DAILY SENTINEL.

WM. R. PELL, PROPRIETOR.

THE MEN WHO ARE TO GOVERN ALABAMA—A REMARKABLE CANDIDATE FOR LIEUTENANT GOVERNOR.

[From the Montgomery Mail.]

The Radical Convention which adjourned the other day after making itself the laughing stock and by-word of a continent, signalized its departure by nominating candidates for the State offices, to be elected under the Radical military Constitution. The person nominated for Governor, a Mr. Smith, will not hold that office, if elected, more than a few months. It is the design of the Radical party, and it was so expressed at the nominating caucus to transfer Mr. Smith immediately to the United States Senate. The man who will be elected to the office of Lieutenant-Governor, is the one intended by the caucus to rule the Commonwealth of Alabama for the two first years, in which the militia bill operates, to deprive every conscientious and honest freeman of his liberties. The man nominated for Lieutenant Governor, and who, it is proposed by the Radicals, is to govern a million of Alabamians, is a coarse, vulgar, illiterate, impudent adventurer from Ohio, named A. J. Applegate. This person, Applegate, has been an *attache* of the Freedmen's Bureau at Huntsville. He is openly charged with conduct which instead of elevating him to the executive chair of a virtuous and intelligent people, should properly debar him as a felon from the privilege of suffrage. This man, a carpet-bag adventurer, whose standard is hoisted by a few new comers as unknown and as suspected as himself, asks the votes of the negro race, a member of which he is openly charged with having swindled. Whether the man is dishonest or not we do not know. We can only draw our own conclusions from what we see boldly proclaimed and unrefuted in the public press. If not dishonest, the man who is proposed as future Governor of Alabama is a low adventurer, devoid of the commonest rudiments of education. His superior in address and education can be found in any collection of negroes upon our streets. We make this assertion, not loosely, but with ample material before us as proof. This Applegate became incensed at the *Independent* for publishing an account of his swindling conduct towards the negroes in his employment. He sent the editor a copy of the Radical organ of this city and wrote a few lines upon the margin of the paper—a note which does not deny the conduct imputed to him, but endeavors to implicate others, as though association of numbers is a sufficient excuse in his conscience for systematic fraud. The *Independent* gives an exact copy of the note, which is written in a vulgar, illiterate hand, as follows:

"Complements A. J. Applegate hopes you will shew up all the members of the firm connected with your Maysville letter subject for particular I would refer you to John Giles or Joseph Henderson who was also members of that firm and against whom ah Attachment Suit is now pending in your town for said claimes."

This is not the only evidence we have of the total unfitness of this man for the position of ruler of a great State. On Friday night at a Radical ratification meeting held by a few whites and a small crowd of negroes, this candidate for the gubernatorial chair delivered an address, marked by vile insults to the white people of the State and lying promises to the colored people. It was the speech of a depraved, cunning, illiterate, brutal demagogue, inflammatory of the passions of the colored men who listened to him, and disgusting to the whites. At the conclusion of his speech he wrote it down, leaving out the incendiary features, for the reporter of the Associated Press.—The copy furnished by him is now in our possession, and by appending it to this editorial we vouch for its entire accuracy. It is silly and illiterate to a degree that is not amusing but actually heart-rending. The creature who penned this thing, called a speech, is proposed by the Republican party as Governor of one million of Alabamians.

It will be observed that this creature from Ohio, who is to govern our brave, intelligent and virtuous people, speaks of the "stupendious folly and meanness of His Acidency at Washington." He capitalizes common words in the middle of a sentence, and begins his sentences with a small letter. He speaks of "Loyal men," and the right of "Suprage." He says that the colored man is "Equal to the Energmy," and the rebels want to make this fair land a "pandemonia." He says that the extension of "suprage" to the colored man has "proven" the most complete "neoma."—This low creature absolutely writes the name of the late martyr "Lincon." He says the ball will be "kep" in motion until a thousand school houses may be "scan" on as many hills. Will such a thing as this Applegate ever fill the Gubernatorial chair of Alabama? O shame! where is thy blush? Here is the man's speech! Read it and weep!

