SPIRITS TURPENTINE.

—General W. R. Cox, of Panelo, Edgecombe county, has accepted the invitation of the Daughters of the Confederacy to deliver the memorial address at Newbern the 10th of May.

—Burlington News: We are in a position to say that the bonds for our street railway will be sold at once and that the actual work on the road will begin within thirty days. This is good news, and we are sure that it will bring joy to those who have worked so hard on the matter.

Rocky Mount Record.—The six cattle which were recently condemned by the State veterinary surgeon, Dr. Tait Butler, near Rocky Mount, were killed last week, and a post-mortem examination disclosed that every one of them were affected to a greater or less extent with tuberculosis.

—Winston Southern Tobacco Journal: Japan seems to be highly pleased with its tobacco business. The profits of the Government exceed the calculations of the knowing ones. This is another argument for Government ownership of public utilities, not saying, however, that tobacco would come under this head.

—Burlinton News: The steel bridge plant is running a day and night force at present. Their orders have piled up to such an extent that they are securing all the hands possible and running day and night. They have been running until 9:30 P. M. for several months. We are glad to see the evidences of progress.

—Neil Freeland, aged 28 years, of Charlotte, who was a brakeman on the Southern railway, was instantly killed at Salisbury Wednesday night by falling from the top of a moving freight train on which he was working. The accident occurred just as the train was pulling itno Salisbury and was witnessed by a large number of people.

—Carthage Blade: Policeman Dillehay, of Southern Pines, made a whiskey seizure Monday night consisting of three barrels of bug juice, besides a team of pretty good mules. As yet nobody has professed ownership. Deputy McIver went over yesterday to look after the matter and Collector E. C. Duncan at Raleigh has been notified.

—A deputy marshal from Moore county on Thursday took to Raleigh a large wagon load of whiskey, and two fine mules. The capture was made without precaution or exertion, the officers having "walked into" the "catch," which was going up the road without a driver. The owners of the mules and wagon and whiskey are not known.

—Raleigh News and Observer, April 21: Messrs. E. F. Lamb and H. Clay Tunis, of Elizabeth City, were in Raleigh yesterday, and were asked if any clue had been found as to the whereabouts of little Kenneth Beasley, or if he was kidnapped. Both these gentlemen were of the opinion that the young boy was not stolen away, but was drowned in one of the many swamps surrounding the neighborhood in which he was last seen. Many places in these swamps are treacherous, and it is very probable, they said, that Kenneth had lost his way possibly, and had fallen itno some stream or hole, and was drowned.

—Mount Airy Leader: While our manufacturing enterprises have done much for the upbuilding of Mount Airy and Surry county, there is hidden beneath our soil a mine of wealth that will some day do for this town what the mineral wealth of Jones' valley has done for Birmingham, Ala. Only a few short years ago the splendid granite that is now shipped daily from here was unknown to the outside world, but capital and enterprise have realized that in Mount Airy granite there is untold wealth, and the development of our wonderful resources along this line has just begun. This industry has grown in the past fifteen years from nothing, until 3,000 carloads of this splendid building material is shipped from this point each year.

—Raleigh News and Observer, April 21: State Treasurer B. R. Lacy has completed the disbursements of the school fund of $200,000 to the public schools of the various counties. This sum is composed of the $100,000 which was distributed per capita, and the $100,000 to increase the school terms to four months. This is the only disbursement to schools made during the year by the State Treasurer. The county to receive the largest apportionment for school purposes was Wilkes, which was given $5,738.23. Dare county receives the smallest amount in the regular per capita disbursement, this being only $249.80, but the supplemental amount it gets increases its total to $2,549.90, which makes it the largest distribution in proportion to population. Dare county pays only $1,400 in taxes.

The Secretary of State on Thursday issued a charter to the Southern Mutual Industrial Co., of Charlotte, N. C. The company has no capital stock and is formed to carry on a mutual insurance business. The incorporators are James Allen Houston, J. J. Hutchinson and others.

Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement, "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

After using Ely's Cream Balm six weeks I believe myself cured of Catarrh.—Joseph Stewart, Grand Ave., Buffalo, N. Y.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cents or mailed by Ely Brothers, 56 Warrent St., New York. **

EARNINGS OF RAILWAYS.

Southern Group Shows Up Well In The List.

Reports of the gross earnings of four roads of the Southern group show that while the volume of transportation has improved in some cases in others there was a falling off as compared with that of the preceding year for the same period, though the earnings for the year beginning July 1st to lastest reports show, in each case, a good increase. The figures follow:

Atlantic Coast Line—Cross earnings for February, $1,738,123; previous year, $1,814,949. From July 1st to latest report, $14,009,170; previous year, $13,218,232.

Louisville and Nashville — Gross earnings for first week of April, $743,115; previous year, $671,695. From July 1st to latest report, $29,694,980; previous year, $28,953,745.

Seaboard Air Line—Gross earnings for February, $1,043,850; previous year, $1,115,722. From July 1st to latest date, $8,676,983; previous year, $8,336,802.

Southern Railway—Gross earnings for first week of April, $897,148; previous year, $803,941. From July 1st to latest report, $37,388,763; previous year, $35,409,949.

TURPENTINE COMBINE.

Movement With $3,500,000 Capital In Behalf of Producers.

By Wire to The Morning Star.

Birmingham, Ala., April 20.—A special from Hattiesburg, Miss., says that fifty leading turpentine operators of Alabama, Mississippi, Louisiana, Florida and Texas have formed a combine with a capital stock of $3,500,000. The combination is to be known as the Naval Stores Product Export Company, and is formed for the purpose of controlling turpentine production "in the interest of the producers." It is understood that the combine will control 450,000 casks of turpentine out of a total production in the country of 650,000 casks. Headquarters will be in Savannah and E. C. Patterson, of that city, it is said, will be general manager of the company. It is said that the real purpose of the combine is to combat the alleged trust among the naval stores factors, who, it is claimed, have controlled the market for years.

ASSASSIN OF SERGIUS.

Kaleieff Will Be Hanged—Mother Was a Noble.

By wire to The Morning Star.

Moscow, April 20.—Ivan Kaleieff, who killed Grand Duke Serglus and was sentenced to death, will be hanged next week. His brother is a member of a guard regiment stationed at St. Petersburg. His mother belonged to a noble Polish family. She married beneath her station a Russian policeman of Warsaw, now deceased.

MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff, and Falling Hair, with irritants or oils on which a parasitic germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ.

Newbro's Herpicide does this because it is specially made to do that very thing.

When the germ is removed, the hair has no choice but to resume healthy growth and beauty.

"Destroy the cause, you remove the effect."
