The next regular session of Washington University will begin on Thursday, the first day of October, and terminate on the 22d day of February, 1869.

One *Beneficiary Student* from each Congressional District of the late slave-holding States is annually received, precedence being given to wounded and disabled soldiers.

The *Medical Department* of Washington University is unsurpassed. In addition to a Daily Clinic of the most instructive character, the school has attached to it, a **Hospital of 300 cots**, in which every possible facility is afforded for acquiring a practical knowledge of Medicine and Surgery. By a recent arrangement, the Seamen's Hospital of the Port of Baltimore has been placed under the exclusive control of the Faculty of this Institution.

Anatomical material is abundant.

A prize of **one hundred dollars** ($100) will be given for the best thesis presented by a candidate for graduation.

Fees:—For Matriculation, $5; Dissection, $10; Diploma, $20; Professors' fees, $125; Beneficiary ticket, $35.

COLUMBIAN COLLEGE,

WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments commence as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the TECHNOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL, October 19th.

This College was organized with a reference to the oft repeated suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the establishment of the principles, opinions and manners of our countrymen, by the common education of a portion of the youth from every district. Its graduates have verified the expectations of Madison and Monroe, since the decisions of hearing debates in Congress, arguments at the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, Gathered at the Seat, would foster a comprehensive mental development.

The Preparatory department gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors, all the Chairs being filled. The Professors receive but three Pupils each in Lower Classes; the tuition fee, and the Medical, two. The expenses are as low as at other Colleges. A Number of students the past year, $50. For Catalogues or further information, address

VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

FOR 22 Years I was sorely afflicted with the Piles. After trying every remedy I could hear of, and being at various times under medical care, I discovered a vegetable purgative ointment which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own interest, I made it well known to my friends and by a combination of them, that my remedy became known to a large number of persons. My ointment is advertised in the public prints, and I can with confidence, and without violating the rules of decorum, refer to my neighbors and the clergy of the place, as to the value of my ointment.

I will send it by mail, post paid, on receipt of the price, and I will post it in the hands of the druggists, if there is any in your place.
