BBYO...

By Jodi Mond

The recent BBYO Regional Convention held in Winston-Salem at the Hyatt House had as its theme "Welcome Back My Friends to the Show That Never Ends." This is the only convention that has representation from both Virginia and North Carolina.

Each night we had short programs on different subjects: anti-Semitism, death, summer BBYO camps, etc. On Saturday night we had processions. This is when the highest ranked officers walk for a special ceremony which is followed by "Life" for the officers on regional level. This continued on Sunday night after the dance. The band was so great that they will play at the Charlotte BBYO's Sweetheart/Beau on February 20.

Money was raised at the convention for ISF by auctioning off people to the chapters. BBG stickers, "I Love BBYO" stickers and Eastern Region buttons were also sold. Over \$600 was raised.

Elected to office at the convention were: Hallie Scheflin, of Chaverim BBG, as N'Siah and Mike Newman, of Barak AZA, as S'Gan. Todd Gorelick, of Barak AZA, will serve as Kohen Gadol.

Awards

Chaverim BBG received

first place awards for program (Halloween at the children's ward at Memorial Hospital), banner, and photography done by Allison Karban. Robyn Benjamin received a 2nd place award for impromptu.

Chai BBG received first place in tee shirt and scrapbook. ISF certificates were given to all the MITs in Chaverim and Chai for meeting their ISF pledge.

Barak AZA came in first in banner, newspaper, religious program (third year in a row) and the combined softball game with the B'nai B'rith Lodge. They also received 2nd place awards for driving members of the Chai group and for the cultural category. Andrew Fox was awarded a 2nd place in oratory.

Mickey Aberman AZA took first place awards in tee shirt, community service (taking the children from Alexander Children's Home to Carowinds) and for the combined softball game with the B'nai B'rith Lodge. Neil Kodosi received first place in storytelling and he also received a 2nd place in debate along with Mike Phillips. Eddie Fleishman was given a 2nd place in impromptu.

The Charlotte contingent came home from convention tired but triumphant!

February - A Busy Month

All the Charlotte chapters are busy preparing for the

B'nai B'rith Lecture Series

The second lecture of the B'nai B'rith Lecture Series will take place on February 14 at 8 p.m. at the Jewish Community Center. Speaking will be Rebbetzin Esther Jungreis who was born in Hungary and is descended from a great rabbinic dynasty that can trace its lineage back to the days of King David. Prior to the Holocaust, there were eighty-five rabbis bearing the name "Jungreis" in Hungary. Following World War II only seven remained.

Having experienced the Holocaust first hand as an inmate of Bergen Belsen, the Rebbetzin has determined to devote her life to combatting the spiritual holocaust that we are witnessing here in the United States: the alienation of our youth, their defection to missionary cults and the drug culture.

For the past twenty years Rebbetzin Jungreis has written a weekly column for the Jewish Press, the largest Anglo-Jewish weekly in the world. She has also had her own radio program, "Ask the Rebbetzin," which was aired weekly on WEVD Radio, and lectured widely throughout the world.

In 1973, Mrs. Jungreis founded "Hineni," an international movement to awaken the Jewish People to their heritage and inspire our youth to return to their roots.

Hineni's impact has been so overwhelming that standing room only crowds have gathered to hear the Rebbetzin at Madison Square Garden, the Miami Convention Center, the Hollywood Palladium, the Johannesburg Colosseum, Binane HaOuma in Jerusalem, the Cinerama in Tel Aviv, etc.

Today there are Hineni Schools throughout the U.S. To supplement the classes, Mrs. Jungreis has written pamphlets on every aspect of Jewish life and thought. These publications have been distributed on high school and college campuses as well as in communities throughout the world. They are now available in French, Spanish and Hebrew (in addition to English.)

Rebbetzin Jungreis has been acclaimed by every segment of the Jewish community. She has been the keynote speaker for the Joint Convention of Reform and Conservative Rabbis in Palm Springs, and has spoken for the RCA, ORT, Hadassah, UJA, Israel Bonds, Jewish War Veterans, the Shomrim Society, B'nai B'rith, Young Israel, Mizrahi, National Council of Jewish Women, Knights of Pythias, etc.

Today Hineni is the major organization combatting missionary cults in the U.S. It has brought thousands of

young Jews back to their faith.

The Rebbetzin's outstanding work has also been accorded recognition by the government of Israel. She has been invited to address the members of the Armed Forces and Navy, and has received awards from every branch of the service.

The Rebbetzin was named "Woman of the Year" by Hadassah, the Jewish War Veterans, B'nai B'rith District Six (Midwest), Federation of Jewish Women's Organizations and the Knights of Pythias.

This past year Hineni chapters were founded in Manchester and London, England and Sydney, Australia.

For those not holding series tickets, admission to the lecture is \$5 per person; coffee and cake will be served following the lecture.

JCC Vandalized

On the evening of December 23, 1981, the back of the JCC was vandalized. According to the Police Department, the vandals were probably youths between the ages of 13 and 16.

The youths spray painted in seven locations as well as breaking a leg off an outdoor table, breaking into the storage shed and stealing outdoor trash cans. They also destroyed some summer

pool equipment and set fire to a pool equipment storage container.

Though the damage was not extensive, certain costs will have to be absorbed by the Center. Anyone having any information, is asked to call Harold Cohen at the JCC.

Should you pass the Center and see something suspicious, call the Police and ask them to investigate. It is our Center, so let's keep it safe.

Chaverim News

Last month new chairmen were elected as follows: Elaine Shuman, recreation; Susan Shuman, citizenship; Jodi Mond, sisterhood; Jennifer Cohen, Jewish Heritage; Missy Sutker, service.

January 31 the MITs held a covered-dish supper for the entire chapter after their regular meeting. This was held at the Multer's home.
