term of Wilson Criminal court to begin October 25th and continue one week. Judge Chas. M. Cooke will preside.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and incapacitates, beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates freely, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is still afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of the kidneys and bladder.

This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists on its merits, fifty cent and one dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, Home of Swamp-Root, Binghamton, N. Y. In writing mention reading this paper. Don't make any mistake but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

DeWitt's Kidney and Bladder Pills FOR BACKACHE

Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have tried with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it.

Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience soureness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you. Indigestive ailments. Pepsin is only a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digest every particle of food, of all kinds, in the glass testimonials in our literature, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

Our Guarantee

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one to a family. The large bottle contains 2½ times as much as the dollar size bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.
