DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure.

SUCCESSFUL REVIVAL.

Closing of a Delightful Season of Refreshing—The Last Morning Hour of the Best—Splendid Results—Christian People Awaken, Church Revived and Numbers Converted.

After laboring with an increasing [illegible] Evangelist [illegible] of Hickory, concluded his last sermon here Thursday morning, and it was the [illegible] he ever preached.

He returned for his last [illegible] June 16. For God [illegible] the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life. This he said was one of the most [illegible] sermons of Scripture on the Bible, and with great power. He came to make it clear the part of salvation that is the place of need. Great numbers of people were for weeks asking for the prayers of the church, and the large audience to hear Christ was indeed inspiring and real. It was the [illegible] way of preaching to lost souls.

For the [illegible] days there were such scenes in a meeting and the results are far reaching. They will have an influence for good in all of the churches of the town.

May God strengthen many who consecrated their [illegible] and whose coming here was a blessing to the entire community of Weldon.

Just before closing the service Thursday morning he read the following resolutions which [illegible] the place:

[illegible]

This book contains—The mind of God, the state of man, the way of salvation, doom for sinners, and happiness of believers. Its doctrines are holy, its precepts are binding, its promises are true, its threatenings are true, and its decisions are immutable. Read it to know what heaven is to be, and practice it to be fitted for it. It contains light to direct you, food to support you, and comfort to cheer you. It is the mariner's chart, the pilgrim's staff, the soldier's sword, and the Christian's charter. Cultivate its spirit, imbibe its precepts, obey its commands, and the glory of God in Christ, illustrated in the teaching and life of the blessed Jesus, will be made your portion. Read it slowly, frequently, prayerfully. It is a mine of wealth, a paradise of glory, and a treasure of pleasure. It is given you in this life, will be opened at the judgment, and be remembered forever. In view of the great responsibility towards the generation which and overlooking all who in the world, in holy solemnity—Hastily underlined.

Monday morning Rev. J. A. Hornaday opened the doors of the church, and received the full communion and membership, again persuaded as a result of the revival, [illegible] with the pastor [illegible] and some with the [illegible] church.

May the Lord help each and every one of these new members of the various churches to abide in the love and walk in ways which honor God and glorify Christ.

WORLD'S CRISIS

As the rapidly moving events in this great war move on, hand in hand, crime in the affairs of the world, and the Prince Globe will say:

"Let the thing be said plainly. We have come to a moment of crisis in the world's history. In consequence to give or not to give? Just now only a question of who makes the war, out of war itself. Call the origin great democratic nation which is so far from having afford to look at these values from the highest viewpoint than a sense of national responsibility, which by keeping out of the fields clear of blood we may be the [illegible] of civilization itself, and perhaps the one abiding hope?

"Europe has gone mad. When most of the world is war-mad, it is the peaceful minority that appears insane. Do we talk of being disgraced by peace? When Europe has returned to its senses, it is far more likely that Europe will thank us, and not only Europe, but the world, and the ages to come.

"Our stewardship of peace is no longer a question of national pusillanimity. It has become a question of world patriotism."

If a man has any good points adversity is apt to bring them out by the roots.

GREAT WHEAT CROP.

Bumper Crops Rise Grain on the Holiday Farms—Estimated at From 20,000 to 50,000 Bushels.

Superintendent J. S. Mann, who has recently moved the state farm near Tillery, found a great crop of wheat which really for the farmers it is estimated will yield from 20,000 to 50,000 bushels.

It was the big wheat crop which accounted for the [illegible] the use of the wheat [illegible] of the [illegible] acreage. The period board of Halifax county in September determined to use the state a good example and [illegible] large measure the planting of less [illegible] acreage. It ordered 3,000 bushels of wheat and put this quantity on the farmer [illegible] fields. It is now a perfect [illegible] and should average 20 [illegible] an.

The superintendent declares that some of the fields have as much as 400 or more acres and that as far as one's eye can travel [illegible] the ripening heads of wheat can be seen. The harvest will take place during the month of June. Ten hands will be put to work on the farm. It will require about three weeks for the crop. And after it is in why the state's treasurer will be put to work.

The state did not give up corn entirely this year. It had [illegible] planting to see what corn the [illegible] would take and produced [illegible]. More than 500 acres are in this crop. Altogether the State farm is a great [illegible] this year.

Plenty of Weldon evidence of their worth.

Mrs. H. P. Massengill [illegible] Weldon, says: "About two years ago I suffered a confirm my kidneys. My back ached and I had pains across my loins. My head also ached. I had dizzy spells and my sight was impaired. The kidney secretions were irregular. I tried different remedies but without results and became worse all the time. I was told I would have to have an operation. Friends advised me to try Doan's Kidney Pills and did. I was relieved at once and continued to use them. The headache left, my sight became clear and the kidney secretions acted regularly.
