DUNN'S PATENT COTTON TIE.
WE BEG TO ANNOUNCE that we have been appointed sole agents for the sale of the above Patent Tie in Virginia and North Carolina.
The satisfaction to gin and press owners used, combines no improvement in the best yet introduced. It combines the advantages of great strength, great simplicity and ease in manufacturing, besides the difficulty of taking up the slack of the band in the operation of baling, or entirely avoiding it.
We shall have supplies of the band from the manufacturer in England, for delivery in July or August, and can deliver Ties at reasonable rates.