"The constitutional Convention which Ended its labors to-day have made for Alabama's Constitution which for the first time secure to Alabama's republicial in form.—It Secure to all men all their rights before the law without regard to race or color, and if Alabama ratifies the works of the Convention Alabama will start on a new Career of honor and glory and will never Stop until she rivals many of Her Older sister States.

My friends, the wretchedness everywhar to be seen in this State is a monument to the stupendious folly and meanes of his Acidency at Washington Andry Johnson, who when He made his famous Tinnissee speech in which declared Himself the Moses of the colored man but He lired them on but to betray them which he has most successfully done. He organized State government in this county in violation of the Constitution of the U. States but among the many terms he imposed was that they must elect Loyal men to office which resulted in the Election of Governor Patton and all the Officers of the State from Governor down to Constable was elected for their complicition with the rebellion and throughout the State there is not a Loyal man in office with the exception of the few who have been put in office by order of the military commander. (A voice in the crowd, "they are few.")

It is frequently said by our enemies that the colored man was not fit to exercise the right of suffrage but my friends I Challenge the world to furnish an Example of a people so lately released from Slavery without Education or any training in politicks the history of the last campaign proves most conclusively that the Colored man is equal to the Emerginy the proven themselves more fully up to the spirit of our institutions and more true to the Constitution liberty than the white man of this country for the Rebels of this country have proven by their actions that they like Satan who When He Could not rule in heaven that He purpose to rule in h—ll those men fine they cannot rule this country any longer and they propose to make this fair lann of ours a pandemonia for all the biting Curse and the devastating Influence that everywhere is to be seen is due to the resistance and the opposition that the Rebels of the South have thrown in the way of reconstruction the Colored man has thus far proven Himself worthy of the trust and a patriotic Congress who has given the Colored man His political rights will never have Cause to regret that action for thus far it has proved the most complete success of any piece of legislation of this or any other time but my friends the imortal Lincon the father of Statesman by a proclamation which took Efect on the fist day of Janury 1863 put the ball of Liberty and universal Equality of all men before the law and for the fiert time in the history of this Country that the Declaration of American Independence was no longer a lie, but that "all men were Created free and Eaqual" the ball which we have Set in Motion this night will be taken up and rolled back to the Mountains of the North it will be kep in motion until Ever hill top and in Ever Valy may be herd the Snort of the locomotive and untill the hum of a Million Spindles may be herd a thousand School houses may be Scan on as many hills and untill this fair lann of ours shall blooms and blossomes again as the rose."

THIS NEW TRUNK LINE FORMS A GREAT FREIGHT ROUTE between Baltimore and Weldon, Warrenton, Raleigh, Hillsboro', Lexington, Salisbury, Morganton, Charlotte, Lincolnton, Goldsboro', Newbern, Beaufort, Wilmington, Chesterville, Winnsboro', Columbia, Summerville, Manchester, and all intermediate points on and near these great Railways and their connections.

The Powhatan Steamers connect at Petersburg with Petersburg Railway for all points in the Carolinas. Cars are run alongside of Steamers' Wharf and goods transferred with careful handling. Cars are run through without breaking bulk between Petersburg and Raleigh, Charlotte, Goldsboro', Wilmington, &c. &c. This Inland Line possesses many advantages over a Sea Route. Marine risk is small and insurance is comparatively nothing. The Wharf of the Powhatan Steamers being situated in the very centre of the great shipping district of Baltimore, renders it convenient to shippers, and drayage is very small.

Great attention paid to consignments of Cotton, Corn, Wheat, Rosin, &c. &c. All produce forwarded at the lowest possible rates.

☞ To insure transportation over this Inland Fast Line, mark all goods, whether Northward or Southward bound, "VIA PETERSBURG."

Nov. 8th, 1867.

MOST OF YOU HAVING AGREED WITH MY predecessor, Mr. Webb, to take new for your old bonds, I take this method of informing you we are now ready for the exchange.

To capitalists I would say, we will sell $300,000 of eight per cent. coupon bonds, secured by mortgage on the Road, and payable in five, ten, or twenty years, as the purchaser may desire,—interest payable semi-annually.

The debt of the Company is about $700,000.—Bonds to fund this debt will be issued.

The property mortgaged to secure the payment of these bonds is worth in earnings seven millions of dollars. There can be no better security.

The bonds will be sold only at par.
