The Daily Sentinel.

Racy Talk to Sambo—What Judge Dent Tells on the Radical Party in Stumping Mississippi to be Governor.

You are well aware that it is the aim of General Ames and others to perpetuate their rule over the State of Mississippi by a regular system of proscription, if by any means they could pull down your assistance in doing so. I have told you that you are not indebted to them for anything, and, therefore, you should not ask yourself the question to "whom shall we attach ourselves at the present time, and who will in reality prove themselves our friends in the present crisis?" Do you not know that the sole object of General Ames, and the party to which we are opposed, is simply to subserve their own interests and to continue their power in the State? The solution of this political problem, therefore, depends on the manner in which you shall vote in the coming election. The future of this State, I may almost say depends on your action, and what you may co-sider of even greater importance, the permanency of your own race will depend greatly on the manner in which you act, as you may be driven to the frontier like the red man, and disappear as he is doing.

I heard the President declare, in my own presence, and in the presence of a number of distinguished gentlemen belonging to the Republican party, in Washington, about three weeks ago, that it was never intended to give you the right to vote until it became a necessity in the plan of reconstruction of the Southern States. You are not, therefore, indebted to them for the boon of suffrage, as you only received the right to vote when it became a political necessity. Much, therefore, depends upon you at the present time, and, as I have said, it is highly important to yourselves as a people to what party you will attach yourselves in the present campaign.

If they could retain office and continue to plunder the country, they would soon prove false to you, and you would soon find out the truth of the axiom that "blood is thicker than water." They have no sympathy with you, while those with whom you have been raised do love you, not for your votes alone, but because they have true sympathy with you. And I tell you that General Grant is in favor of the honest party.

Yet, here in this State of Mississippi, in the time of peace and quietness, we have a little pompadoy, [laughter,] not in a king whom, but in a free Republic, in time of peace, with impudence that is really sublime, on his own mere motion suspends the glorious writ of right, and deprives citizens of their personal liberty without cause. His impudence is only equaled by his ignorance, as he struts about like a little chicken-cock dressed in uniform. [Roars of laughter.] This pompadoy is about thirty years of age, and knows no more about law than the creatures by whom he is surrounded, and yet he suspends the most sacred writ of right while the Government looks on and says nothing.

THE FLORIDA INDIANS.—The Indians are in council near the Big Cypress for the purpose of selecting a chief in the place of Tiger Tail, who some time since committed suicide by hanging himself, and for the purpose of selecting a delegate to represent them in our State Legislature. There are the remnants of three tribes—Seminoles, Tallahassees and Miccosukies—represented in the council, each having an aspirant for the chieftaship, but the Miccosukies are the most numerous, and it is supposed that the chief will be selected from that tribe. The Tallahassees, who live on the headwaters of Peace creek, have dwindled down to thirty all told, six of whom are warriors, and the Seminoles are fast being incorporated with the Miccosukies.—From the best information we have there are not more than 125 warriors, including all males upwards of sixteen years of age, now remaining in Florida of the once powerful tribe which for seven years defied the authority of the United States.—*Tampa (Fla.) Peninsula, September 16.*

Koskoo!

THE GREAT REPUTATION
Which KOSKOO has attained in all parts of the Country
AS A GREAT AND GOOD MEDICINE
has induced Dr. LAWRENCE to ENLARGE HIS LABORATORY and FACILITIES for MANUFACTURING, so as to be enabled to supply the extraordinary demand for it.
THE LARGE NUMBER OF TESTIMONIALS which are constantly being received from Physicians, and persons who have been cured by its use, is CONCLUSIVE PROOF of its REMARKABLE VIRTUE.
AS A BLOOD PURIFIER, it HAS NO EQUAL,
BEING POSITIVELY THE
Most Powerful Vegetable Alterative
YET DISCOVERED!

DISEASES OF THE BLOOD.

"The life of the flesh is in the Blood," is a Scriptural maxim that science proves to be true. The people talk of bad blood, as the cause of many diseases, and like many popular opinions, this of bad blood is founded in truth. To say nothing of those humors that are hereditary, we can easily see how the Blood may become bad from imperfect Digestion or failure of excretion, and how this may influence the process of Nutrition, and thus influence all the functional activities of the body.

