JNO. C. BORNEMANN—To-day's Market.

The shell road was alive with vehicles yesterday afternoon.

The receipts of cotton at this port yesterday foot up 582 bales.

Very few Myrtle Grove oysters have been brought into market this season.

The weather was uncomfortably warm yesterday and decidedly unseasonable.

Mr. Jas. W. Hewlett's seine, in the hands of Mr. J. M. Hewlett and crew, caught 25,396 mullets at Wrightsville beach yesterday.

Some of the stores are already begining to put on holiday looks and to display holiday stocks.

Mr. J. R. Melton had on exhibition yesterday the carcass of a very large and fine buck which was killed not far from the city.

The North Carolina Annual Conference of the Methodist E. Church South, Bishop Keener presiding, convenes in Raleigh on the 6th of December.

The 30th of November has been set apart as a day for Thanksgiving. Let not the collection for the Oxford Orphan Asylum be overlooked wherever services are held.

A note from Jacksonville confirms previous reports as to the vote in that county, and adds that the Democratic candidate in that county is also elected by a handsome majority.

Mr. Geo. F. Tilley had on exhibition yesterday in front of his meat store a hog which was a hog. It weighed 560 pounds dressed and was very fat. It looked more like a young elephant than a hog.

On and after this date our subscribers along the line of the W., C. & A. R. R. will receive the morning edition, instead of the evening edition, of the REVIEW, there now being two way mails each day on that road

David S. Cowan, Esq., of Robeson county, who is now railroading in Florida, was in the city yesterday. He came all of the way from Live Oak, Fla., to North Carolina to deposit his vote in favor of the candidates of the grand old Democratic party.

Finley McKenzie, colored, charged with the larceny of a quantity of meat from the store of Mr. A. D. Wessell, was before the Mayor yesterday morning and was ordered to give bond in the sum of $50 for his appearance at the next term of the Criminal Court.

A gentleman of this city on Monday last overheard one colored man informing another colored man that his name was read out in one of the colored churches on Sunday last as not being registered in his ward. It is about time for the colored people in the South to divorce their politics from their pulpits.

The Old and Reliable Clothing House.

Messrs. A. & I. Shrier, the proprietors of the above old and favorite Clothing House, No. 34 Market Street, ever on the alert to introduce the latest and most fashionable styles in their line of trade, have spared no pains this season in the selection of their Fall and Winter Clothing for Men, Boys and Children's wear, and in these selections have exhibited their usual exquisite taste. The house has always borne a high reputation for keeping only the best of goods, and selling them at the lowest price. The members of the firm are old stagers in the business and always know when and where to buy. This is the universal verdict of the large flourishing trade which the firm has commanded for long years. Indeed Messrs. A. & I. Shrier have become special favorites with the people, not only of Wilmington, but wherever they have become known. An examination of their stock yesterday fully convinces us that there is no handsomer stock this side of Baltimore, and it is only necessary for the buyers to examine their extensive stock in order to be fully satisfied that they can find all they may need for the comforts of man.

Illinois has gone Democratic by a majority approximating 10,000 votes. The Democrats will have 9 Members of Congress to 4 for the Republicans. We'd "holler" if we hadn't got hoarse hurrahing for New York.

We invite attention to the advertisement of Morris' hog cholera compound as it appears in this issue. This remedy is no humbug; it has been thoroughly tested in various portions of the country and Mr. Morris has certificates from prominent farms in this State testifying as to its curative effects. It is for sale in this city at Dr. Green's drug store.

Exports Foreign.

Schooner *Maggie Abbott*, Capt. McRitchie, cleared yesterday for Humacao, Porto Rico, with 172,060 feet of lumber, 10,000 shingles, 120 barrels rosin, 10 barrels tar and 2 casks spirits turpentine, valued at $3,735.89, shipped by Messrs. E. Kidder & Son.

Series of Entertainments.

The young gentlemen of the Literary Club of the Wilmington Library Association have inaugurated a series of entertainments to be held at the Library Rooms, on the second and fourth Tuesdays of each month. They have issued very handsome cards and we thank them for the courtesy of an invitation to the series.

Democratic Club.

A Young Men's Democratic Club was organized in the Fifth Ward Thursday. The meeting was held in the Stedman Bucket Company House and was largely attended. Mr. Geo. W. Mitchell was elected President and Mr. W. B. Orr, Secretary. The organization is to be known as the Young Men's Fifth Ward Democratic Club.

Thermometrical.

