A NICE PRESENT.—Our liberal friend, W. Robt. Andrews, Family Grocer, Fayetteville Street, sent us, on Saturday, a present of a lot of delicious Málaga grapes, which we enjoyed greatly, and for which we vote him, unanimously, many thanks. A more luscious fruit, in appearance, and to the taste, we never saw, and we advise "everybody" to go and get some in season. Anything and every thing else, in fact, that is edible or palatable, may be found at Andrews'.

MECKLENBURG.—A Conservative meeting is to be held in Charlotte, to-morrow, for the purpose of nominating two candidates for the Convention.

WASHINGTON, Nov. 7—M.

This morning's *Chronicle*, in an editorial, which was also telegraphed last night to Philadelphia, and appears in the *Press*, referring to the special dispatch alluded to yesterday which it published, says: "We are authorized to state that the above is unqualifiedly false."

The *Chronicle* insists that it has fairly represented Grant's politic l status.

Among the visitors to Gen. Grant, during the day on which the questioned conversation occurred, was Hon. Montgomery Blair.

Cabinet changes are again rumored. No immediate changes are probable.

ALABAMA CONVENTION.

MONTGOMERY, Nov. 9—P. M.

The Reconstruction Convention has decided against a proposition to insert no proscriptive feature in the new Constitution.

The Republican party propose to elect all the State and County officers at the same time the Constitution is submitted to the people, in the hopes of getting a larger vote on its ratification and to prevent any loss to the Republicans on account of the negroes changing homes on the 1st of January.

JUDICIAL DECISION—RICHMOND RADICALS

RICHMOND, Nov. 9—P. M.

Yesterday at Bloomfield, Tenn., a suit against the Southern Express Company was tried, in which the plaintiff claims damages for goods destroyed by the Federal troops on an Express in Virginia. The Express Co. held that their bills provided against damages for loss by fire or the common enemy. Judge Butler decided that the Federal troops were not a common enemy, and a verdict for $16,000 was given against the Company.

An excited Radical meeting was held at the Headquarters of the blacks last night. Lewis Lindsey, a colored delegate to the Convention, made a speech. Alluding to the discharge of negroes for voting the Radical ticket, he said:—"Before any of his children should suffer for food the streets of Richmond should run knee deep in blood. He thanked God that the negroes had learned to use swords and guns!"

All the efforts of the more peaceful negroes to stop these demonstrations were wildly hooted down. The citizens here are apprehensive of trouble.

Wardwell, and other white Radicals, left the meeting.

DR. J. J. LAWRENCE—*Dear Sir*—Please send me immediately per Express to Tarboro, two dozen more bottles of your Rosadalis. I have carefully examed its formula, and have used it in my practice in a number of cases. I am well pleased with it. I think it, beyond doubt, the best Alterative I ever used. I have tried it in several cases of Scrofula and Scrofulous Affections, &c., with much satisfaction to myself and patients. I have also used it in Secondary and Tertiary Syphilis, (one a terrible case of eight years' standing,) in which it acted with surprising and satisfactory effect—making a quick and thorough cure. I have, therefore, no hesitation in recommending it to Physicians and others, as the most reliable Alterative now known.

Respectfully yours, &c.,
A. R. NOBLES, M. D.

A Wonderful Cure of Scrofulous White Swelling.

HOME CERTIFICATE.

I hereby certify, that last September I was attacked with White Swelling of the left knee—and also with an enlargement of the glands of the neck—(one tumor reached a large size.) The swelling of the knee was enormous, and was attended with the most excruciating pains. I was so reduced that I was confined to my room over three months. My leg was so completely drawn up, that I could not bend it at all. I tried various remedies, and they failed to give me any relief. I was in this condition when I commenced taking Dr. Lawrence's Rosadalis. The swelling in the knee and neck began to subside before I took all of the first bottle. By the time I took the second bottle, the swelling of the neck entirely disappeared and that of the knee nearly so. After taking three bottles I found myself completely well—able to walk as well as ever, &c.

Rosadalis cures Carbuncles, Boils, Pimples, &c.

Certificate from an old and much respected citizen of Greene County, now a resident of Wilson, N. C.

I hereby certify that, during the summer and fall of 1866, that I was severely afflicted with Carbuncles—having had as many as fourteen large Carbuncles, and twelve ordinary Boils. I suffered so much from them that I could not get out of the house half the time for several months. Being induced to try Dr. Lawrence's Rosadalis, I was entirely cured by the use of one bottle of that truly valuable medicine.

Consumption, in its Early Stages, can be Cured.

BALTIMORE, Md., March 4th, 1867.

Dear Dr. Lawrence—My daughter having been cured of a deeply seated disease of the lungs by your "Rosadalis," I feel it my duty to make the fact known to you for the benefit of others. She suffered nearly two years with a hard cough, which troubled her day and night; at last the emaciated form, glossy eye, night sweats, together with the cough, told too plainly that it was *Consumption*, beyond question, eating at her vitals. Our Physician's remedies brought no relief. She was advised to try your Rosadalis, as a tonic—which she did—imagine my surprise and gratification, when I found her appetite returning. Slowly she regained her strength, her cough and night sweats gradually ceased, and she is now, after taking five bottles of your medicine, apparently as well as ever.

Yours respectfully,
MRS. R. ANN SMITH.

Salt Rheum Cured! Remarkable Cure!!

DR. LAWRENCE, Wilson, N. C.:

My Dear Sir—For the last two years (until recently) I suffered with an inveterate eruption of the skin—called by physicians "Salt Rheum," with which I suffered terribly; the pain and itching was almost intolerable. I tried several of the best physicians in Europe and this country—have visited several celebrated Springs—spent thousand of dollars, and failed to get any better. In December 1866, being in Charleston S. C., I was told by a gentleman at the hotel, that he had been cured of a bad tetter by a medicine called "Rosadalis." I resolved to try it, without any hope though of its doing me any good. I procured a bottle of Messrs. King & Cassidey, and commenced taking it. Finding, to my surprise, that I was improving, I bought four other bottles; but before commencing on the last two, I found I was completely well—the disease having entirely disappeared.

Enclosed find "One Hundred Dollars," which please accept as a token of my gratitude. Why do you not make your invaluable Rosadalis widely known?

Your sincere friend,
W. T. SELTZER.

Major John W. Dunham, one of the editors of the Wilson "North Carolinian," says in the issue of the 20th April, 1867: "I believe from personal experience, that the Rosadalis is the finest tonic ever prepared."
