FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gives satisfaction that cannot be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1½ inch square iron bars, which is capable of sustaining a strain of 200,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 TO 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet—Size Bale 24 x 54 inches, weight Bale 400 to 550 lbs.

THOS. H. BRIGGS.

READ CERTIFICATES BELOW.

T. H. Briggs, Esq.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season, and consider it to be the best Press I ever saw. Slaves packed bales to weigh from five hundred and ninety (590) to six hundred and twelve pounds (612). I consider it the best and most durable Press I ever saw used, and can cheerfully recommend its use to the farmers of North Carolina. Yours truly, C. W. BYNUM.

Mr. Thomas H. Briggs: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the *pan upon which the Utley Press works* cheaper, simpler and more durable than any I have met with. Yours very respectfully, SAM. R. WILDER.

Thos. H. Briggs, Esq.: Dear Sir:—In reply to yours of the 15th asking how I was pleased with the Utley Press I used last season, I would say *that it gave entire satisfaction.* Respectfully yours, CHAS. H. BLOCKER

Thos. H. Briggs, Esq., Raleigh, N. C.: Sir—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen. Respectfully, E. T. FOGGE.

Raleigh, N. C., June 18th, 1870.

T. H. Briggs, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own cotton and also other crops for my neighbors, making each one hundred bales. Decidedly it is superior in all respects to any Press I have ever seen and that in every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds. Yours truly, W. T. BOWLE.