From the Signal Office in this city we obtain the following record of the thermometer, at the points named, at 3 o'clock yesterday afternoon:

Atlanta 72; Augusta 75; Charleston 72; Charlotte 72; Cedar Keys —; Galveston —; Havana 80; Indianola —; Jacksonville 76; Key West 76; Montgomery 74; New Orleans 76; Palestine (Texas) —; Pensacola 73; Port Eads —; Punta Rassa 78; Savannah 73; Wilmington 73.

Birdsey's Company.

The celebrated Birdsey Minstrel Company have arrived in the city and are stopping in various localities with their parents. They propose to give to-morrow afternoon a matinee performance of their unrivalled troupe at the New Opera House on Capt. Birdsey's premises, on Dock, between Front and Second streets. There are six members in the troupe and they will all do their united best to please and entertain. Admission five cents with ne extra charge for reserved seats.

Pender County.

The official returns from Pender county show the election of Capt. A. C. Ward, present incumbent, for Sheriff. His majority is 256. The republicans elect the balance of the county ticket. Canaday's majority is 206, a loss of 27. Ruffin gets 1,036, Folk 1,224, Bennett 1,036, Dockery 1,230, Green 1,031, Canaday 1,237, Galloway 1,058, Wassom 1,144, Armstrong 989, Scott 1,251, Johnson 1,020, Frayser 1,236.

The coming holidays will be more generally observed than any for many years and we would remind our readers that a bottle of Dr. Bull's Cough Syrup will prove a most acceptable holiday present.

A Good Idea.

A device now among discreet papas and mammas of marriageable daughters in this city is to have a card, ornamented with bright ribbons, suspended from the chandelier, on which is printed: "Doors open at 8 o'clock and will positively close at 10 o'clock." Occasionally the hour is 10:30 or 11 but rarely later than 11. If the young man should fail to take this broad hint he is told in plain terms that the habits of the household require the lights to be put out and the house closed at the appointed hour.

Magistrate's Court.

Jesse Robinson, colored, was before Justice Millis yesterday, charged with an assault and battery upon Celia Cowand, also colored. He was found guilty but judgment was suspended upon the payment of the costs.

The same defendant was then arrested on a peace warrant, sworn out by the same party, and was ordered to give bond in the sum of $25 keep the peace for 60 days and pay the costs. Failing to come down with the latter, he was sent to jail.

The State Ticket.

It is impossible to tell yet what the actual result of the elections in this State has been. The returns come in so slowly that the result cannot be predicted with anything like certainty. It is said that there are doubts in Raleigh as to the election of the State ticket. Some even going so far as to say that it will take the official count to determine. We cannot believe this as we do not think that enough is known as yet to justify such an opinion. We still cling to the belief we have all along expressed, that Bennett and the Judicial ticket and the Legislature are all safe, and we are confident that the result will justify this belief.

Since the above was written the following dispatch was received. It confirms the views expressed by us yesterday;

RALEIGH, N. C., Nov. 10—10 p. m.—Northampton elects R. B. Peebles, Dem., to the House, but gave Dockery 1,057 majority. Lenoir 2 majority for Dockery. A. H. Williams, Dem., is elected to the House from Granville. The news from the State is meagre. Nothing from distant counties. Bennett's election seems certain.

S. A. ASHE.

Buxton's majority in 1880 in Northampton was 529, and in Lenoir 282, and the net Democratic loss in those counties now is but 248, which is much better than we hoped for.

To Be Continued.

We are glad to hear that the Young Men's Democratic Club of this city have decided to continue their organization until the Presidential election. It is composed of excellent material and the young men have worked like heroes and with good results to the party during the recent campaign. The organization is an honor to the party

Green's Majority.

It is now definitely ascertained that Col. Green has been elected to Congress from this district by 499 majority, Sampson county has given him 579 majority and therein she has done nobly. This is said to be the official majority in the county.

What's Saved is Gained.

Workingmen will economize by employing Dr. Pierce's Medicines. His "Pleasant Purgative Pellets" and "Golden Medical Discovery" cleanse the blood and system, thus preventing fevers and other serious diseases, and curing all srofulous and other humors. Sold by druggists. wed-sat.

The Board of Aldermen meet in adjourned session on Monday night.

Cleaveland's majority in New York is now figured up as very near 195,000.

Capt. J. M. McGowan advertises in this issue another supply of fine New River oysters.

To Builders and others—Go to JACOBI'S for Sash, Blinds and Doors. Glass &c. You can get all sizes and at the lowest prices.