The symptoms of bad blood are usually quite plain—bad Digestion—causes imperfect nutrition, and consequently the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad, and frequently covered with a pasty, white coat. This condition soon shows itself in roughness of the skin, then in ERUPTIVE and ULCERATIVE diseases, and when long continued, results in serious lesions of the Brain, Liver, Lungs, or urinary apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with scrofula in some form.

Persons suffering from any bad humor are very liable to have it settle on the Lungs or some other vital organ. The only safe rule is to remove the Blood poison at once, before it settles itself upon some vital point.

When the Blood is pure, you are not so liable to any disease. Many impurities of the Blood arise from impure diseases of large cities. Eradicate every impurity from the fountain of life, and good spirits, fair skin and vital strength will return to you.

KOSKOO!
AS A
LIVER INVIGORATOR!
STANDS UNRIVALLED.
BEING THE ONLY KNOWN MEDICINE that EFFICIENTLY stimulates and CORRECTS the hepatic secretions and functional DERANGEMENTS of the LIVER, without debilitating the system. While it acts FREELY upon the Liver instead of curious PURGING, it gradually changes the discharges to a PERFECTLY NATURAL STATE.

SYMPTOMS OF LIVER COMPLAINT AND OF SOME OF THOSE DISEASES PRODUCED BY IT.

A sallow or yellow color of the skin, or yellowish-brown spots on the face and other parts of the body; dullness and drowsiness, sometimes headache; bitter or bad taste in the mouth, internal heat; in many cases a dry, tessing cough; unsteady appetite; sometimes sour stomach, with a raising of the food; a bloated or full feeling about the stomach and sides; aggravating pains in the sides, back, or breast, and about the shoulders; constipation of the bowels; piles, flatulence, coldness of the extremities, &c.

KOSKOO!
Is a remedy of WONDERFUL EFFICACY in the cure of diseases of the KIDNEYS and BLADDER. In these affections it is as near a SPECIFIC as any remedy can be. It does its work KINDLY, SILENTLY, and SURELY. The RELIEF which it affords is both CERTAIN and PERCEPTIBLE.

DISEASES OF THE KIDNEYS AND BLADDER.

Persons unacquainted with the structure and functions of the Kidneys cannot estimate the importance of their healthy action.

Regular and sufficient action of the Kidneys is as important, nay, even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death from thirty-six to forty-eight hours.

When the Urine is voided in small quantities at the time, or when there is a disposition to Urinate more frequently than natural, or when the Urine is high colored or scalding with weakness in the small of the back, it should not be trifled with or delayed, but Koskoo should be taken at once to remedy the difficulty, before a lesion of the organs takes place. Most of the diseases of the Bladder originate from those of the Kidneys, the urine being imperfectly secreted in kidneys, prove irritating to the Bladder and Urinary passages. When we recollect that medicine never reaches the Kidneys except through the general circulation of the Blood, we see how necessary it is to keep the Fountain of Life Pure.

KOSKOO!
MEETS WITH GREAT SUCCESS IN THE CURE OF
Diseases of the Nervous System.

Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to its concomitant evils of mental depression, confused ideas, softening of the brain, insanity, and complete breaking down of the general health. Thousands are suffering to-day with broken-down nervous systems, and, unfortunately, tobacco, alcohol, late hours, over-work, [mental and physical] are causing diseases of the nervous system to increase at a fearful ratio.

The symptoms to which diseases of the nervous system give rise, may be stated as follows: A dull, heavy feeling in the head, sometimes more or less severe pain or headache; Periodical headache, Dizziness, Noises or Ringing in the Head; Confusion of Ideas; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in answering questions; Dulness of Hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c., &c.

CONCLUSION.

Suffering reader, do not think that because you have tried other remedies, you cannot be cured, but recollect that God, in His Providence, has put afflicted His children with pain and disease, without at the same time giving them something in the Great Garden of Nature that will cure them.

Have no hesitation in writing to me, and stating your case in full, and I will answer you promptly.
